Security Administrator Street Smarts David R. Miller, Michael Gregg, 2008-11-24 Updated for the new CompTIA Security+ exam, this book focuses on the latest topics and technologies in the ever-evolving field of IT security and offers you the inside scoop on a variety of scenarios that you can expect to encounter on the job—as well as step-by-step guidance for tackling these tasks. Particular emphasis is placed on the various aspects of a security administrator's role, including designing a secure network environment, creating and implementing standard security policies and practices, identifying insecure systems in the current environment, and more.

Operation Sudarshan Chakra Prabhakar Aloka, 2022-06-30 Ravi Kumar, head of the Central Counterterrorism Command (C3) of the Intelligence Bureau, is haunted by the partial success of Operation Haygreeva. He and his team of young recruits—Mihir, Cyrus and Jose—exposed designs of a hitherto-unknown terrorist outfit, the Lashkar-e-Hind (LeH), responsible for the Mumbai train blasts. But the mission they had staked their lives on remains significantly unfinished. The LeH's leader, Tabrez, had managed to escape to Pakistan. Looking to expand the scale of his operations and strike back at India in previously inconceivable ways, Tabrez becomes the lynchpin of a sinister K2 plan of the Pak ISI to leverage different socio-political anxieties and create a vast network of radicalized minds penetrating deep into Indian society, to destabilize the delicate fabric that holds the nation together. Despite having faced severe personal trauma, Ravi and his team come together to launch deft counterterror and counterintelligence manoeuvres, codenamed Operation Sudarshan Chakra, putting everything, including their individual safety, at risk.

Back off Bullies! Dorene Johnson Mellon, 2011-10-21 Bobbi world turned upside down when her mother decided to move her to a better school; little did she know that moving her daughter has open up problems that Bobbi had never faced before bullying! Bobbi timed how she would walk up and down the hallways; even walking home was a planned event everyday she did not want to come in contact with Jessie and her friends. Bobbi new friends Spam and Errika invited Bobbi to a different place a place where people loved and everybody was somebody. On this trip Bobbi brought back to her school the skill of defeating bullying at Slim Pickens High School.

Entangled Performance Histories Erika Fischer-Lichte, Małgorzata Sugiera, Torsten Jost, Holger Hartung, Omid Soltani, 2022-12-30 Entangled Performance Histories is the first book-length study that applies the concept of entangled histories as a new paradigm in the field of theater and performance historiography. Entangled histories denotes the interconnectedness of multiple histories that cannot be addressed within national frameworks. The concept refers to interconnected pasts, in which historical processes of contact and exchange between performance cultures affected all involved. Presenting case studies from across the world—spanning Africa, the Arab-speaking world, Asia, the Americas and Europe—the book's contributors systematically expand, exemplify and examine the concept of entangled histories, thus introducing various innovative concepts, theories and methodologies for investigating reciprocally consequential processes of interweaving performance cultures from the past. Bringing together examples of entanglements in theater and performance histories from a broad variety of geographical and historical backgrounds, the book's contributions build together a broad basis for a possible and necessary paradigmatic shift in the field of theater and performance historiography. Ideal for researchers and students of history, theater, performance, drama and dance, this volume opens novel perspectives on the possibilities and challenges of investigating the entangled histories of theater and performance cultures on a global scale.

The Residues, Part Two Stephen Barber, 2021-02-01 Beginning in 1993 with Artaud: Blows and Bombs, Stephen Barber has quietly, independently forged one of the most singular and enriching bodies of work in contemporary writing. -David Peace Over the three decades since 1990, Stephen Barber has written many essays and experimental writings around film and digital arts. For the first time, this collection in two parts assembles all of those writings, many otherwise unavailable, over seventy in all. Many of those writings explore unknown elements of vital bodies of work that remain inspirational for contemporary art, writing and film. Others interrogate the transmutations of cities - especially those of Europe and of Japan - across those three decades, anatomizing their urban futures. These writings are often residues from, or accompaniments to, Stephen Barber's thirty books, short writings which possess their own distinctive and accumulating presence, and can display the interrogative resilience to explore preoccupations with greater intensity and pointedness than an entire book. THE RESIDUES, PART TWO collects 30 writings on subjects including JG Ballard, Pier Paolo Pasolini, Donald Richie, and much more.

Digital Marketing Management, Second Edition Debra Zahay, 2020-09-23 This book is for managers and would-be managers who need to upgrade their knowledge of digital marketing. Told from the perspective of marketing strategy, it puts digital marketing in the context of firm strategy selection. The first step in digital marketing is to understand your company and your brand. The next step is to put content and keywords on your web and mobile sites so that they can be found in search. Then use the delivery platforms of digital content, e-mail, social, and mobile, to deploy that content to the customer. The final topics in the book focus on the importance of data management and privacy as well as the emerging roles of analytics, artificial intelligence and marketing automation. Without quality data, no digital marketing program can be successful. This data can then be used in data analytics applications for predictive modeling. After reading this book, the reader will have a good idea of where to start on the path to an integrated digital marketing management strategy. Each chapter concludes with a list of action steps or “what to do next” to get started on implementing a digital marketing strategy as well as review questions and key terminology.

