Use French at Home Adelaide Olguin, 2017-12-16 Yes! This is the phrasebook that allows families to start talking in French at home the same day they start! It's for families who realize learning colors and shapes in French isn't speaking French. To speak a language, you've got to be able to use it. This super cute book is laid out for you to find phrases you USE ALL THE TIME, WANT TO USE, and NEED TO USE. By starting with high-frequency sentences in your home, you'll be able to talk and understand each other faster and more naturally. After all, you learned your first language by being talked to as a baby--not by going to baby grammar school. With this book, every time you get in the car, you can be speaking French: Buckle your seatbelt. Attache ta ceinture (de sécurité). Every time your baby wants to be carried, s/he can be speaking French: Porte-moi ! And every time your children think you're a trash can, you can say: Throw your wrapper away. Jette l'emballage. With over 1700+ phrases, there are phrases for all ages. Plus, the book includes a digital download of the audio (by a native speaker!), so you can totally sound the part. All translations and audio are by native speakers to help you sound like you're from their country--not like you stepped out of a language class and are the awkward foreigner. This book is for beginners to French majors who never learned to talk to their family. We are so excited for you to talk in your home in French!!! Learn French for Beginners DuPont Language Institute, 2019-11-12 Do you want to learn French Language but you don't know where to start from? Are you confused by the number of different books available on the market? Search no further, read below and you will find why this is the book for you You have probably heard that learning your first foreign language is always the hardest and that each subsequent language is easier than the last. The reason is related to the fact the fact that experienced language learners discover how to learn a language. Through trial and error, learning one language after the next, it becomes apparent what is effective for the learner and, just as importantly, what is not effective for them. Notice the two little words at the end of the last sentence - for them. When we talk about what is effective in language learning, it may be a cliché, but it is absolutely true to say that every person is different and learns languages in different ways, and this goes for every aspect of the learning process. The only way to become a successful language learner is to discover what works for you one step at a time. Having said that, it can help to take inspiration from others who have successfully learned languages, and there exists a certain amount of best practice in language learning which can help you get off to a good start and avoid common mistakes. As such, in this book we will give some of the language learning advice that has worked best for our students in the past. To the extent that this advice provides a model to follow as you begin to discover your own learning style it should prove useful. This book will focus on the following: French Alphabet and Pronunciation General Greetings Numbers What's today's date? Seasons Color and Shapes Family and Animals Gender and Articles Nouns and Pronouns Adjectives, Adverbs, Conjunctions, and Prepositions The present tense in French: Past and Future Tenses The Imperative and subjunctive mood and passive voice Conversational Necessities Get to know each other Eating, drinking, and visiting Creating a Simple Learning Plan Five Things to Get Right as a Beginner... AND MORE!!! French is one of the most widely spoken languages in the world, and one of the most appreciated. However, many people find it difficult to master this language, even at basic levels. This book will help you overcome all of this. What are you waiting for? Grab a copy now and start your journey of learning such an important language, that will open a whole new world of travel and acquaintances for you!
