**Peak Performance for Smart Kids** Maureen Neihart, 2021-09-03 Peak Performance for Smart Kids provides success strategies, activities, tools, real-life examples, and checklists for parents to employ to help their kids to achieve their highest potential. Even the most talented child will not succeed if he or she has not developed the mental, psychological, and emotional skills to face the heavy demands of high performance. Maureen Neihart, a psychologist and leading authority on talent development in children, examines seven mental habits of successful kids, providing practical approaches for developing them in talented children of all ages in this easy-to-read guide for parents and teachers. By working with parents to complete the activities included in this book, high-ability kids will learn to manage stress and anxiety, set and achieve goals, use mental rehearsal to improve performance, manage their moods and emotions, practice optimistic thinking, and resolve their frustrations of needing to belong while needing to achieve. With its research-based strategies and unique approach to maximizing potential, this is a book from which every parent of smart kids can benefit! Educational Resource

**Smart but Scattered** Peg Dawson, Richard Guare, 2011-11-30 There's nothing more frustrating than watching your bright, talented son or daughter struggle with everyday tasks like finishing homework, putting away toys, or following instructions at school. Your smart but scattered 4- to 13-year-old might also have trouble coping with disappointment or managing anger. Drs. Peg Dawson and Richard Guare have great news: there's a lot you can do to help. The latest research in child development shows that many kids who have the brain and heart to succeed lack or lag behind in crucial executive skills--the fundamental habits of mind required for getting organized, staying focused, and controlling impulses and emotions. Learn easy-to-follow steps to identify your child's strengths and weaknesses, use activities and techniques proven to boost specific skills, and problem-solve daily routines. Helpful worksheets and forms can be downloaded and printed in a convenient 8 1/2 x 11 size. Small changes can add up to big improvements--this empowering

book shows how. See also the authors' Smart but Scattered Teens and their self-help guide for adults. Plus, an academic planner for middle and high school students and related titles for professionals.