The Routledge Companion to Butoh Performance Bruce Baird, Rosemary Candelario, 2018-09-03 The Routledge Companion to Butoh Performance provides a comprehensive introduction to and analysis of the global art form butoh. Originating in Japan in the 1960s, butoh was a major innovation in twentieth century dance and performance, and it continues to shape-shift around the world. Taking inspiration from the Japanese avant-garde, Surrealism, Happenings, and authors such as Genet and Artaud, its influence can be seen throughout contemporary performing arts, music, and visual art practices. This Companion places the form in historical context, documents its development in Japan and its spread around the world, and brings together the theory and the practice of this compelling dance. The interdisciplinarity evident in the volume reflects the depth and the breadth of butoh, and the editors bring specially commissioned essays by leading scholars and dancers together with translations of

important early texts.

Recent Technologies for Enhancing Performance and Reducing Emissions in Diesel Engines Basha, J. Sadhik,Anand, R.B.,2020-02-21 In today's global context, there has been extensive research conducted in reducing harmful emissions to conserve and protect our environment. In the automobile and power generation industries, diesel engines are being utilized due to their high level of performance and fuel economy. However, these engines are producing harmful pollutants that contribute to several global threats including greenhouse gases and ozone layer depletion. Professionals have begun developing techniques to improve the performance and reduce emissions of diesel engines, but significant research is lacking in this area. *Recent Technologies for Enhancing Performance and Reducing Emissions in Diesel Engines* is a pivotal reference source that provides vital research on technical and environmental enhancements to the emission and combustion characteristics of diesel engines. While highlighting topics such as biodiesel emulsions, nanoparticle additives, and mathematical modeling, this publication explores the potential additives that have been incorporated into the performance of diesel engines in order to positively affect the environment. This book is ideally designed for chemical and electrical engineers, developers, researchers, power generation professionals, mechanical practitioners, scholars, ecologists, scientists, graduate students, and academicians seeking current research on modern innovations in fuel processing and environmental pollution control.

Girl Wears Those Shoes Jenny Wang,2021-12-14 Aspiring young Chinese immigrant Gigi O survives by working as a stripper, but she strives for true success in the U.S. real-estate industry. Navigating this highly competitive business is tough, especially when her only support comes from the deeply flawed man she loves and her old cohorts from the strip club. Issues of betrayal and trust, loyalty and commitment complicate her goals even as one lesbian friend adds new dimensions to her understanding of love versus desire. Then the market crashes and financial turmoil threatens to rob Gigi O of all she has achieved. Can she find new ways to chase her dreams—and still manage to keep her clothes on? Or might she find a better reason to take them off? *Girl Wears Those Shoes* is a tale of love and power, the story of one woman who wants to make the world her own—if only she can figure out how.

Macchiatos, Macarons, and Malice Harper Lin,2019-03-08 From 3x USA TODAY Bestselling Author Harper Lin: the popular cozy mystery series set in a charming beach town. When Fran moves back to idyllic Cape Bay to take over the family cafe, she also develops a knack for solving bizarre murders. When Matt whisks Fran away on a romantic spa weekend at the Alford Inn, she's excited to try French macarons from Jacques de Gaulle, the inn's famous in-house baker. But when an off-duty employee is murdered in the spa—during a mud wrap treatment no less—Fran must use the time she could've been relaxing to solve another murder case. A friend's crumbling marriage depends on it! Includes macchiato and macaron recipes!

Eden Interrupted Beverley Harvey,2021-04-26 In this warm, witty novel, the village of Eden Hill is full of family conflicts, marital misunderstandings, and small-town secrets . . . Musician Ben Wilde and his bride, Lisa, return from honeymoon, only to have their lives disrupted by Lisa's demanding mum, who's moving in while recuperating from a shoe-related injury—and Ben being summoned for a newly scheduled European tour. When Lisa befriends her neighbour, Rosemary, who's also home alone while her husband travels for work, the women wonder if their men are faithful. But will their grim suspicions be confirmed, or has absence made the heart grow paranoid? Meanwhile, in the village, the coffee shop is under new management with the arrival of divorced mum Chloe and her troubled teen son, Jake. But serving flat whites leaves Chloe feeling empty until she meets Caleb, a widowed father of two. If only Jake and Caleb could get on . . . Then there's Jan and Martin Bevan, who are new to Eden Hill—but a frosty reception leaves them wondering if they've made a huge mistake. As the little community struggles to sort out its problems, it becomes clear that Eden isn't always paradise . . .
