*Glass Kate Kort*,2015-11-11 Menashe Everett is a tormented man. He's ruled by depression and addiction. He's haunted by his past. At 37, he barely holds onto his job and lives in a haze of blurred reality. But to many in his life, he's their only hope. For the past ten years, Menashe has been acting as a counselor to similarly afflicted clients who agree to his unorthodox brand of pseudo-therapy. After a grim but revelatory trip to Las Vegas in his late twenties, Menashe decided to open up a glass museum—an underground safe place where clients can vent their anguish by destroying rooms filled with clear glass art. The museum brings hope to those who have not responded to traditional therapy, but also gives Menashe a sense of purpose he desperately needs. Menashe's work is always challenging, but now he's taken on a particularly taxing caseload. Among others, he counsels Austin Gendron, a gruff Vietnam veteran prone to psychotic breaks; Murray Henderson, a timid college student trying to understand his episodes of anger and anxiety; and John Cook, Menashe's best friend. As he works tirelessly for his clients, Menashe must also handle his increasingly complex personal life, which constantly forces him to relive his past and question his abilities as a therapist. Set in Cleveland in the late 1980s, *Glass* tests traditional ideas of interpersonal responsibility and what it means to struggle with mental illness.

**Rescuing Sprite** Mark R. Levin,2009-10-13 *Rescuing Sprite* is a stunningly intimate look at the love between a family and a dog, one that movingly shows, in Levin's words, that in the end, we humans are the lucky ones. A portion of the proceeds of this book will be donated to animal shelters.

**Calder Born, Calder Bred** Janet Dailey,2011-02-01 From Janet Dailey, bestselling author of the Americana romance series, comes the fourth book in her beloved Calder Saga. Ty Calder was a stranger to the mighty empire that was his legacy—the ranchlands that rose to meet the Montana skies. He learned the ways of ranch life from young Jessy, who knew the land like her own heart. But Ty worshiped dark, glamorous Tara, scion of the new “corporate West,” of vast power and big money. Tara lured Ty on, greedy to be mistress of the Calder kingdom. Yet when her world rushed in to plunder the fortune beneath the prairies, it was Jessy who fought for Ty, defying death to save a birthright that was Calder Born, Calder Bred.
