2019 Energy Balances Department of Economic and Social Affairs,2022-01-21 The 2019 Energy Balances contains energy balances for over 220 countries and territories, showing production, trade,

transformation and consumption (by sector) in energy units for all energy products. It presents energy data for countries and areas in a format which shows the overall picture of the production, trade, transformation and consumption of energy products utilized in the region. Such a format is useful in assessing and analyzing supply and consumption patterns across both products and countries in detail on an internationally comparable basis.

National Directory of Churches, Synagogues, and Other Houses of Worship J. Gordon Melton, 1993-09 A multid denominational guide to 350,000 churches in the US, this is the fourth of a four-volume set - divided into regions - west, midwest, south and northeast. Within each volume, the entries are arranged alphabetically by state, Under each state, the entries are alphabetized by city, then by denomination.
