

Snooker 122005

Sean Boru, Jimmy White

Snooker and Billiards Clive Everton,2014-09-30 Crowood Sports Guides are the perfect tool for anyone wanting to improve their performance, from beginners learning the basic skills to more experienced participants working on advanced techniques. In this second edition of Snooker & Billiards - Skills, Tactics Techniques, the history of the game is covered along with the rules of the game; choosing the right equipment and top tips from many of the game's great players. All the skills and techniques are explained clearly with full-colour sequence photography and detailed table diagrams help explain more advanced tactics such as breakbuilding and safety play. Aimed at beginners taking up the game for the first time, false beginners wanting to revise their technique and also more experienced players looking to further develop their tactics. Superbly illustrated with 65 colour images in sequence photography and 108 table diagrams.

How To Play Snooker Stanley Newman,2013-04-16 Many of the earliest books, particularly those dating back to the 1900's and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.

PAT-Snooker Vol. 1 Thomas Hein,2020-05-01 Pat Snooker offers a number of modular exercises that help players develop their individual snooker skills and monitor their progress continuously. Players now have the opportunity to diagnose their own performance. The difficulty of the exercises is increased gradually, creating a linear structure for individual practice. Practice exercises, performance monitoring and results control are solid foundations for improvement and enjoyable practice. Performance can be monitored either by taking the relevant tests for each individual level (symbolized by the colours of the snooker balls) or by comparing results with other players on the internet platform. PAT Snooker (PAT = Playing Ability Test) is a system to test your snooker skills that lets you compare your own performance against that of other players all over the world. You can assess your own performance and skills. This volume explains the white, red, yellow and green levels. Expert advice provided by the author helps you carry out the exercises.

The Encyclopedia of Snooker Ian Morrison,1985

Billiards And Snooker Arthur Peall,2016-08-26 Many of the earliest books, particularly those dating back to the 1900's and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.

Black Farce and Cue Ball Wizards Clive Everton,2011-12-02 Throughout its chequered history, snooker has had more than its fair share of heroes and villains, champions and chumps, rascals and rip-off artists. In the last 20 years, every sleazy scandal imaginable has attached itself to this raffish sport: corruption, match fixing, bribery, sex, recreational drugs, performance-enhancing drugs, ballot rigging, fraud, theft, domestic violence, common-or-garden violence, paranoid politicking, dirty tricks - all against a background of inept petty tsars fixated on the pursuit, retention and abuse of power. In *Black Farce and Cue Ball Wizards*, Clive Everton recounts the glory and despair, the dreams and disillusion, and the treachery and greed that have characterised the game since it was invented as an innocent diversion by British Army officers in India in the nineteenth century. He tells the true and unexpurgated tale of snooker's transformation into a television success story second only to football and exposes how its potential has been shamefully squandered.

A Billiards and Snooker Compendium Gary Clarke,2008 A Billiards & Snooker Compendium A Billiards & Snooker Compendium is the most extensive work on the literature of billiards and snooker ever published and took over two years to compile. It contains

bibliographical information on over 650 books, a detailed description of each book's content, tips on identifying different editions, notes on scarce dustjackets, plus the estimated values of 1st editions. These values have been calculated using a variety of well respected sources. This essential reference book is easy to use, is clearly laid out, and includes both an author and title index. Each book has its own unique reference number and entries are fully cross referenced. It will appeal to all collectors of billiards and snooker memorabilia, book dealers and collectors, fans of both sports, and those simply wishing to add a few books to their sports collection. About the author Gary Clarke has been playing and watching snooker for over 25 years and has a great knowledge and deep affection for the game. He is also an avid reader and book lover and this work combines two of his most passionate interests. The author currently lives in his home town of Ipswich and this is his first work of non-fiction.

Complete Book of Snooker Shots David Horrix,2018-02-12 The Complete Book of Snooker Shots will increase your knowledge of the shots that you can play from various positions on the table and so will - with practice - improve your game. This book will help not only players wishing to increase their knowledge, but also parents and professional coaches wishing to add structure to training sessions. Enjoy increasing your understanding of the game of snooker, and enjoy improving your knowledge. Packed with hundreds of individual shots to practice, this practical guide will be of great interest to all players wishing to increase their knowledge as well as parents and professional coaches, and is fully illustrated with 350 colour images.

On Snooker Mordecai Richler,2010-04-30 From his first days as a poolroom hustler playing truant from Baron Byng High School at the Rachel Pool Hall, Mordecai Richler has remained a snooker devotee. In his inimitable style, he delves into the fascinating world of snooker with pith and perception. But *On Snooker* is not just a lifelong fan's memoir. It is a brilliantly entertaining history of the game and an account of snooker's bad boy champions, including Alex (The Hurricane) Higgins, Cliff (The Grinder) Thorburn—both Canadian and interviewed for this book—with a chapter devoted to their special exploits and drug escapades. There are other colourful types: Ronnie (The Rocket) O'Sullivan, whose dad (Ron's the name, porn's the game) is serving a life sentence for murder. Finally there is Stephen Hendry, the greatest player ever, who has won the world championship a record seven times. Mordecai Richler also makes clear why many great writers have been fascinated by sports and why snooker and literary readers go together, including Hemingway, Shulberg, Mailer, Roth, Plimpton, Martin Amis, and others. Very funny, passionate, and thoroughly researched on snooker tables from Montreal's The Main to Dublin, *On Snooker* is a book lovers of Richler and of great sports writing will cherish.

