Wonderland Zoje Stage, 2020-07-14 Shirley Jackson meets *The Shining* in this richly atmospheric and thrillingly tense novel from the acclaimed author of the deliciously creepy *Baby Teeth* (New York Post). One mother's love may be all that stands between her family, an enigmatic presence—and madness. After years of city life, Orla and Shaw Bennett are ready for the quiet of New York's Adirondack mountains—or at least, they think they are. Settling into the perfect farmhouse with their two children, they are both charmed and unsettled by the expanse of their land, the privacy of their individual bedrooms, and the isolation of life a mile from any neighbor. But none of the Bennetts could expect what lies waiting in the woods, where secrets run dark and deep. When something begins to call to the family—from under the earth, beneath the trees, and within their minds—Orla realizes she might be the only one who can save them . . . if she can find out what this force wants before it's too late. With an ending inescapable and deeply satisfying, *Wonderland* brilliantly blends horror and suspense to probe the boundaries of family, loyalty, love, and the natural world.

The Christmas Stocking Pat Richards, 1996 This comprehensive how-to guide presents thirty-two stocking designs using a wide range of embellishing ideas.

Robyn Brides of Noelle, Jacqui Nelson, 2018-12-18 Who's the perfect match for a flame-haired Welsh tomboy who loves driving wagons? Raised by three free-spirited older brothers, Robyn Llewellyn has

learned to fight for what she wants-and now she wants to transform her boss and best friend, Max Peregrine, into a lifelong partner. Determined to become the image of what a marriage-minded man wants, Robyn trades her trousers for a dress and heads to Max's hometown of Noelle, Colorado. But changing who she is with the help of the now happily married Brides of Noelle puts her friendship with Max at risk. Who's the perfect match for a work-addicted Denver business owner who loves his independence? Defying his brother and grandpa's wishes for him to stay with them in Noelle, Max Peregrine has created his dream job-leading a highly successful branch of Peregrines' Post and Freight while working beside Robyn, the only person who makes him smile every day. But when she leaves without a word, Max follows her to Noelle where the choices they both must face could make it impossible for them to stay together beyond Christmas day. Inspired by *My Fair Lady*, *The Gift of the Magi*, and the spirit of gift giving, *Robyn: A Christmas Bride* is a classic Western historical love story set in a small town high in the mountains during Christmas 1877.

What the Eagle Sees Eldon Yellowhorn, Kathy Lowinger, 2019-11-12 There is no death. Only a change of worlds." —Chief Seattle [Seathl], Suquamish Chief What do people do when their civilization is invaded? Indigenous people have been faced with disease, war, broken promises, and forced assimilation. Despite crushing losses and insurmountable challenges, they formed new nations from the remnants of old ones, they adopted new ideas and built on them, they fought back, and they kept their cultures alive. When the

only possible “victory” was survival, they survived. In this brilliant follow up to *Turtle Island*, esteemed academic Eldon Yellowhorn and award-winning author Kathy Lowinger team up again, this time to tell the stories of what Indigenous people did when invaders arrived on their homelands. *What the Eagle Sees* shares accounts of the people, places, and events that have mattered in Indigenous history from a vastly under-represented perspective—an Indigenous viewpoint.

The Snowy Owl Eugene Potapov, Richard Sale, 2013-01-17 The Snowy Owl - possibly the world's sexiest bird - needs little introduction. This massive white owl breeds throughout the Arctic, wherever there are voles or lemmings to hunt, from Scandinavia through northern Russia to Canada and Greenland. Southerly movements in winter see North American birds travel as far south as the northern United States, while infrequent vagrants on the Shetlands and other northern isles are a magnet for birders. The

Snowy Owl gives this popular bird the full Poyser treatment, with sections on morphology, distribution, palaeontology and evolution, habitat, breeding, diet, population dynamics, movements, interspecific relationships and conservation, supported by some fabulous photography. A major strength is the availability to the authors of Russian literature, which is generally out of reach for Western scientists.
