Writing Center Talk over Time Jo Mackiewicz, 2018-06-27 In the last 15 to 20 years, writing centers have placed greater importance on tutor training, focusing on teaching tutors best practices in fostering student writers' engagement and writing skills. Writing Center Talk over Time explores the importance of writing center talk and demonstrates the efficacy of tutor training. The book uses corpus-driven analysis and discourse analysis to examine the changes in writing center talk over time to provide a baseline understanding of the very heart of writing center work: the talk that unfolds between tutors and student writers. It is this talk that, at its best, motivates student writers to continue to improve their writing and scaffolds their learning and that makes tutors proud of the service that they provide. The methods and analysis of this study are intended to inform other researchers so that they may conduct further research into the efficacy of writing center talk.

100 Ideas for Secondary Teachers: Stretch and Challenge Paul Wright, 2020-03-05 With the new developments across all secondary curriculum areas, there is greater emphasis on building depth of subject knowledge; stretching and challenging students of all abilities is essential to achieving this deep level of learning. 100 Ideas for Secondary Teachers: Stretch and Challenge presents innovative and exciting ideas, techniques and activities to embed stretch and challenge strategies into everyday classroom practice, regardless of subject area. Developing good stretch and challenge practices enables the cognitive process that helps learners retain new information more easily and work more productively. Looking at questioning, marking and feedback, starters, plenaries and technology-based teaching, Paul Wright explains why the strategies presented in this book are so effective. 100 Ideas for Secondary Teachers: Stretch and Challenge is the must-have guide to implementing stretch and challenge practices in the classroom with ideas designed to raise attainment for all students and keep them engaged in the classroom. Accompanying online resources are also available to download from a companion website.

**Teach Now! The Essentials of Teaching** Geoff Barton, 2014-10-17 Being taught by a great teacher is one of the great privileges of life. Teach Now! is an exciting new series that opens up the secrets of great teachers and, step-by-step, helps trainees to build the skills and confidence they need to become first-rate classroom practitioners. Teach Now! The Essentials of Teaching provides the fundamental knowledge for becoming a great teacher. Combining a grounded, modern rationale for learning and teaching with highly practical training approaches it covers everything you need to know from preparing for your teaching practice to getting your first job. Harnessing a range of simple, but powerful techniques, the book shows you how you can translate the Teachers' Standards into your own classroom practice and provide the evidence that you have met them. It also demystifies what the best teachers know and do instinctively to create students who want to learn and get a buzz from developing new skills. The book is structured in clear sections which are then divided into short, easy-to-absorb units offering clear, straightforward advice on all aspects of teaching including: why teach? the application and recruitment process for training helping students' achieve good progress planning, differentiation and assessment behaviour management using language effectively in the classroom managing parents' evenings being an effective tutor how to have lunch! With talking points to encourage reflection and a wide range of examples to illustrate practice, Teach Now! The Essentials of Teaching provides expert guidance as you start your exciting and rewarding career as an outstanding teacher.

**The Rowman & Littlefield Guide for Peer Tutors** Daniel R. Sanford, 2020-05-27 The Rowman & Littlefield Guide for Peer Tutors introduces college students to the field of peer tutoring, providing a theoretical background and practical guidance for peer tutors in higher education. Taking an innovative approach firmly grounded in the science of learning and cognition, the text guides college students in thinking critically about their work as educators and in making informed choices in working with learners. A vibrant, engaging read, the text covers topics essential for all peer tutors, across writing, mathematics, the sciences, languages, and other disciplines: the brain-based reality of learning, active and collaborative pedagogies, the role of learning centers in colleges and universities, models for tutoring, the transition to college, metacognition, study strategies, online environments, and much more. An ideal supporting text for both tutor training programs and courses for peer educators, this book provides support for learning and writing center administrators in welcoming college students to the field of peer-led learning and for tutors in the work of acting as guides and mentors to the fields of inquiry that exist within the academy.

**One-on-One Language Teaching and Learning** T. Bleistein, M. Lewis, 2014-11-25 With only one learner, it is possible for the teacher to give serious attention to principles of second language acquisition such as motivation, error treatment, and learner autonomy, which are more difficult to address in classroom learning. This book combines theory with practical suggestions, making it invaluable for language tutors.

*Tutoring Second Language Writers* Shanti Bruce,Ben Rafoth,2016-03-01 Tutoring Second Language Writers, a complete update of Bruce and Rafoth's 2009 ESL Writers, is a guide for writing center tutors that addresses the growing need for tutors who are better prepared to work with the increasingly international population of students seeking guidance at the writing center. Drawing upon philosopher John Dewey's belief in reflective thinking as a way to help build new knowledge, the book is divided into four parts. Part 1: Actions and Identities is about creating a proactive stance toward language difference, thinking critically about labels, and the mixed feelings students may have about learning English. Part 2: Research Opportunities demonstrates writing center research projects and illustrates methods tutors can use to investigate their questions about writing center work. Part 3: Words and Passages offers four personal stories of inquiry and discovery, and Part 4: Academic Expectations describes some of the challenges tutors face when they try to help writers meet readers' specific expectations. Advancing the conversations tutors have with one another and their directors about tutoring second language writers and writing, Tutoring Second Language Writers engages readers with current ideas and issues that highlight the excitement and challenge of working with those who speak English as a second or additional language. Contributors include Jocelyn Amevuvor, Rebecca Day Babcock, Valerie M. Balester, Shanti Bruce, Frankie Condon, Michelle Cox, Jennifer Craig, Kevin Dvorak, Paula Gillespie, Glenn Hutchinson, Pei-Hsun Emma Liu, Bobbi Olson, Pimyupa W. Praphan, Ben Rafoth, Jose L. Reyes Medina, Guiboque Seong, and Elizabeth (Adelay) Witherite.
