Science And Human Behavior B.F Skinner,2012-12-18 The psychology classic—a detailed study of scientific theories of human nature and the possible ways in which human behavior can be predicted and controlled—from one of the most influential behaviorists of the twentieth century and the author of *Walden Two*. “This is an important book, exceptionally well written, and logically consistent with the basic premise of the unitary nature of science. Many students of society and culture would take violent issue with most of the things that Skinner has to say, but even those who disagree most will find this a stimulating book.” —Samuel M. Strong, *The American Journal of Sociology* “This is a remarkable book—remarkable in that it presents a strong, consistent, and all but exhaustive case for a natural science of human behavior...It ought to be...valuable for those whose preferences lie with, as well as those whose preferences stand against, a behavioristic approach to human activity.” —Harry Prosch, *Ethics*

From A to Bee James Dearsley,2012-07-02 James Dearsley’s wife thought he had lost his mind when he announced his intention to become a beekeeper. Like many interested in self-sufficiency, he loved gardening and growing vegetables and he wanted to teach his little boy where honey came from, so he set himself a goal: to get, in a year’s time, just one jar of honey.

Warrior's Creed Roger Sparks,Don Rearden,2020-08-18 The riveting story of how a young boy's upbringing with outlaw culture and charismatic role models forged him into an elite Marine and a decorated Pararescueman. Absence of self is my sword comprises the final line in *The Warrior's Creed*, a 14th century poem written by an unknown Japanese Samurai, and this is the code Master Sergeant Roger Sparks embodied as a Recon Marine turned Alaskan Pararescueman. A living legend in the military, Sparks first made a name for himself within elite Marine Reconnaissance units. He went on to become an instructor where he trained future Reconnaissance Marines with unorthodox and ancient indigenous warrior techniques. A decade later, the same methods would keep him and others alive, when he hoisted into a maelstrom of violence to rescue an embattled platoon in the rugged mountains of eastern Afghanistan. Introduced to a tough code of honor, family, and brotherhood from birth, Roger Sparks rose to become a distinguished instructor in Marine Reconnaissance and a Silver Star recipient as an Alaska Pararescueman. A raw and exhilarating tale of guts, grit, and heart, *Warrior's Creed* recounts the hidden side of special operations training, heroic and heartbreaking Alaskan wilderness rescues, and the surreal and deadly rescues during Operation Bulldog Bite in Afghanistan’s Watapur Valley. This powerful and inspirational story is as much of a self-help book as it is an edge of your seat military memoir. *Warrior's Creed* reveals a motivating and mindful approach to overcoming the odds, facing the impossible, and finding mercy and grace in the aftermath.

Unbroken (Movie Tie-in Edition) Laura Hillenbrand,2018-08-21 #1 NEW YORK TIMES BESTSELLER • The incredible true story of survival and salvation that is the basis for two major motion pictures: 2014’s *Unbroken* and the upcoming *Unbroken: Path to Redemption*. On a May afternoon in 1943, an Army Air Forces bomber crashed into the Pacific Ocean and disappeared, leaving only a spray of debris and a slick of oil, gasoline, and blood. Then, on the ocean surface, a face appeared. It was that of a young lieutenant, the plane’s bombardier, who was struggling to a life raft and pulling himself aboard. So began one of the most extraordinary odysseys of the Second World War. The lieutenant’s name was Louis Zamperini. In boyhood, he’d been a cunning and incorrigible delinquent, breaking into houses, brawling, and fleeing his home to ride the rails. As a teenager, he had channeled his defiance into running, discovering a prodigious talent that had carried him to the Berlin Olympics and within sight of the four-minute mile. But when war had come, the athlete had become an airman, embarking on a journey that led to his doomed flight, a tiny raft, and a drift into the unknown. Ahead of Zamperini lay thousands of miles of open ocean, leaping sharks, a foundering raft, thirst and starvation, enemy aircraft, and, beyond, a trial even greater. Driven to the limits of endurance, Zamperini would answer desperation with ingenuity; suffering with hope, resolve, and humor; brutality with rebellion. His fate, whether triumph or tragedy, would be suspended on the fraying wire of his will. In her long-awaited new book, Laura Hillenbrand writes with the same rich and vivid narrative voice she displayed in *Seabiscuit*. Telling an unforgettable story of a man’s journey into extremity, *Unbroken* is a testament to the resilience of the human mind, body, and spirit. Praise for *Unbroken* “Extraordinarily moving . . . a powerfully drawn survival epic.”—*The Wall Street Journal* “[A] one-in-a-billion story . . . designed to wrench from self-respecting critics all the blurby adjectives we normally try to avoid: It is amazing, unforgettable, gripping, harrowing, chilling, and inspiring.”—*New York* “Staggering . . . mesmerizing . . . Hillenbrand’s writing is so ferociously cinematic, the events she describes so incredible, you don’t dare take your eyes off the page.”—*People* “A meticulous, soaring and beautifully written account of an extraordinary life.”—*The Washington Post* “Ambitious and powerful . . . a startling narrative and an inspirational book.”—*The New York Times Book Review* “Marvelous . . . *Unbroken* is wonderful twice over, for the tale it tells and for the way it’s told. . . . It manages maximum velocity with no loss of subtlety.”—*Newsweek* “Moving and, yes, inspirational . . . [Laura] Hillenbrand’s unforgettable book . . . deserve[s] pride of place alongside the best works of literature that chart the complications and the hard-won triumphs of so-called ordinary Americans and their extraordinary time.”—Maureen Corrigan, *Fresh Air* “Hillenbrand . . . tells [this] story with cool elegance but at a thrilling sprinter’s pace.”—*Time* “*Unbroken* is too much book to hope for: a hellride of a story in the grip of the one writer who can handle it.”—Christopher McDougall, author of *Born to Run*

Let's Pretend This Never Happened Jenny Lawson,2013-03-05 The #1 New York Times bestselling (mostly true) memoir from the hilarious author of *Furiously Happy*. “Gaspingly funny and wonderfully inappropriate.”—O, The Oprah Magazine When Jenny Lawson was little, all she ever wanted was to fit in. That dream was cut short by her fantastically unbalanced father and a morbidly eccentric childhood. It did, however, open up an opportunity for Lawson to find the humor in the strange shame-spiral that is her life, and we are all the better for it. In the irreverent *Let's Pretend This Never Happened*, Lawson's long-suffering husband and sweet daughter help her uncover the surprising discovery that the most terribly human moments—the ones we want to pretend never happened—are the very same moments that make us the people we are today. For every intellectual misfit who thought they were the only ones to think the things that Lawson dares to say out loud, this is a poignant and hysterical look at the dark, disturbing, yet wonderful moments of our lives.
