Read It Speak It Do It Marilyn Hickey,2022-07 "Where are you?" At the age of 11, Marilyn asked God this simple, yet profound question. God's reply was equally as simple, yet profound: "I am in the Word." His response made sense, and Marilyn began to read the Bible. At night, she would kneel on the floor and pray the Scriptures before going to bed. She had no idea that this would lay the foundation for her life and ministry — that these simple practices were shaping her destiny. Several years later, Marilyn heard a teaching on not just reading and doing what the Bible said, but also speaking it. That revelation, along with God's mercy and grace, produced astonishing miracles in Marilyn's life over the last six decades. She wants these same miracles for you! In Read It. Speak It. Do It. Marilyn gives you the blueprint that she has used for reading the Bible, speaking its promises, and acting on what the Word says. You will gain practical strategies on: ■ Reading, studying, and meditating on the Bible. ■ Taking a passage of Scripture and speaking it over your life. ■ Wielding the Sword of Truth (the Word) during spiritual warfare. ■ Walking out the Word in faith and expecting miracles. Living a miraculous life is not just for international evangelists and preachers; it is also for you! Victory begins when you read it, speak it, and do it!

A Bigger Picture Malcolm Turnbull,2021-10-13 In A Bigger Picture, the bestselling political memoir of 2020, Malcolm Turnbull, Australia's 29th prime minister, tells the remarkable story of his life. Now in paperback, this edition is updated with an all-new foreword by the author that sheds light on the huge political and cultural changes happening today. When Malcolm Turnbull took over the nation's top job there was a sense of excitement in Australia. Sky-high opinion polls followed as the political outsider with a successful business, legal and media career took charge. The infighting that had dogged politics for the best part of a decade looked to be over. But a right-wing insurgency brutally cut down Turnbull's time in office after three years, leaving many Australians asking, 'Why?' Exceptionally candid and compelling, A Bigger Picture is the definitive narrative of Malcolm Turnbull's prime ministership. He describes how he legalised same-sex marriage, established Snowy Hydro 2.0, stood up to Donald Trump, and many more achievements – remarkable in their pace and significance, and delivered in the teeth of so much opposition. But it's far more than just politics. Turnbull's life has been filled with colourful characters and controversies, success and failure. From his early years in Sydney, growing up with a single father, to defending 'Spycatcher' Peter Wright against the UK government; the years representing Kerry Packer, leading the Republican Movement and making millions in business; and finally toppling Tony Abbott to become prime minister of Australia. For the first time he tells it all – in his own words. With revelatory insights on the workings of Canberra and the contentious events of Turnbull's life, A Bigger Picture explores the strengths and vulnerabilities of one of Australia's best-known and most dynamic business and political leaders. Lyrically written in highly readable and entertaining prose, this is a genuine page-turner that's not just for political junkies.
