[Producing Great Sound for Film and Video](#) Jay Rose,2013-01-25 Make your film and video projects sound as good as they look with this popular guide. Learn practical, timesaving ways to get better recordings, solve problems with existing audio, create compelling tracks, and boost your filmmaking to the next level! In this fourth edition of Producing Great Sound for Film and Video, audio guru Jay Rose revises his popular text for a new generation of filmmakers. You'll find real world advice and practical guidelines for every aspect of your soundtrack: planning and budgeting, field and studio recording, editing, sound effects and music, audio repair and processing, and mixing. The combination of solid technical information and a clear, step-by-step approach has made this the go-to book for producers and film students for over a decade. This new edition includes: - Insights and from-the-trenches tips from film and video professionals - Advice on how to get the best results from new equipment including DSLRs and digital recorders - Downloadable diagnostics and audio examples you can edit on your own computer - Instruction for dealing with new regulations for wireless mics and broadcast loudness - Techniques that work with any software or hardware - An expanded How Do I Fix This? section to help you solve problems quickly - An all new companion website (www.GreatSound.info) with audio and video tutorial files, demonstrations, and diagnostics Whether you're an aspiring filmmaker who wants rich soundtracks that entertain and move an audience, or an experienced professional looking for a reference guide, Producing Great Sound for Film and Video, Fourth Edition has the information you need--

Overcoming School Refusal Joanne Garfi,2018-01-31 School refusal affects up to 5% of children and is a complex and stressful issue for the child, their family and school. The more time a child is away from school, the more difficult it is for the child to resume normal school life. If school

refusal becomes an ongoing issue it can negatively impact the child's social and educational development. Psychologist Joanne Garfi spends most of her working life assisting parents, teachers, school counsellors, caseworkers, and community policing officers on how best to deal with school refusal. Now her experiences and expertise are available in this easy-to-read practical book.

Overcoming School Refusal helps readers understand this complex issue by explaining exactly what school refusal is and provides them with a range of strategies they can use to assist children in returning to school. Areas covered include:

- types of school refusers
- why children refuse to go to school
- symptoms
- short term and long term consequences
- accurate assessment
- treatment options
- what parents can do
- what schools can do
- dealing with anxious high achievers
- how to help children on the autism spectrum with school refusal

Star Trek Omnipedia Simon & Schuster, 1995-08-01 The ultimate Star Trek resource is based on the Star Trek Encyclopedia and contains thousands of entries. True-to-life 3D renderings, video, animation, blueprints, technical diagrams and color photos are used to illustrate and demonstrate a cornucopia of Star Trek facts, trivia and memorabilia. An amazing voice recognition technology allows you to access the entire database using spoken commands. System Requirements: Windows 3.1 or higher; multimedia PC using 386/33MHz or better; 4MB RAM (8MB required for QuickTime VR); SVGA card with 256 colors; color SVGA monitor; MPC compliant sound card and mouse; double-speed CD-ROM drive.

Charles Mackerras Nigel Simeone, John Tyrrell, 2015 By the time of his death in 2010 at the age of 84, Sir Charles Mackerras had achieved widespread recognition, recorded extensively and developed into a conductor of major international significance. In addition to areas in which he already had forged a distinctive and definitive profile (Janacek, Mozart, Handel, Sullivan) he

