Hosted Horror on Television Bruce Markusen,2021-07-27 In October 1957, Screen Gems made numerous horror movies available to local television stations around the country as part of a package of films called Shock Theater. These movies became a huge sensation with TV viewers, as did the horror hosts who introduced the films and offered insight--often humorous--into the plots, the actors, and the directors. This history of hosted horror walks readers through the best TV horror films, beginning with the 1930s black-and-white classics from Universal Studios and ending with the grislier color films of the early 1970s. It also covers and explores the horror hosts who presented them, some of whom faded into obscurity while others became iconic within the genre.

Television Horror Movie Hosts Elena M. Watson,2013-05-03 Midnight, 1954. A striking woman in a torn black dress slinks down a cobwebbed, candelabra'd corridor. She stops, shrieks hysterically into the camera, then solemnly says, "Good evening, I am Vampira." Her real name is Maila Nurmi and she was the first in a long line of television horror movie hosts, commonly seen on independent stations' late-night "grade Z" offerings dressed as some zany ghoul or mad scientist. This book covers the major hosts in detail, along with styles and show themes. Merchandise tie-in and fan reactions are also chronicled. The appendices list film and record credits.

Although clearly of crucial importance to film studies and film history, this treatment of the issues of the rise of nationalism within the cinema should make the work of great interest to historians dealing with modern nationalism and its relation to mass media.—Tom Gunning, author of *D. Haunted Dreams Jenny Kaminer,2022-03-15 Haunted Dreams is the first comprehensive study in English devoted to cultural representations of adolescence in Russia since the end of the Soviet Union in 1991. Jenny Kaminer situates these cultural representations within the broader context of European and Anglo-American scholarship on adolescence and youth, and she explores how Russian

writers, dramatists, and filmmakers have repeatedly turned to the adolescent protagonist in exploring the myriad fissures running through post-Soviet society. Through close analysis of prose, drama, television, and film, this book maps how the adolescent hero has become a locus for multiple anxieties throughout the tumultuous years since the end of the Soviet experiment. Kaminer also directly addresses some of the pivotal questions facing scholars of post-Soviet Russia: Have Soviet cultural models been transcended? Or do they continue to dominate? The figure of the adolescent, an especially potent and enduring source of cultural mythology throughout the Soviet years, provides provocative material for exploring these questions. In *Haunted Dreams*, Kaminer employs a historical approach to reveal how fantasies of adolescence have mutated and remained constant across the Soviet/post-Soviet divide, focusing on violence, temporality, and gender and the body. Some of the works discussed present the possibility of salvaging the model of the heroic adolescent for a new society. Others, by contrast, relegate this figure to the dustbin of history by evoking disgust or horror, or by unmasking the tragic consequences that ensue from the combination of adolescence, violence, and fantasy.
