📖 **Riots I Have Known** Ryan Chapman,2020-11-17 Longlisted for the 2019 Center for Fiction First Novel Prize, Ryan Chapman’s “gritty, bracing debut” (Esquire) set during a prison riot is “dark, daring, and laugh-out-loud hilarious...one of the smartest—and best—novels of the year” (NPR). A large-scale riot rages through Westbrook Prison in upstate New York, incited by a poem in the House Literary Journal. Our unnamed narrator, barricaded inside the computer lab, swears he’s blameless—even though, as editor-in-chief, he published the piece in question. As he awaits violent interruption by his many, many enemies, he liveblogs one final editor’s letter. Riots I Have Known is his memoir, confession, and act of literary revenge. His tale spans a childhood in Sri Lanka, navigating the postwar black markets and hotel chains; employment as a Park Avenue doorman, serving the widows of the one percent; life in prison, with the silver lining of his beloved McNairy; and his stewardship of The Holding Pen, a “masterpiece of post-penal literature” favored by Brooklynites everywhere. All will be revealed, and everyone will see he’s really a good guy, doing it for the right reasons. “Fitfully funny and murderously wry,” Riots I Have Known is “a frenzied yet wistful monologue from a lover of literature under siege” (Kirkus Reviews).

📖 **Moon-Face and Other Stories** Jack London,1906 Jack London (1876-1916), American novelist, born in San Francisco, the son of an itinerant astrologer and a spiritualist mother. He grew up in poverty, scratching a living in various legal and illegal ways -robbing the oyster beds, working in a canning factory and a jute mill, serving aged 17 as a common sailor, and taking part in the Klondike gold rush of 1897. This various experience provided the material for his works, and made him a socialist. The Son of the Wolf (1900), the first of his collections of tales, is based upon life in the far north, as is the book that brought him recognition, The Call of the Wild (1903), which tells the story of the dog Buck, who, after his master’s death, is lured back to the primitive world to lead a wolf pack. Many other tales of struggle, travel, and adventure followed, including The Sea-Wolf (1904), White Fang (1906), South Sea Tales (1911), and Jerry of the South Seas (1917). One of London’s most interesting novels is the semi-autobiographical Martin Eden (1909). He also wrote socialist treatises, autobiographical essays, and a good deal of journalism.

📖 **Burnt Toast** Teri Hatcher,2006-05-02 From America’s most beloved comedic actress and the star of Desperate Housewives comes a personal, heartfelt, and often very funny manifesto on life, love, and the lessons we all need to learn -- and unlearn -- on the road to happiness Teri Hatcher secured her place in America’s heart when she stood up to accept her Golden Globe for Best Actress and declared herself a has-been on national television. That moment showcased her down-to-earth, self-deprecating style -- and her frank openness about the ups and downs she’s experienced in life and work. But what the world might not have seen that night is that Teri’s self-acceptance is the hard-won effort of a single mother with all the same struggles most women have to juggle -- life, love, bake sale cookies, and dying cats. Now, in the hope that her foibles and insights might inspire and motivate other women, Teri opens up about the little moments that have sustained her through good times and bad. From the everyday (like the importance of letting your daughter spill her macaroni so she knows it’s okay to make mistakes) to the rare (a rendezvous with a humpback whale -- and no, he was not a suitor), the message at the heart of Burnt Toast -- that happiness and success are choices that we owe it to ourselves to make -- is sure to resonate with women everywhere.

📖 **Affective Health and Masculinities in South Africa** Hans Reihling,2020-04-03 Affective Health and Masculinities in South Africa explores how different masculinities modulate substance use, interpersonal violence, suicidality, and AIDS as well as recovery cross-culturally. With a focus on three male protagonists living in very distinct urban areas of Cape Town, this comparative ethnography shows that men’s struggles to become invulnerable increase vulnerability. Through an analysis of masculinities as social assemblages, the study shows how affective health problems are tied to modern individualism rather than African ‘tradition’ that has become a cliché in Eurocentric gender studies. Affective health is conceptualized as a balancing act between autonomy and connectivity that after colonialism and apartheid has become compromised through the imperative of self-reliance. This book provides a rare perspective on young men’s vulnerability in everyday life that may affect the reader and spark discussion about how masculinities in relationships shape physical and psychological health. Moreover, it shows how men change in the face of distress in ways that may look different than global health and gender-transformative approaches envision. Thick descriptions of actual events over the life course make the study accessible to both graduate and undergraduate students in the social sciences. Contributing to current debates on mental health and masculinity, this volume will be of interest to scholars from various disciplines including anthropology, gender studies, African studies, psychology, and global health.

📖 **Vintage Views Along the West Michigan Pike** M. Christine Byron,Thomas R. Wilson,2011 Vintage Views Along the West Pike: From Sand Trails to US-31 is a pictorial history of Michigan’s most famous road. The historic West Michigan Pike, originally M-11, was the first continuous, improved road between Michigan City and Mackinaw City. This route along the Lake Michigan coast opened West Michigan to automobile travel and tourism. The book depicts the adventure and romance of motoring on Michigan’s most prominent early highway. Vintage postcards, photographs, maps, and ephemera illustrate this journey as you time-travel through the beautiful West Michigan landscape and quaint towns to hotels and cabins, tourist camps and state parks, and other stops along the road.

📖 **Degree of Normal** Barbara Harken,2017-04-01 At her mother’s funeral, Jocelyn makes a startling discovery--she has an aunt, her mother’s sister. Not only does this woman offer college-student Jocelyn much needed employment, but Aunt Paula holds the key to unlocking family secrets, secrets Jocelyn needs to confront. With the help of her best friend Alex, Jocelyn begins a journey of knocking down inner walls she has erected from years of abuse. The question is--will those broken walls free her or bury her? And what about this new-found aunt, a restaurateur/artist who signs her paintings Charlie? In this psychological novel, enter the world of trauma survival through dissociation and redemption through love and courage. This mental health issue (Dissociative Identity Disorder) is complex and a difficult topic to undertake in a fictional book. I applaud the author for taking on this subject.~ Dr. Debra Johnson, MD
