**New Bathroom Idea Book** Jamie Gold,2017 The bathroom today is getting more attention than

ever from homeowners, as they realize its value as a personal retreat and resale enhancer. Gone are the days of garish tile and fuzzy toilet seat covers: now, bathrooms are as much about taste and style as the rest of the house. People want them to be both beautiful and functional, and manufacturers have responded with many more choices in materials and fixtures. This book covers them all, with ideas for tiny half-baths, medium-size his-and-hers, and large, luxurious home spas. Specifics on ventilation, waterproofing, faucets, showers, tubs, and more give readers the knowledge they need to create the bathroom they've always wanted. Taunton's New Bathroom Idea Book gives homeowners hundreds of ideas about how to make one of the most necessary rooms in the house one of the most enjoyable.--Publisher description
