Love in Plain Sight Susan Laine, 2012-09-05 What does love look like? If you see it, will you give it the attention it deserves? Police volunteer Sebastian Sumner may be deaf, but he's strong and capable. He's been involved with Detective Jordan Waters for a year now. Their relationship hasn't been smooth sailing, but their love is on solid ground. Too bad their work lives are on shakier soil—Jordan's is, anyway, as he sets out with his partner to investigate Aldous Henley, a shady art dealer suspected of forgery and smuggling. But

proving these crimes and bringing the man to justice is more challenging than Jordan expected. Before long, Henley isn't just a work problem. The case consumes Jordan's attention, and he's struggling to balance his busy professional life and his equally important private life—especially with a significant anniversary approaching. Love may be in plain sight, but that doesn't mean it should be taken for granted.

The Great Grizzlies Go Home Judy

Hilgemann, 2020-04-15 Two curious young grizzly bears go on A very long swim, far from their usual home in the Great Bear Rainforest. They crunch tart red cranberries in the bog then dig for crabs on the beach. They wander through backyards and feast on plums. Then they sniff something even more delicious—mmm, barbecued salmon. But a village full of people is no place for grizzly bears, no matter how sweet the plums or how tasty that salmon smells. Time for a helicopter ride home! The Great Grizzlies Go Home tells the story of the bears' adventurous journey, ending in their safe relocation back to the mainland. Featuring detailed watercolour paintings, engaging text and a concluding section with bear safety tips, the book will capture the imagination of readers young and old.

Army Leadership and the Profession (ADP 6-22)

Headquarters Department of the Army, 2019-10-09 ADP 6-22 describes enduring concepts of leadership through the core competencies and attributes required of leaders of all cohorts and all organizations, regardless of mission or setting. These principles reflect decades of experience and

validated scientific knowledge. An ideal Army leader serves as a role model through strong intellect, physical presence, professional competence, and moral character. An Army leader is able and willing to act decisively, within superior leaders' intent and purpose, and in the organization's best interests. Army leaders recognize that organizations, built on mutual trust and confidence, accomplish missions. Every member of the Army, military or civilian, is part of a team and functions in the role of leader and subordinate. Being a good subordinate is part of being an effective leader. Leaders do not just lead subordinates-they also lead other leaders. Leaders are not limited to just those designated by position, rank, or authority.

You Are Home Mackenzie Porter, 2021-08-31 This lovely board book reassures young ones that wherever they go, they carry the love of a parent. So no matter where they roam, they'll always be home. So if you ride to the corner, to the mountains, the sea, there's not a place in this world that I won't be. Wherever you travel and wherever you roam, just know, my sweet child, you will always be home. Home begins as a parent's arms, and as the child in this story grows up, home then has grass, and sky, and a street that doesn't end. The parent in this story reassures their child that they can keep going, they can find new homes, because wherever they go, they'll carry the parent's love. After all, home is where the heart is.

In the Shadow of the Sun Anne Sibley O'Brien, 2017-06-27 Hatchet in North Korea: A

sister and brother go on the run with explosive forbidden photographs in this gripping and timely survival adventure. North Korea is known as the most repressive country on Earth, with a dictatorial leader, a starving population, and harsh punishment for rebellion. Not the best place for a family vacation. Yet that's exactly where Mia Andrews finds herself, on a tour with her aid-worker father and fractious older brother, Simon. Mia was adopted from South Korea as a baby, and the trip raises tough questions about where she really belongs. Then her dad is arrested for spying, just as forbidden photographs of North Korean slave-labor camps fall into Mia's hands. The only way to save Dad: get the pictures out of the country. Thus Mia and Simon set off on a harrowing journey to the border, without food, money, or shelter, in a land where anyone who sees them might turn them in, and getting caught could mean prison -- or worse. An exciting adventure that offers a rare glimpse into a compelling, complicated nation, *In the Shadow of the Sun* is an unforgettable novel of courage and survival.

Becoming Brave Brenda Salter McNeil, 2020-08-18
Foreword INDIES 2020 Book of the Year Award
(BRONZE Winner for Religion) [A] powerful work. . . . Provides a road map for any Christian seeking greater racial justice.--Publishers Weekly
Reconciliation is not true reconciliation without justice! Brenda Salter McNeil has come to this conviction as she has led the church in pursuing reconciliation efforts over the past three decades. McNeil calls the church to repair the old reconciliation paradigm by moving beyond

individual racism to address systemic injustice, both historical and present. It's time for the church to go beyond individual reconciliation and heart change and to boldly mature in its response to racial division. Looking through the lens of the biblical narrative of Esther, McNeil challenges Christian reconcilers to recognize the particular pain in our world so they can work together to repair what is broken while maintaining a deep hope in God's ongoing work for justice. This book provides education and prophetic inspiration for every person who wants to take reconciliation seriously. *Becoming Brave* offers a distinctly Christian framework for addressing systemic injustice. It challenges Christians to be everyday activists who become brave enough to break the silence and work with others to dismantle systems of injustice and inequality.
