The Pediatric Emergency Medicine Resource Marianne Gausche-Hill, 2007 APLS: The Pediatric Emergency Medicine Resource, Revised Fourth Edition offers the information necessary to assess and manage critically ill or injured children during the first hours in the emergency department. The Revised Fourth Edition of APLS is truly the body of knowledge in pediatric emergency medicine. If you want the newest, most comprehensive reference on pediatric emergency medicine, the Revised Fourth Edition will meet your needs. Developed by expert authors, editors, and faculty from both AAP and ACEP, the new APLS is a unique teaching and learning system for individual physicians, residents, students, and APLS instructors and course directors. The Fourth Edition of APLS has been revised and expanded to cover new conclusions drawn from reason, fact, and experience to the benefit of sick and injured children worldwide. Together, AAP and ACEP developed APLS into a new, stand-alone course, offering continuing medical education units and an APLS course completion card. The course is highly interactive with small group scenarios, hands-on skill stations, and case-based lectures.

Reloading for Shotgunners Rick Sapp, 2005-07-29 The Classic Reference - Bigger and Better than Ever One of the most respected reloading texts of all time, Reloading for Shotgunners is now bigger, more comprehensive and more profusely illustrated than ever! This all-new fifth edition includes exhaustive data for lead and non-toxic shot - and it goes well beyond the ho-hum 2-3/4 12-gauge data contained in other books. From .410 bored to 10-gauge magnum, from 2 hulls to the mammoth 3-1/2, if it can be fired in a shotgun, it's in this book! Rick Sapp, co-author of The Gun Digest Book of Trap & Skeet, has outdone himself in creating this masterful compilation of shotgun reloading data. Whether you're a novice shotgunner or a seasoned reloader, you can't afford to be

without this ground-breaking fifth edition of Reloading for Shotgunners.

I Guarantee It George Zimmer,2021-09-21 America knew George Zimmer for one of the most famous slogans in television advertising history: “I guarantee it.” Zimmer rode his promise to lead the Men’s Wearhouse to unimagined success as a retail giant. Now, years removed from his stunning dismissal as leader of the company he founded, I Guarantee It recounts the journey of Zimmer’s rise, the fall of the Men’s Wearhouse, and his personal renewal. For forty-one years, George Zimmer forged a relationship with American men who wanted to like the way they looked without getting too fussy about it. He made them a promise that came straight from the shoulder: “I guarantee it,” he said, and it was ironclad. By the millions, customers walked into The Men’s Wearhouse stores in all fifty states and Canada, where they received “quality, service, and a good price,” where they bought suits, ties, sports coats, and slacks by the tens of billions of dollars. Then a backstabbing — the handpicked board of directors fired Zimmer from the company he had created and developed into the most successful men’s specialty store in world history. Eight years later, Zimmer is back to tell his story: a man raised by a prosperous and loving family, a fun-loving son of the sixties, a merchant, an entrepreneur, a pitchman for the ages. Zimmer’s ouster devastated but did not destroy him. His is a story of hard work and resilience, about a life in business that succeeded beyond belief and followed

the Golden Rule. It's a story that will teach and inspire. He guarantees it.

The Healing Hand Guido Majno, 1975 This journey to the beginnings of the physician's art brings to life the civilizations of the ancient world--Egypt of the Pharaohs, Greece at the time of Hippocrates, Rome under the Caesars, the India of Ashoka, and China as Mencius knew it. Probing the documents and artifacts of the ancient world with a scientist's mind and a detective's eye, Guido Majno pieces together the difficulties people faced in the effort to survive their injuries, as well as the odd, chilling, or inspiring ways in which they rose to the challenge. In asking whether the early healers might have benefited their patients, or only hastened their trip to the grave, Dr. Majno uncovered surprising answers by testing ancient prescriptions in a modern laboratory. Illustrated with hundreds of photographs, many in full color, and climaxing ten years of work, *The Healing Hand* is a spectacular recreation of man's attempts to conquer pain and disease.

Damn Yankees Jerry Ross, Richard Adler, George Abbott, 1956 Musical comedy about a passionate baseball fan who sells his soul to the Devil so that his favorite team can whip the New York Yankees.

Young People, Class and Place Robert MacDonald, Tracy Shildrick, Shane Blackman, 2013-10-18 Under the weight of apparently growing consumer affluence, globalisation and post-modern social theory, many have proclaimed the declining significance of social class and place to young people's lives – and for social science. Drawing upon new, empirically grounded, theoretically innovative studies, this volume begs to differ. It argues that the youth phase provides a privileged vantage point from which to interrogate and think about broader processes of social change and social continuity. These themes are addressed by all the diverse contributions gathered here. The chapters include

investigation of: the problems of growing up in gang neighbourhoods and young people's use of space for leisure; new patterns of class formation and youth transition in Eastern Europe; the effects of classed labels and identities (such as 'chav' and charver') in youth culture and schooling; the changing meanings of class and place for young women in changing socio-economic landscapes; new patterns of youth culture and transition among Black young men in East London; and how we think and theorise about change and continuity in youth studies. Together these new empirical studies and critical theoretical analyses confirm the continuing central importance of class and place in shaping the opportunities, transitions, sub-cultures and life-styles of young people. This book was based on a special issue of *Journal of Youth Studies*.

Youth, Space and Time, 2016-06-27 This book engages with the experience of space and time in youth cultures across the world. Putting together contemporary case studies on young cosmopolitans, young glocals and young protesters in cities on five continents, it analyzes new agoras in global cities.

Global Youth? Pam Nilan, Carles Feixa, 2006-11-22 This innovative collection of studies by international youth researchers, critically addresses questions of 'global' youth, incorporating material from regions as diverse as Sydney, Tehran, Dakar and Manila, and advancing our knowledge about young people around the globe. Exploring specific local youth cultures whilst mediating global mass media and consumption trends, this book traces subaltern 'youth landscapes' and tells subaltern 'youth stories' previously invisible in predominantly western youth cultural studies and theorizing. The chapters here serve as a refutation of the colonialist discourse of cultural globalization. Showcasing previously unpublished youth research from outside the English-speaking world alongside the work of well-known researchers such as Huq and Holden, these accounts of youth cultural practices highlight

much that is predictably different, but also a great deal of common ground. This book goes inside creative cultural formation of youth identities to critically examine the global in the local. Bringing together an internationally diverse group of researchers, who describe and analyze youth cultures throughout Europe, the Americas, Asia, Africa and Oceania, this volume presents the first comprehensive review of global youth cultures, practices and identities, and as such is a valuable read for students and researchers of youth studies, cultural studies and sociology.