Snooker Rex Williams,1975

Billiards in the Twentieth Century Riso Levi,2013-01-09 This antiquarian volume contains a guide to billiards written by the premiere twentieth-century authority on the subject; Riso Levi. This accessible book contains a wealth of information that would be of considerable utility to the modern snooker or pool enthusiast, and will be of special interest to collectors of antiquarian sporting literature. The chapters of this volume include: "The Manufacture of Tables", "Great Players I Have Watched", "Professionals versus Amateurs", "Billiards for Woman", "A Billiards-Table Problem", "An Astonishing Feat with Billiard Balls", "A Challenge from Willie Smith and my Reply", "A Hundred in Four Minutes", "Composition Ball", etcetera. We are republishing this vintage book now in an affordable, modern, high quality edition - complete with a specially commissioned new introduction on billiards, pool, and snooker.

147 Snooker Drills and Exercises Andrew Highfield,David Horrix,2017-12-15 147 Snooker Drills and Exercises will help players of all standards to improve their game. It presents a range of practice routines that covers all aspects of a player's game. Some are more

advanced than others, allowing the player working on a particular area of their game to pick out the exercises they feel will help them most. The routines become more difficult as the book progresses, so the beginner can work through them and use them to set targets to make their practice competitive. For coaches, the routines will assist in giving variety in lessons and helping to set targets in lessons. Fully illustrated with 147 colour images.

Snooker's World Champions Luke Williams, Paul Gadsby, 2012-10-05 The top snooker players in the world compete for several trophies every year, but one carries more prestige than all the others put together - the World Championship. No other tournament in the sport carries with it so much history, so many golden moments of spectacular success and dramatic failure. Meticulously researched and including exclusive interview material with Steve Davis, Stephen Hendry and 2005 world champion Shaun Murphy, among others, *Masters of the Baize* is a comprehensive guide to the men who have lifted the greatest prize in snooker. From the legendary Joe Davis, the first champion in 1927, to modern-day masters like Mark Williams, all the sport's world champions are put under the microscope, while the colourful careers of forgotten figures such as Walter Donaldson and John Pulman and rogue heroes like Alex Higgins and Ronnie O'Sullivan are brought vividly to life. After uncovering the inauspicious origins of the game in nineteenth-century India, the authors examine every former world champion in his own comprehensive chapter. Additionally, a special section focuses on the extraordinary popularity of Jimmy White, by far the greatest player never to have won the title and one of the most emotive names in the sport.

The Little Book of Snooker Sean Boru, Jimmy White, 2010-03-01 Through informative snippets and bite-size facts, as well as quotes and anecdotes from players, pundits, and fans alike, one of the world's most popular sports is revealed here in all its pocket-rattling glory. Who has the highest break? When were red balls first introduced? What do Marie Antoinette and Mary Queen of Scots have in common (aside from being unable to keep their heads)? From the lawn games of the 17th-century elite to glittering waistcoats and lush green baize at the Crucible, this is a wonderful collection of stories about the most hilarious and often embarrassing scenes that have taken place in the green rooms, hotel rooms, and at parties attended by the biggest legends in snooker. These stories, many never before published, have been told by the stars themselves. The book also lists the profiles of the contributing players and their career achievements and includes the winners and the runners-up of the most important tournaments in the snooker year, as well as a host of fascinating facts, stats, quotes, and trivia relating to the green baize.

Snooker John Spencer, 1993

101 Things You May Not Have Known About Snooker John DT White, 2012-11-20 Are you a snooker fan? Do you play regularly? Are you familiar with the rules and terminology of snooker? Would you like to know more about the professional players who make the game look so easy? If you answered yes to any of these questions you won't want to be without *101 Things You May Not Have Known About Snooker*. Do you know how snooker got its name, who is the only player so far to have won the world title at junior, amateur and professional level or which five players have achieved a maximum 147 break at the World Professional Snooker Championships? This fascinating new book has the answers, along with everything you ever wanted to know about snooker, including all the top snooker players past and present, their nicknames, history of the game, championship winners and losers and much more. This book is a must-have for all those who enjoy watching or taking part in this game of skill and would like to learn more about the professional circuit.

The Book of Snooker and Billiards Quotations Eugene Weber, Clive Everton, 1993

Billiards For Beginners John Roberts,2016-08-26 Many of the earliest books, particularly those dating back to the 1900's and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.
