Volume topics will include multimedia music, music and television, Hollywood film music, and the music of Bollywood cinema. Music, Sound and Multimedia provides a unique study of how music and other sounds play a central part in our understandings and uses of a variety of communications media. It focuses on four areas of sound and music within broader multimedia forms - music videos, video game music, performance and presentation, and production and consumption - and addresses the centrality of such aural concerns within our everyday experiences. Key features* Charts a number of key developments in music and multimedia interactions* Provides both historical overviews and theoretical analyses* Features a number of in-depth case studies of important issues.

Charles Mackerras Nigel Simeone, John Tyrrell, 2015 By the time of his death in 2010 at the age of 84, Sir Charles Mackerras had achieved widespread recognition, recorded extensively and developed into a conductor of major international significance. In addition to areas in which he already had forged a distinctive and definitive profile (Janacek, Mozart, Handel, Sullivan) he revisited - and rethought - much of the standard repertoire. The last thirty years were particularly momentous in the coming to fruition of so many cherished projects: not only the Janacek operas but the Gilbert and Sullivan series, the Mozart operas, the two Beethoven cycles, other projects with the Scottish Chamber Orchestra (Schumann and Brahms at Edinburgh; the outstanding late Mozart) and

at the Royal Opera House and the Met. Unspoilt by fame, and undeterred by personal tragedies and increasing physical frailty, he remained productive and inventive: for him music-making, whether with world-class professionals or with students, was a kind of joyous oxygen that kept him going right to the end. A detailed narrative account of his life by Nigel Simeone is complemented by chapters written by performers and scholars who worked closely with him: Alfred Brendel, Dame Janet Baker, David Lloyd-Jones, Dame Anne Evans, Sir Antonio Pappano, Sir Nicholas Hytner, John Tyrrell and Jiri Zahradka. There are also chapters based on interviews with his family. The book is illustrated with photographs, both informal and professional, and is supplemented by an up-to-date discography, by listings of all the performances of Janacek operas Sir Charles conducted and of all his concerts in Czechoslovakia and the Czech Republic. While Sir Charles' whole life is considered, emphasis is given to his final quarter century in which so many important projects were realized. This book celebrates and epitomizes an exceptional life. NIGEL SIMEONE has published books on Janacek, Messiaen and Bernstein. JOHN TYRRELL has published books on Janacek and Czech opera and, with Sir Charles Mackerras, edited two Janacek operas. Contributors: Janet Baker, Alfred Brendel, Ales Brezina, Rosenna East, Anne Evans, Nicholas Hytner, Simon Keenlyside, David Lloyd-Jones, David Mackie, Chi-chi Nwanoku, Antonio Pappano, Nigel Simeone, John Stein, Heinz Stolba, Patrick Summers, John Tyrrell, Malcolm Walker, David Whelton, Jiri Zahradka

Marcovaldo Italo Calvino, 2012-10-26 A charming portrait of one man's dreams and schemes, by "the greatest Italian writer of the twentieth century" (The Guardian). In this enchanting book of linked stories, Italo Calvino charts the disastrous schemes of an Italian peasant, an unskilled worker in a drab northern industrial city in the 1950s and '60s, struggling to reconcile his old country habits with his current urban life. Marcovaldo has a practiced eye for spotting natural beauty and an unquenchable longing for the unspoiled rural world of his imagination. Much to the continuing puzzlement of his wife, his children, his boss, and his neighbors, he chases his dreams and gives rein to his fantasies, whether it's sleeping in the great outdoors on a park bench, following a stray cat, or trying to catch wasps. Unfortunately, the results are never quite what he anticipates. Spanning from the 1950s to the 1960s, the twenty stories in Marcovaldo are alternately comic and melancholy, farce and fantasy. Throughout, Calvino's unassuming masterpiece "conveys the sensuous, tangible qualities of life" (The New York Times).

They Told Me Not to Take that Job Reynold Levy, 2015-05-12 When Reynold Levy became the new president of Lincoln

Center in 2002, New York Magazine described the situation he walked in to as a community in deep distress, riven by conflict. Ideas for the redevelopment of Lincoln Center's artistic facilities and public spaces required spending more than 1.2 billion, but there was no clear pathway for how to raise that kind of unprecedented sum. The individual resident organizations that were the key constituents of Lincoln Center -- the Metropolitan Opera, the New York City Opera, the New York Philharmonic, the Juilliard School, and eight others -- could not agree on a common capital plan or fundraising course of action. Instead, intramural rivalries and disputes filled the vacuum. Besides, some of those organizations had daunting problems of their own. Levy tells the inside story of the demise of the New York City Opera, the Metropolitan Opera's need to use as collateral its iconic Chagall tapestries in the face of mounting operating losses, and the New York Philharmonic's dalliance with Carnegie Hall. Yet despite these and other challenges, Levy and the extraordinary civic leaders at his side were able to shape a consensus for the physical modernization of the sixteen-acre campus and raise the money necessary to maintain Lincoln Center as the country's most vibrant performing arts destination. By the time he left, Lincoln Center had prepared itself fully for the next generation of artists and audiences. *They Told Me Not to Take That Job* is more than a memoir of life at the heart of one of the world's most prominent cultural institutions. It is also a case study of leadership and management in action. How Levy and his colleagues triumphantly steered Lincoln Center -- through perhaps the most tumultuous decade of its history to a startling transformation -- is fully captured in his riveting account.
