Computer Vision -- ECCV 2010 Kostas Daniilidis,Petros Maragos,Nikos Paragios,2010-09-07 The 2010 edition of the European Conference on Computer Vision was held in Heraklion, Crete. The call for papers attracted an absolute record of 1,174 submissions. We describe here the selection of the

accepted papers: Thirty-eight area chairs were selected coming from Europe (18), USA and Canada (16), and Asia (4). Their selection was based on the following criteria: (1) Researchers who had served at least two times as Area Chairs within the past two years at major vision conferences were excluded; (2) Researchers who served as Area Chairs at the 2010 Computer Vision and Pattern Recognition were also excluded (exception: ECCV 2012 Program Chairs); (3) Minimization of overlap introduced by Area Chairs being former student and advisors; (4) 20% of the Area Chairs had never served before in a major conference; (5) The Area Chair selection process made all possible efforts to achieve a reasonable geographic distribution between countries, thematic areas and trends in computer vision. Each Area Chair was assigned by the Program Chairs between 28–32 papers. Based on paper content, the Area Chair recommended up to seven potential reviewers per paper. Such assignment was made using all reviewers in the database including the conflicting ones. The Program Chairs manually entered the missing conflict domains of approximately 300 reviewers. Based on the recommendation of the Area Chairs, three reviewers were selected per paper (with at least one being of the top three suggestions), with 99.

Black & Decker The Hardworking Home Mark Johanson, 2022-04-26 The Hardworking Home presents a wide range of achievable home improvements that will help you upgrade your home to better meet your needs in this shifting world. From home office to home school to home entertaining, today's households have necessarily become functional microcosms of society. Before the pandemic, less than five percent of full-time employees worked remotely from home. At the height of the outbreak, more than half did. And even when the dust has settled, it is estimated that at least a quarter of us will be performing our jobs from offices in our homes. Distance learning also will endure as an important educational tool. And while we back into less restrictive social distancing guidelines,

it nevertheless makes sense to create a fun, vibrant atmosphere for entertaining ourselves and our guests within the safe confines of our homes. Some of the projects in The Hardworking Home are quite simple and others require a little more DIY experience. But the overriding commonality is that they have been curated with the forward-looking filter of making our lives better, more efficient, and more satisfying in a changing world landscape. Content includes: Introduction How we got here Goals and considerations Where to work? Snarky Park Cathy Lubenski, 2015-04-15 Reporter Bertie Mallowan has a knack for finding trouble...or it that trouble has knack for finding her? Whatever, she's still reeling from being laid off from her job when she lands a job as a society columnist at a newspaper owned by multimillionaire Dillard Johnson--known as The Big Johnson among his employees. His friend, environmental activist Rowley Poke, is murdered at a party sponsored by Johnson and of course Bertie was one of the guests as part of her new job. The Big J tells Bertie to infiltrate The End, Poke's eco-conservation group, and report back to him. Being dangled before her is a job as an investigative reporter. Bertie must navigate the eccentricities of the Big J, his family, and the new head of The End, Buddy Laird, to solve the mystery. Funny, fast-paced, Snarky Park is another triumph from a writer to watch. PRAISE FOR the Bertie Mallowan series and Cathy Lubenski What do a certain Mennonite innkeeper, and a reporter named Bertie Mallowan, have in common? Could it be that they are both highly intelligent women with a wry take on life, or could it possibly be that both possess tongues capable of slicing Swiss cheese? This is a surefire recipe for a winner in my book! Trashy Chic is pure gold. -- Tamar Myers, author of the Pennsylvania Dutch Mysteries and The Headhunter's Daughter "Don't miss this utterly delightful mystery. Cathy Lubenski has a light but sharp touch, a wonderful eye for human types and human foibles, and she's a natural entertainer. "Trashy Chic" has a perfect humor-to-heart ratio. Bravo!"--T. Jefferson Parker, New York Times bestselling author of The Jaguar and The Border Lords "Fast and funny. Enjoy!" -- Parnell Hall, author of Caper

Love After All Celeste O. Norfleet, 2007-03-01 Like her grifter father, Samantha Lee Taylor has a talent for deception. But long ago she decided to reject that lifestyle. Now her cunning is the only thing that's keeping her alive while she's running from those who are pursuing her brother—who fancies himself as a big-time con artist. Former cop Jackson Daley is out to catch the person who is blackmailing his father. When a source implicates Samantha's brother, the two team up to try and find him, but for very different reasons. Can these wary allies put aside their suspicions and avoid the real danger that lurks around them? And can they ignore the mutual attraction and passion that bubbles with every move this street-savvy pair makes?

Creative Wallpaper Paige Gilchrist, Lyna Farkas, 2005 With superb projects and more than 200 color photos, this stunning showcase presents the best contemporary wallpaper designs. The rich variety of patterns ranges from modern geometrics to feminine florals, from reflective metallics to designs that imitate stucco and wood. Better yet are the clever ideas for using the papers, including applying them in vertical strips, creating a patchwork pattern, and covering just half a wall. Or, for

something different, use paper other than conventional manufactured wallpaper, such as old maps and sheet music. And remember: wallpaper isn't just for walls, so there are suggestions for transforming small accessories too. Even the most intimidated will find the instructions easy enough to follow. Well-illustrated instructions on the basics.--Library Journal

The Making of the Black Working Class in Britain Ron Ramdin, 2017-08-22 A classic history of the role of Black working-class struggles throughout the twentieth century In this pioneering history, Ron Ramdin traces the roots of Britain's disadvantaged black working class. From the development of a

small black presence in the sixteenth century, through the colonial labour institutions of slavery, indentureship, and trade unionism, Ramdin expertly guides us through the stages of creation for a UK minority whose origins are often overlooked. He examines the emergence of a black radical ideology underpinning twentieth-century struggles against unemployment, racial attacks and workplace inequality, and delves into the murky realms of employer and trade union racism. First published in 1987, this revised edition includes a new introduction reflecting on events over the past four decades.
