Reading Christopher Smart in the Twenty-first Century Min Wild,Noel Chevalier,2013-09-05 The book stands as a new bench-mark in Smart studies for the 21st century. The essays explore the energy of Christopher Smart's wide-ranging participation in eighteenth-century print culture: not only his often unbuttoned and vigorous writings themselves, but also the multiple cultural fields in which he operated, which included poetry, journalism, hymns and songs, translation, the theatre and books for children; thus the book offers rich insights into eighteenth-century literary, political and cultural history.

The Notorious Sir John Hill George Sebastian Rousseau,2012 Sir John Hill (1714-1775) was one of Georgian England's most vilified men despite having contributed prolifically to its medicine, science and literature. Born into a humble Northamptonshire family, the son of an impecunious God-faring Anglican minister, he started out as an apothecary, went on to collect natural objects for the great Whig lords and became a botanist of distinction. But his scandalous behavior prevented his election to the Royal Society and entry to all other professions for which he was qualified. Today, we can understand his actions as the result of a personality disorder; then he was understood entirely in moral terms. When he saw the dye cast he turned to journalism and publication, and strove maniacally to succeed without patronage. As a writer he was also cut down in ferocious 'paper wars'. Yet by the time he died, he had been knighted by the Swedish monarch and become a household name among scientists and writers throughout Britain and Europe. His life was a series of paradoxes without coherence, perhaps because he was above all a provocateur. In time he would also become a filter for the century in which he lived: its personalities--great and small--as well as the broad canvas of its culture, and for this reason any biography necessarily stretches beyond the man himself to those whose profiles he also illuminates.

Best American Poetry 2017 David Lehman,Natasha Trethewey,2017-09-05 Edited by Pulitzer Prize-winner and nineteenth US Poet Laureate Natasha Trethewey, The Best American Poetry 2017 brings together the most notable poems of the year in the series that offers “a vivid snapshot of what a distinguished poet finds exciting, fresh, and memorable” (Robert Pinsky). Librarian of Congress James Billington says Natasha Trethewey “consistently and dramatically expanded the power” of the role of US Poet Laureate, holding office hours with the public, traveling the country, and reaching millions through her innovative PBS NewsHour segment “Where Poetry Lives.” Marilyn Nelson says “the wide scope of Trethewey’s interests and her adept handling of form have created an opus of classics both elegant and necessary.” With her selections and introductory essay for The Best American Poetry 2017, Trethewey will be highlighting even more “elegant and necessary” poems and poets, adding to the national conversation of verse and its role in our culture. The Best American Poetry is not just another anthology; it serves as a guide to who’s who and what’s happening in American poetry and is an eagerly awaited publishing event each year. With Trethewey’s insightful touch and genius for plumbing the depths of history and personal experience to shape striking verse, The Best American Poetry 2017 is another brilliant addition to the series.

Coming of Age in the Holocaust Mary J. Gallant,2002 The bulk of this work consists of the presentation of the edited narratives of 18 Holocaust survivors. The narratives were edited to focus attention on practical and emotional survival strategies they practiced during their ordeal, with an eye towards discovering later effects. In the final chapter, the author presents a sociological theory dubbed the Challenged Identity Model, in which she posits that challenged identity, interactional emergents, and survival communality combine to allow survivors to acquire the means to rename the coordinates of their own existence and identify others within them. Contemporary Strategic Chinese American Business Negotiations and Market Entry Steven J. Clarke,2023-01-01 This book is an effort to provide a “primary source”, a guide for Chinese/American cross-cultural negotiations, which has been constructed and amassed by professionals living and working in China. Research included personal interviews, surveys, case studies, face-to-face negotiations, and consulting, melded with a broad body of international business. This book that has two focuses, China market entry and negotiations, Both China and the United States are vast, complex markets, with different histories and cultures. China market entry requires extensive research and understanding, of the inextricably linked elements of (a) how business is managed in China, (b) understanding the China market, and (c) negotiating all elements of your China market entry and ongoing business. To be successful in China, your firm will face these elements in terms of explicable and solvable activities. Research into data, theory, and perceptual cultural differences between your firm and your Chinese counterparts adds magnitude to your China overall business strategy, and mandatory and essential negotiations.

To Each This World Julie E. Czerneda,2022-11-15 From an Aurora Award-winning author, a new sci-fi novel follows three intrepid humans caught up in a conflict that stretches across time and space. Biologist Julie E. Czerneda's new standalone science fiction novel, To Each This World follows a desperate mission to reconnect with long lost sleeper ships, sent centuries earlier from Earth to settle distant worlds. A trio of Humans must work with their mysterious alien allies to rescue any descendants they can find on those worlds. Something is out there, determined to claim the cosmos for itself, and only on Earth will Humans be safe. Or will they? The challenge isn't just to communicate with your own kind after generations have passed. It's to understand what isn't your kind at all. And how far will trust take you, when the truth depends on what you are?

The Last Love Poem I Will Ever Write: Poems Gregory Orr,2019-06-18 An eminent lyric poet at the top of his form writes indelibly of grief and

love. In his twelfth volume, “master of the lyric poem” (Paris Review) Gregory Orr returns with a passionate exploration of the forces that shape us. Moving from personal trauma (“Song of What Happens”) to public catastrophe (“Charlottesville Elegy”), Orr seeks innovative ways for the imagination to respond to and create meaning out of painful experiences, while at the same time rejoicing in love and language. The Last Love Poem I Will Ever Write engages the deepest existential issues with wisdom and humor and transforms them into celebratory song. FROM “AFTERMATH INVENTORY” My wounds? If, Somehow, I Grow through them, Aren’t they also a boon?

A Mother's Promise K.D. Alden,2021-01-19 Based on the true story behind a landmark U.S. Supreme Court Decision, K.D. Alden's debut is a rich and moving story of one woman's courage and determination to get her child back when all odds are stacked against her. Virginia, 1927: All Ruth Ann Riley wants is a chance to have a family. But because she was poor and unwed when she became pregnant, she was sent to an institution and her child was given to another woman. Ruth Ann can't stand the thought of never seeing little Annabel's face again, never snuggling up to her warmth or watching her blue eyes crinkle with laughter. And now they want to take away her right to have any other babies? She is not going to let that happen. All the rich and fancy folks may call her feeble-minded, but Ruth Ann is smarter than any of them have bargained for. Because no matter how high the odds are stacked against her, she is going to overcome the scandals in her past and get her child back. She just never expects her battle will go to the U.S. Supreme Court, or that she'd find unexpected friendships . . . and even the possibility of love along the way.
