The Secret Byron Preiss,2016-10-05 The tale begins over three-hundred years ago, when the Fair People—the goblins, fairies, dragons, and other fabled and fantastic creatures of a dozen lands—fled the Old World for the New, seeking haven from the ways of Man. With them came their precious jewels: diamonds, rubies, emeralds, pearls... But then the Fair People vanished, taking with them their twelve fabulous treasures. And they remained hidden until now... Across North America, these twelve treasures, over ten-thousand dollars in precious jewels, are buried. The key to finding each can be found within the twelve full color paintings and verses of *The Secret*. Yet *The Secret* is much more than that. At long last, you can learn not only the whereabouts of the Fair People's treasure, but also the modern forms and hiding places of their descendants: the Toll Trolls, Maitre D'eamons, Elf Alphas, Tupperwerewolves, Freudian Sylphs, Culture Vultures, West Ghosts and other delightful creatures in the world around us. *The Secret* is a field guide to them all. Many armchair treasure hunt books have been published over the years, most notably *Masquerade* (1979) by British artist Kit Williams. *Masquerade* promised a jewel-encrusted golden hare to the first person to unravel the riddle that Williams cleverly hid in his art. In 1982, while everyone in Britain was still madly digging up hedgerows and pastures in search of the golden hare, *The Secret: A Treasure Hunt* was published in America. The previous year, author and publisher Byron Preiss had traveled to 12 locations in the continental U.S. (and possibly Canada) to secretly bury a dozen ceramic casques. Each casque contained a small key that could be redeemed for one of 12 jewels Preiss kept in a safe deposit box in New York. The key to finding the casques was to match one of 12 paintings to one of 12 poetic verses, solve the resulting riddle, and start digging. Since 1982, only two of the 12 casques have been recovered. The first was located in Grant Park, Chicago, in 1984 by a group of students. The second was unearthed in 2004 in Cleveland by two members of the Quest4Treasure forum. Preiss was killed in an auto accident in the summer of 2005, but the hunt for his casques continues.

Book 4: Hunting the Treasure Emma Bland Smith,2019-08-01 The McNallys are visiting Michigan's Mackinac Island. Gavin and his brother, Gus, take a nature walk. Gavin wants to hunt for treasure at a nearby fort after the walk. When Gus goes missing Gavin is annoyed. But he soon comes to realize what treasure really means. Aligned to Common Core standards and correlated to state standards. Spellbound is an imprint of Magic Wagon, a division of ABDO.

Final Resort Dana Mentink,2013-02-05 Ava Stanton has no need for love or tales of hidden treasure—until her uncle is kidnapped at her family's ski resort. Now she needs help from professional treasure hunter Luca Gage...the man she'd tried to forget. Signs point to a fortune hidden in the mountain, and Ava and Luca need to find her uncle before his assailant finds them. As their search for treasure draws them closer together, Ava must decide how long she'll run from love. She doesn't have much time, because something is buried under Whisper Mountain—and someone is willing to do anything to get to it.

A Good Talk Daniel Menaker,2010-01-04 A stylish, funny and surprising guide to the art of conversation, from one of New York's foremost literary wits. A GOOD TALK is an analysis of and guide to that most exclusively human of all activities-- conversation. Drawing on over forty years of experience in American letters, Menaker pinpoints the factors that drive and enliven every good conversation: the vagaries (and joys) of subtext; the deeper structure and meaning of conversational flow; the subliminal signals that guide our disclosures and confessions; and the countless other hurdles we must clear along the way. Moving beyond self-help musings and how to advice, he has created a stylish, funny, and surprising book: a celebration of the most exclusively human of all activities. In a time when conversation remains deeply important-- for building relationships, for relaxing, even for figuring out who we are-- and also increasingly imperiled (with Blackberries and texting increasingly in vogue), A GOOD TALK is a refreshing celebration of the subtle adventures of a good conversation.

Did Sir Francis Drake bury millions of dollars'worth of ancient Incan treasures? Has anyone found the box of gold coins buried by a reputed giant in the Washington rain forest? Is there a noble family's fortune buried near an old log cabin in the Cascades?
