A Long Way Gone Ishmael Beah,2007-02-13 My new friends have begun to suspect I haven't told them the full story of my life. "Why did you leave Sierra Leone?" "Because there is a war." "You mean, you saw people running around with guns and shooting each other?" "Yes, all the time." "Cool." I smile a little. "You should tell us about it sometime." "Yes, sometime." This is how wars are fought now: by children, hopped-up on drugs and wielding AK-47s. Children have become soldiers of choice. In the more than fifty conflicts going on worldwide, it is estimated that there are some 300,000 child soldiers. Ishmael Beah used to be one of them. What is war like through the eyes of a child soldier? How does one become a killer? How does one stop? Child soldiers have been profiled by journalists, and novelists have struggled to imagine their lives. But until now, there has not been a first-person account from someone who came through this hell and survived. In *A Long Way Gone*, Beah, now twenty-five years old, tells a riveting story: how

at the age of twelve, he fled attacking rebels and wandered a land rendered unrecognizable by violence. By thirteen, he'd been picked up by the government army, and Beah, at heart a gentle boy, found that he was capable of truly terrible acts. This is a rare and mesmerizing account, told with real literary force and heartbreaking honesty.

Fangasm Katherine Larsen,Lynn S. Zubernis,2013-10-01 Once upon a time not long ago, two responsible college professors, Lynn the psychologist and Kathy

the literary scholar, fell in love with the television show *Supernatural* and turned their oh-so-practical lives upside down. Plunging headlong into the hidden realms of fandom, they scoured the Internet for pictures of stars Jensen Ackles and Jared Padalecki and secretly penned racy fan fiction. And then they hit the road—crisscrossing the country, racking up frequent flyer miles with alarming ease, standing in convention lines at 4 A.M. They had white-knuckled encounters with overly zealous security guards one year and smiling invitations to the *Supernatural* set the next. Actors stripping in their trailers, fangirls sneaking onto film sets; drunken confessions, squeals of joy, tears of despair; wallets emptied and responsibilities left behind; intrigue and ecstasy and crushing disappointment—it's all here. And yet even as they reveled in their fandom, the authors were asking themselves whether it's okay to be a fan, especially for grown women with careers and kids. "Crazystalkerchicks"—that's what they heard from *Supernatural* crew members, security guards, airport immigration officials, even sometimes their fellow fans. But what Kathy and Lynn found was that most fans were very much like themselves: smart, capable women looking for something of their own that engages their brains and their libidos. *Fangasm* pulls back the curtain on the secret worlds of fans and famous alike, revealing *Supernatural* behind the scenes and discovering just how much the cast and crew know about what the fans are up to. Anyone who's been tempted to throw off the constraints of respectability and indulge a secret passion—or hit the road with a best

friend—will want to come along.

Soldier Boy Eugene McBride Swaggart, Betty E. More, 2000 Eugene McBride Swaggart was born in 1840 in Salem Township, Illinois. He was a farm boy, and when war broke out between the northern and southern states he enlisted in the 92nd Illinois Infantry. The author has documented the history of the 92nd Illinois with the help of a number of Civil War resources. This historical narrative provides the background for the family letters, which present a more personal view of the war. This book follows Swaggart and the 92nd from his enlistment in 1862 through Kentucky and Tennessee, then to Chickamauga, Alabama, Atlanta, Savannah and the Carolina Mud March. Numerous names affiliated with the family are mentioned throughout, as are the names of many famous Civil War figures. The letters reprinted here were written by Eugene McBride Swaggart, Henry Holt, Henry Lego, Elvira Van Alstine/Swaggart, Amanda Ludisky Van Alstine/Swaggart, Jennie Van Alstine, Anna Swaggart, Mary Ann Miller, S. Whitman Dodge, Maria Van Alstine and Mary Crosit. A full-name index is included, along with a separate subject index. A glossary is provided to help clarify the meaning of the terminology used during the war. Illustrations include facsimiles of many of the letters, as well as family documents and other Civil War ephemera.

Hiroshima John Hersey,2020-06-23 Hiroshima is the story of six people—a clerk, a widowed seamstress, a physician, a Methodist minister, a young surgeon, and a German Catholic priest—who lived through the greatest single manmade disaster in history. In vivid and indelible prose, Pulitzer Prize-winner John Hersey traces the stories of these half-dozen individuals from 8:15 a.m. on August 6, 1945, when Hiroshima was destroyed by the first atomic bomb ever dropped on a city, through the hours and days that followed. Almost four decades after the original publication of this celebrated book, Hersey went back to Hiroshima in search of the people whose stories he had told, and his account of what he discovered is now the eloquent and moving final chapter of Hiroshima.

As Always, Norb Carol Rawert Trainer,2017-07-06 The letters are worn thin from rereading and sharing with family and friends, and age has discolored them. As you read the letters, you will relive the war experience in the details of the Rawert familys everyday lives, love, worry, concern, faith,

pride, and neighborhood news of a typical American family during the war. The correspondence between the Rawert family of Schnitzelburg in Louisville, Kentucky, and their son, who served in the US Army far from home and at the European front shortly after D-day, convey the high price that the troops and their families paid during wartime from 1942-1944. The letters reveal such detail as Im writing this letter from the hole I sleep in. PFC Norbert Rawert, HQ 59th Signal Battalion wrote this on July 3, 1944, from somewhere in France. He continues, Its about six feet long and about 2 feet deep. Its not the most comfortable place in the world but it might be one way to keep from getting a Purple Heart. Its pretty cozy though. I got my bed roll on the bottom and my tent over the top. The only thing is, I dont know who is going to give it up, me or this ground mole. He sticks his ass out and I gave him a boot and he crawls back into his own hole. Ha. Then in about an hour hes digging back out again. This book is an ideal choice for those who want to know more about daily life in the 1940s on and off the battlefield during WWII.
