Susan Bratton

**The Unofficial BTS Bible** Dianne Pineda-Kim,2020-11-03 Join BTS’s ARMY and learn the history of the international K-POP sensation! BTS (aka Bangtan Sonyeondan) has become one of K-POP’s most well-known singing groups. The seven-member Korean boy band formed in 2013 and has slowly grown to worldwide fame through their music. Despite slow beginnings, the K-POP group now has millions of listeners around the world. They led the Korean Wave of music into the United States in 2017, and as of 2019, they are the only Korean group to top the US Billboard 200, and the first group since the Beatles to have three number-one albums in less than a year. BTS is also known for breaking the mold of K-POP, including social topics such as mental health, individualism, and social commentary in their hip-hop lyrics. TIME Magazine named the Korean Pop group as one of the 25 most influential people on the internet and named them as one of TIME's 100 most influential people of 2019. In the BTS Bible, you’ll learn everything you could want to know about the sensational singing group, including: Individual member profiles Band concept and style History of their six-year rise to fame Chart-topping songs and videos Interviews with worldwide fans and music experts And more! Don’t get left behind in the wake of the BTS success. Read all about the K-POP group that is changing the face of international music in the Unofficial BTS Bible.

**Close to Shore** Michael Capuzzo,2002-05-21 Combining rich historical detail and a harrowing, pulse-pounding narrative, Close to Shore brilliantly re-creates the summer of 1916, when a rogue Great White shark attacked swimmers along the New Jersey shore, triggering mass hysteria and launching the most extensive shark hunt in history. In July 1916 a lone Great White left its usual deep-ocean habitat and headed in the direction of the New Jersey shoreline. There, near the towns of Beach Haven and Spring Lake--and, incredibly, a farming community eleven miles inland--the most ferocious and unpredictable of predators began a deadly rampage: the first shark attacks on swimmers in U.S. history. Capuzzo interweaves a vivid portrait of the era and meticulously drawn characters with chilling accounts of the shark's five attacks and the frenzied hunt that ensued. From the unnerving inevitability of the first attack on the esteemed son of a prosperous Philadelphia physician to the spine-tingling moment when a farm boy swimming in Matawan Creek feels the sandpaper-like skin of the passing shark, Close to Shore is an undeniably gripping saga. Heightening the drama are stories of the resulting panic in the citizenry, press and politicians, and of colorful personalities such as Herman Oelrichs, a flamboyant millionaire who made a bet that a shark was no match for a man (and set out to prove it); Museum of Natural History ichthyologist John Treadwell Nichols, faced with the challenge of stopping a mythic sea creature about which little was known; and, most memorable, the rogue Great White itself moving through a world that couldn't conceive of either its destructive power or its moral right to destroy. Scrupulously researched and superbly written, Close to Shore brings to life a breathtaking, pivotal moment in American history. Masterfully written and suffused with fascinating period detail and insights into the science and behavior of sharks, Close to Shore recounts a breathtaking, pivotal moment in American history with startling immediacy.

**Goetic Evocation** Steve Savedow,1996-01-01

**Relationship Magic** Susan Bratton,2014-08-06 Ready to understand yourself clearly? This simple, powerful exercise will uncover the reasons you want to be in a relationship. You will realize those feelings you most want to feel and how to have them. And then you will be able to tell your partner how to create the ideal relationship for you. You will also be able to become anyone's ideal partner. Relationship Magic will give you an indescribable feeling of being acknowledged, loved, and respected for exactly who you are.

**Advanced ThetaHealing** Vianna Stibal,2011-04-04 Discover how harnessing the energy of all things can enrich your life and well-being in this fascinating study on ThetaHealing In her first book, Vianna Stibal introduced the simple but life-altering technique that helped her cure what medicine could not: ThetaHealing. This extraordinary healing modality uses the energy of all things—of All That Is—to instigate significant chnge in thought patterns, relationships, physical well-being, and so much more. Now, Stibal draws from thousands of sessions with her clients to further explore the work, processes, and benefits central to ThetaHealing. In this book, you will learn more about the importance of Feeling, Belief, and Digging work. Stibal also guides you through the 7 Planes of Existence, explaining how they allow you to connect to the highest level of love and energy of All That Is. By harnessing the power of this mind and body healing technique, you will enhance your life spiritually, emotionally, and physically.

**The Computer Incident Response Planning Handbook: Executable Plans for Protecting Information at Risk** N. K. McCarthy,Matthew Todd,Jeff Klaben,2012-08-07 Uncertainty and risk, meet planning and action. Reinforce your organization’s security posture using the expert information contained in this tactical guide. The Computer Incident Response Planning Handbook: Executable Plans for Protecting Information at Risk shows you how to build and manage successful response plans for the cyber incidents that have become inevitable for organizations of any size. Find out why these plans work. Learn the step-by-step process for developing and managing plans built to address the wide range of issues organizations face in times of crisis. Contains the essentials for developing both data breach and malware outbreak response plans—and best practices for maintaining those plans Features ready-to-implement CIRPs—derived from living incident response plans that have survived the rigors of repeated execution and numerous audits Clearly explains how to minimize the risk of post-event litigation, brand impact, fines and penalties—and how to protect shareholder value Supports corporate compliance with industry standards and requirements, including PCI, HIPAA, SOX, and CA SB-24
