I and Thou Martin Buber,2012-10-01 I AND THOU is one of the most important books of Western Theology. In it, Martin Buber, heavily influenced by the writings of Nietzsche, unites the proto-Existentialist currents of modern German thought with the Judeo-Christian tradition, powerfully updating faith for modern times. Since its first appearance in Germany in 1923, this slender volume has become one of the epoch-making works of our time. This work is the centerpiece of Buber's philosophy. It lays out a view of the world in which human beings can enter into relationships using their innermost and whole beings to form true partnerships. This is the original English translation, and it was prepared in the author's presence.

Youth on Fire Melissa Michaels,2017-01-26 Like our planet, young people across the globe are heating up. As they come of age, some are boiling with outrage about the environmental toxins, unconscionable injustices, and social challenges they face. Some are setting their communities ablaze with gang warfare, bullying, hazing, or other destructive acts of violence. Others are barely flickering, having dimmed their light through self-destructive behaviors, lost in addictions or a variety of numbing habits that sublate their life force. Many youth are simply invisible, lacking the encouragement of adults, disregarded or discarded with no opportunities on the horizon. Yet at the same time, there is an ever-expanding group of youth on fire. In positive ways, they are collectively ignited-illuminating the path from addiction into action, from fragmentation into integration, from isolation into community. Youth On Fire tells the timely story of hundreds of diverse young people rising from the ashes and dancing into inspired leadership and creative action-bringing light to people and places suffering around the world. The processes, protocols, and practices described within these pages galvanize individuals and communities on every continent. If you are a young person or working with youth as an educator, parent, rites of passage guide, mentor, counselor, somatic practitioner, or community organizer, this book is for you.

**To Live Is Christ** Beth Moore,2008-03 In To Live Is Christ, best-selling author Beth Moore travels on a spiritual odyssey through the life of one of Christianity's most fervent journeymen, the apostle Paul, tracing his story from childhood to martyrdom. Proclaiming his faith as a benchmark in New Testament Scripture, Beth writes, I have accepted many of Paul's words as a personal challenge. 'I want to know Christ' has become my plea. 'To live is Christ and to die is gain' has become my hope. And to borrow his words once more, 'Not that I have already obtained all this . . . but I press on.' Paul's undying passion for Christ continues to inspire and challenge those with a deep spiritual hunger for the things of God. Readers will be greatly refreshed by the obvious mercy of God that causes those who have failed him to repent and serve him wholeheartedly and effectively.
