Anthony Cancelliere

Last Booth On The Left Anthony Cancelliere,2015-11-11 Imagine there is something you need, something that is impossible and beyond comprehension. Time is slowly running like sand. Slowly slipping through your fingers and there is no one that can help you and nowhere left for you to turn. One night you hear a whisper, a whisper that there is someone who can help you. He works from a very small booth in a tiny unappealing diner. In this tiny booth he can do anything and make anything happen. You have heard stories like this before. Stories that there is a man that can pull off the impossible, that can literally do anything. For this man to make something happen you need to make one difficult choice. You need to ask yourself two important questions. What are you willing to do? What is the price you are willing to pay to be happy? When you figure that out you can go find the last booth on the left.
