Dude 101 Kevin Hunter,2011-12-28 Dude 101 features Jagger, a dating columnist who takes young adults into a series of practical essays devoted to finding love in a universe that defies this notion. He covers the similarities and differences between straight and gay men, to loyalty and adultery, while putting guys into the categories of Knights, Princes and Kings. Dude 101 demonstrates the rise and fall of love, what to stay away from, what to go after, how eligible bachelors are not always so eligible, the bad boy and the dating rules that should be memorized as mantra. Author, Kevin Hunter, takes a backseat allowing his alter ego Jagger guide us through the journey. His terrain involves random musings and ultimately a peek at his real love romance with Garth through scene vignettes. Jagger is the main protagonist in the book Jagger's Revolution, a tale that surfaces around a heated erotic crush between a writer and an Australian lifeguard. Through the cynicism in both, he ultimately finds and ends...in love.
