*What Color Is Your Parachute? Guide to Job-Hunting Online, Sixth Edition* Mark Emery Bolles, Richard N. Bolles, 2011-05-17 Before you start your Internet job-hunt, there are some things that you must know, like: • Why are job sites like Monster and CareerBuilder so stunningly ineffective? • What can you do to make sure your resumes survive the elimination process? • How do you find the information that search engines like Google can't? • How can you tell the difference between a genuinely helpful job board, and a website designed only to collect resumes? • When are hobby forums more helpful than business networking sites? • When is the Internet not helpful when job-hunting? • What

is the fatal flaw of all social networking sites? The Guide to Job-Hunting Online, 6th Edition, not only answers these questions and many more, but shows you how to comprehensively and effectively use the Internet for all aspects of your job-hunt. This companion to What Color Is Your Parachute?, the best-selling job-hunting book in the world, has been completely rewritten for our changing times and includes hundreds of updated website recommendations and descriptions. The Guide to Job-Hunting Online shows you how to quickly find the data that will be most helpful to you, how to identify and research the places where you will most enjoy working, how to leverage the power of social networking sites, and how to use your Internet time most effectively, avoiding the common pitfalls and setting you up for success.

**Smart Man Hunting** Liz H. Kelly, 2006 Face it--if dating were easy. . . . . then you'd never have to sit through another night in your Manolos watching ESPN at a bar, thinking, I got a bikini wax for this? You need proven strategies to boost your confidence, ask the right questions, identify the red flags faster, and know when to say Next!--and when to take a closer look. You need SMART Man Hunting. Liz Kelly, dating coach, speaker and columnist, shares her insider expertise, surveys, and insights to show you how to win the dating game. With 26 A-to-Z man codes that provide a compatibility guide and comic relief, Liz gives you the tools to find the right guy fast. Whether it's Internet dating, speed dating, professional matchmakers, or singles

events, SMART Man Hunting prepares you for every situation--and gives you everything you need to get smart, get confident, and get the right guy at last. Very much on target. . .extremely useful strategies. --Sabina Dana Plasse, Editor, Smart Woman The true stories and reminders of what works and doesn't work in SMART Man Hunting will help you make the right choices. -- John Gray, Ph.D., bestselling author of Men Are from Mars, Women Are from Venus Liz H. Kelly is a dating coach, author, speaker, and columnist. Her book and work have been featured on such shows as FOX News, Lifetime's Speaking of Women's Health, and BBC Radio's WM Late Show, as well as in publications including Cosmopolitan, USA Today, Glamour, and Smart Woman magazine. Liz drew on her corporate management experience in employee training, marketing communications, and sales presentation techniques to create her SMART Man Hunting dating strategy. This strategy incorporates Liz's ABC Man Codes, a lighthearted look at the main Man Types and how to handle them, and grew out of Liz's dating experiences and interviews with hundreds of active daters. This new edition includes an ABC Man Codes Quiz, more success stories, and new tips on sex, style, and wireless world connections. In this book, Liz shares her energetic enthusiasm, No-Fear Attitude, and total commitment to helping you find your man in the 21st century.

The Cult of Smart Fredrik deBoer, 2020-08-04 Named one of Vulture's Top 10 Best Books of 2020! Leftist firebrand Fredrik deBoer exposes the lie at the heart of our educational system and demands top-to-bottom reform. Everyone agrees that education is the key to creating a more just and equal world, and that our schools are broken and failing. Proposed reforms variously target incompetent teachers, corrupt union practices, or outdated curricula, but no one acknowledges a scientifically-proven fact that we all understand intuitively: Academic potential varies between individuals, and cannot be dramatically improved. In The Cult of Smart, educator and outspoken leftist Fredrik deBoer exposes this omission as the central flaw of our entire society, which has created and perpetuated an unjust class structure based on intellectual ability. Since cognitive talent varies from person to person, our education system can never create equal opportunity for all. Instead, it teaches our children that hierarchy and competition are natural, and that human value should be based on intelligence. These ideas are counter to everything that the left believes, but until they acknowledge the existence of individual cognitive differences, progressives remain complicit in keeping the status quo in place. This passionate, voice-driven manifesto demands that we embrace a new goal for education: equality of outcomes. We must create a world that has a place for everyone, not just the academically talented. But we'll never achieve this dream until the Cult of Smart is destroyed.

**The Irish Yearbook of International Law** Fiona de Londras, Siobhán Mullally, 2017-11-30 The Irish Yearbook of International Law (IYIL) supports research into Ireland's practice in international affairs and foreign policy, filling a gap in existing legal scholarship and assisting in the dissemination of Irish thinking and practice on matters of international law. On an annual basis, the Yearbook presents peer-reviewed academic articles and book reviews on general issues of international law. Designated correspondents provide reports on international law developments in Ireland, Irish practice in international bodies, Ireland and the Law of the Sea and the law of the European Union as relevant to developments in Ireland. In addition, the Yearbook reproduces key documents that reflect Irish practice on contemporary issues of international law. Publication of The Irish Yearbook of International Law makes Irish practice and opinio juris more readily available to governments, academics and international bodies when determining the content of international law. In providing a forum for the documentation and analysis of North-South relations the Yearbook also makes an important contribution to post-conflict and transitional justice studies internationally. As a matter of editorial policy, the Yearbook seeks to promote a multilateral approach to international affairs, reflecting and reinforcing Ireland's long-standing commitment to multilateralism as a core element of foreign policy. The tenth volume of The Irish Yearbook of International Law engages with contemporary issues in international law,

raising questions both as to the conceptual underpinnings of international law in relation to the Responsibility to Protect doctrine, and state practice in fields such as Law of the Sea and belligerent occupation, prosecution of war crimes in domestic courts, and the evolving field of international disability law.

Ask a Manager Alison Green, 2018-05-01 From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager “A must-read for anyone who works . .

. [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work."—Booklist (starred review) "The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience."—Library Journal (starred review) "I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor."—Robert Sutton, Stanford professor and author of The No Asshole Rule and The Asshole Survival Guide "Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way."—Erin Lowry, author of Broke Millennial: Stop Scraping By and Get Your Financial Life Together

**Surveillance as Social Sorting** David Lyon, 2005-08-19 Surveillance happens to all of us, everyday, as we walk beneath street cameras, swipe cards, surf the net. Agencies are using increasingly sophisticated computer systems - especially searchable databases - to keep tabs on us at home, work and play. Once the word surveillance was reserved for police activities and intelligence gathering, now it is an unavoidable feature of everyday life. Surveillance as Social Sorting proposes that surveillance is not simply a

contemporary threat to individual freedom, but that, more insidiously, it is a powerful means of creating and reinforcing long-term social differences. As practiced today, it is actually a form of social sorting - a means of verifying identities but also of assessing risks and assigning worth. Questions of how categories are constructed therefore become significant ethical and political questions. Bringing together contributions from North America and Europe, *Surveillance as Social Sorting* offers an innovative approach to the interaction between societies and their technologies. It looks at a number of examples in depth and will be an appropriate source of reference for a wide variety of courses.