revisited - and rethought - much of the standard repertoire. The last thirty years were particularly momentous in the coming to fruition of so many cherished projects: not only the Janacek operas but the Gilbert and Sullivan series, the Mozart operas, the two Beethoven cycles, other projects with the Scottish Chamber Orchestra (Schumann and Brahms at Edinburgh; the outstanding late Mozart) and at the Royal Opera House and the Met. Unspoilt by fame, and undeterred by personal tragedies and increasing physical frailty, he remained productive and inventive: for him music-making, whether with world-class professionals or with students, was a kind of joyous oxygen that kept him going right to the end. A detailed narrative account of his life by Nigel Simeone is complemented by chapters written by performers and scholars who worked closely with him: Alfred Brendel, Dame Janet Baker, David Lloyd-Jones, Dame Anne Evans, Sir Antonio Pappano, Sir Nicholas Hytner, John Tyrrell and Jiri Zahradka. There are also chapters based on interviews with his family. The book is illustrated with photographs, both informal and professional, and is supplemented by an up-to-date discography, by listings of all the performances of Janacek operas Sir Charles conducted and of all his concerts in Czechoslovakia and the Czech Republic. While Sir Charles' whole life is considered, emphasis is given to his final quarter century in which so many important projects were realized. This book celebrates and epitomizes an exceptional life. NIGEL SIMEONE has published books on Janacek, Messiaen and Bernstein. JOHN TYRRELL has published books on Janacek and Czech opera and, with Sir Charles Mackerras, edited two Janacek operas. Contributors: Janet Baker, Alfred Brendel, Ales Brezina, Rosenna East, Anne Evans, Nicholas Hytner, Simon Keenlyside, David Lloyd-Jones, David Mackie, Chi-chi Nwanoku, Antonio Pappano, Nigel Simeone, John Stein, Heinz Stolba, Patrick Summers, John Tyrrell, Malcolm Walker, David Whelton, Jiri Zahradka

They Told Me Not to Take that Job Reynold Levy, 2015-05-12 When Reynold Levy became the

new president of Lincoln Center in 2002, New York Magazine described the situation he walked in to as a community in deep distress, riven by conflict. Ideas for the redevelopment of Lincoln Center's artistic facilities and public spaces required spending more than 1.2 billion, but there was no clear pathway for how to raise that kind of unprecedented sum. The individual resident organizations that were the key constituents of Lincoln Center -- the Metropolitan Opera, the New York City Opera, the New York Philharmonic, the Juilliard School, and eight others -- could not agree on a common capital plan or fundraising course of action. Instead, intramural rivalries and disputes filled the vacuum. Besides, some of those organizations had daunting problems of their own. Levy tells the inside story of the demise of the New York City Opera, the Metropolitan Opera's need to use as collateral its iconic Chagall tapestries in the face of mounting operating losses, and the New York Philharmonic's dalliance with Carnegie Hall. Yet despite these and other challenges, Levy and the extraordinary civic leaders at his side were able to shape a consensus for the physical modernization of the sixteen-acre campus and raise the money necessary to maintain Lincoln Center as the country's most vibrant performing arts destination. By the time he left, Lincoln Center had prepared itself fully for the next generation of artists and audiences. They Told Me Not to Take That Job is more than a memoir of life at the heart of one of the world's most prominent cultural institutions. It is also a case study of leadership and management in action. How Levy and his colleagues triumphantly steered Lincoln Center -- through perhaps the most tumultuous decade of its history to a startling transformation -- is fully captured in his riveting account.

Star Wars Extraordinary Droids Simon Beecroft, 2020-09-03 Find the droids you know and love and discover new favourites along the way. This Star Wars e-guide with a twist showcases a world of droids in close-up detail. Arranged from smallest to biggest, more than 50 droids of the

galaxy are revealed with stunning photography and gorgeous artwork. The evocative descriptions will delight children and let them discover amazing droid facts, such as what tools R2-D2 uses and why GNK droids make a gong gong noise! Each page features fun droid facts and detailed close-up photographs for children to pore over, including firm favourites such as C-3PO and BB-8 as well as more unusual ones such as Professor Huyang, police droids, tiny probe droids, and new The Rise of Skywalker droid D-O. Star Wars Extraordinary Droids is a perfect gift for children who can't get enough of a galaxy far, far away. It covers droids small (quiet, little mouse droids) and big (vulture droid starfighters), kind (memoir-writing PZ-4CO) and scary (droidekas), and will be a treasured favourite book to keep. © & TM 2020 LUCASFILM LTD.
