The Oral Style (RLE Folklore) Marcel Jousse,2015-02-20 In

this book, first published in 1990, Edgard Sienaert and Richard Whitaker offer the first English translation of Marcel Jousse's crucially important work, *Le style oral*. As the translators observe, this study fired the imagination of contemporary intellectuals in Paris soon after its publication and influenced the work of many. In this book, Jousse provides a thorough and detailed theoretical account of the compositional style of oral, as opposed to literate, authors, showing that the antithetical, balancing, formulaic quality of that style is deeply rooted in the psychological and even physiological nature of mankind.

The White Schooner Antony Trew, 2004 In this dramatic and powerful novel Antony Trew demonstrates, yet again, his mastery of the novel set against the backdrop of the sea. From beginning to end, *The White Schooner* is a compulsively readable story. For nearly a year Charles Black has been stalking his prey and now, on the lovely island of Ibiza, he is very close to his victim. When the lean white schooner *Snowgoose* sails into the harbour, Black knows it is time to move in for the kill...

Medievalism in Europe Leslie J. Workman,1994

Concentrating on Europe, this volume's sixteen essays discuss different forms of medievalism in Germany, France, Italy, Spain, and Serbia. Medievalism, the whole spectrum of post-medieval response to the middle ages, is now accepted as a vital key to the understanding of Western culture and society from 1500 to the present, pervading every aspect of our time, from the popular and artistic to the scholarly. Studies in Medievalism, now published annually, is the one series to provide a regular forum for discussion of medievalism. This volume is devoted to medievalism in Europe, excluding England (the subject of Volume IV,1992). Contributors from Europe and America consider medievalism in Germany, Italy, France, Spain and Serbia over a wide range of topics from eighteenth-century French politics and nineteenth-century German nationalism to contemporary Italian film.
