Casino Confidential Anonymous,2015-11-24 In *Casino Confidential*, a veteran pit boss and dealer (who must remain anonymous) takes readers behind the scenes to show where casinos are most vulnerable—and which bets are simply a waste of money. Through chapters on blackjack, Texas hold 'em, roulette, craps, baccarat, slot machines, and more, readers will learn: • Basic strategy for the most popular casino games • Five keys to successful gambling • Tips for identifying and maintaining positive streaks • Advice on money and bankroll management . . . and much more. Along the way, Anonymous shares examples and anecdotes gleaned from a career working as a pit boss and keeping high rollers under his thumb. You've been told again and again that the odds are stacked against players—but that doesn't stop thousands of gamblers from winning big every day. Discover what they all have in common—and what the house doesn't want you to know—in *Casino Confidential*.

Casino Security and Gaming Surveillance Derk J. Boss,Alan W. Zajic,2016-04-19 Almost all incidences of cheating, theft, fraud, or loss can be detected through the surveillance of critical transactions, audit observations, and reviews of key metrics. Providing proven-techniques for detecting and mitigating the ever-evolving threats to casino security, this book covers the core skills, knowledge, and techniques needed to protect casino assets, guests, and employees. Drawing on the authors' six decades of combined experience in the industry, *Casino Security and Gaming Surveillance* identifies the most common threats to casino security and provides specific solutions for addressing these threats. From physical security and security management to table and gaming surveillance, it details numerous best practice techniques, strategies, and tactics, in addition to the metrics required to effectively monitor operations. The authors highlight valuable investigation tools, including interview techniques and evidence gathering. They also cover IOU patrol, tri-shot coverage, surveillance audits, threat analysis, card counting, game protection techniques, players' club theft and fraud, surveillance standard operating procedures, nightclub and bar security, as well as surveillance training. Complete with a glossary of gaming terms and a resource-rich appendix that includes helpful forms, this book covers everything surveillance and security professionals need to know to avoid high-profile incidents, costly compliance violations and damage to property and revenue. It's professionals like Al and Derk who personify the professionalism that is crucial when establishing and operating modern casino security and surveillance departments. This book will quickly become the Bible for any security and surveillance officer. —Roger Gros, Publisher, Global Gaming Business Magazine
