Lectionary Worship AIDS Frank Ramirez, 2005-05-15 Your word is a lamp to my feet, and a light to my path. (Psalm 119:105 NRSV) Coming up with fresh, meaningful worship material each Sunday that illuminates scripture and preaching themes is a pressure-filled responsibility. That's why busy pastors and worship leaders will love this all-new edition of a perennial CSS favorite. It's an easy-to-use reference offering several prayers relating to the assigned scriptural passages for every Sunday and major observance in Cycle B of the Revised Common Lectionary. For each First Lesson, Second Lesson, and Gospel text there's a call to worship, a collect, a prayer of confession, and suggested hymns. Supplemental material includes alternate verses for several familiar hymns, as well as an anointing service, a communion and footwashing service, and a lamentation service for the anniversary of 9/11. This complete collection offers a wide selection of practical aids for creating sincerely reverent, thematically unified worship experiences in which hymns, prayers, and scripture all work together to dance in and around God's Word. Lord, listen to your people praying. Your faithfulness is evident all around us, in the green of the hill, in the rushing of the rivers, and in the life that surrounds us. The birds who eat the seeds we leave out, and the birds who plunder the fruit we thought we would save for ourselves, are both yours. The bears who forage in the woods and who rummage through our trash are yours, also. Lord, this is your world and not ours, and surely your presence is in this place, whether or not it suits our purposes. We praise you, Lord, for who you are, and not what we would have you be. We love your world for what it is, and not what we would make it do for us. We praise you for your people as you made us, not by whom we would exclude, condemn, or deny. God of glory, your wisdom is sufficient for us this day. Amen. (sample prayer from Proper 10)

articles, and short stories. A graduate of LaVerne College and Bethany Theological Seminary, Ramirez has served congregations in Indiana and California, and is currently pastor at Everett Church of the Brethren in Everett, Pennsylvania. Lectionary Worship Aids: Cycle A James R. Wilson, 1995 The resources in this one-volume library provide a variety of paragraphs and sentences, prayers and calls, and hymn suggestions based on all three Scripture readings for every Sunday of the year. For each Sunday in the lectionary there are: three responsive calls to worship, three collects, three prayers of confession and three sets of hymn suggestions. While most congregations keep the order of worship consistent from week to week, it is important to continually refresh the components and make them relevant to the day's lessons. This book makes it possible to focus worship on the same lesson on which the sermon is based, or it allows emphasis to be placed on one of the lessons the preacher has not chosen to preach about, or portions can be combined from all three to provide a unity in the lessons. Worship and the Reality of God John Jefferson Davis, 2010-10-07 Is God missing from our worship? Obstacles to true worship are not about contemporary or traditional music, electronic gadgetry or seeker sensitivity. Rather it is the habits of mind and heart, conditioned by our

surrounding culture, that hinder our faith in the real presence of the transcendent God among his people. Sensing a real need for renewal, John Jefferson Davis offers a theology of worship that uncovers the most fundamental barriers to our vital involvement in the worship of our holy God. His profound theological analysis leads to fresh and bracing recommendations that will be especially helpful to all those who lead worship or want to more fully and deeply encounter the glory and majesty of God.

Lean Software Strategies Peter Middleton,James Sutton,2020-03-06 Lean production, which

has radically benefited traditional manufacturing, can greatly improve the software industry with similar methods and results. This transformation is possible because the same overarching principles that apply in other industries work equally well in software development. The software industry follows the same industrial concepts of production as those applied in manufacturing; however, the software industry perceives itself as being fundamentally different and has largely ignored what other industries have gained through the application of lean techniques.

I Love Jesus, But I Want to Die Sarah J. Robinson, 2021-05-11 A compassionate, shame-free guide for your darkest days “A one-of-a-kind book . . . to read for yourself or give to a struggling friend or loved one without the fear that depression and suicidal thoughts will be minimized, medicalized or over-spiritualized.”—Kay Warren, cofounder of Saddleback Church What happens when loving Jesus doesn’t cure you of depression, anxiety, or suicidal thoughts? You might be crushed by shame over your mental illness, only to be told by well-meaning Christians to “choose joy” and “pray more.” So you beg God to take away the pain, but nothing eases the ache inside. As darkness lingers and color drains from your world, you’re left wondering if God has abandoned you. You just want a way out. But there’s hope. In *I Love Jesus, But I Want to Die*, Sarah J. Robinson offers a healthy, practical, and shame-free guide for Christians struggling with mental illness. With unflinching honesty, Sarah shares her story of battling depression and fighting to stay alive despite toxic theology that made her afraid to seek help outside the church. Pairing her own story with scriptural insights, mental health research, and simple practices, Sarah helps you reconnect with the God who is present in our deepest anguish and discover that you are worth everything it takes to get better. Beautifully written and full of hard-won wisdom, *I Love Jesus, But I Want to Die* offers a path toward a rich, hope-filled life in Christ, even when healing doesn’t look like what you expect.
