Restful : A 30 Day Adventure Learning to Trust God Completely Meschelle Kolb,2017-04-25 Trust seems like such a simple concept. It is sung about at church and taught to little children in Sunday School. Knowing about trust and actually living it out, though, are two very different things. In, *Restful: A 30 Day Adventure Learning to Trust God Completely*, Meschelle Kolb takes you on a colorful journey of learning to trust God. She tells fun stories that illustrate how trust grows in three stages. First, trust forms through a relationship with God. Next, trust develops as trials come into your life. Ultimately, you can experience true joy as a result of fully trusting in God. Her stories and Bible insight will help you learn how to let go, trust God completely and find rest in Him!

Room 23 Kavita Basi,2018-11-06 Kavita Basi had a wonderful life—a job she enjoyed, a wonderful family, and seemingly perfect health. Then an unexpected event took place and turned her entire world upside down. In *Room 23*, Basi chronicles her time suffering from a subarachnoid hemorrhage—bleeding in the area of the skull surrounding the brain. With this diagnosis, Basi went from being healthy and happy to battling a condition with a 50 percent mortality rate. Following her challenging journey through near death and recovery, this memoir takes an exciting, interactive approach, using QR codes within the chapters so readers can transport themselves to the timeline of what Basi was doing at each moment of her experience, either linking to an Instagram post or video blog—bringing her struggles, and ultimate triumph, alive. 10% of profits will be donated to the Brain

Planet Plutonia Manny Mamuscia,2011-02-18 From my point of view as the author, I would like for my readers to grasp the understanding that there is a Creator, call It by whatever title you like, and that everything in our world and the universes, is that It's all about change. So when change does come into your life, accept it without fear and simply deal with it as it comes along. We, humans, can make change a wonderful part of our lives, without the anxiety coming in and controlling our lives. So, this is a story of our fears, or wants, change, knowing Creator does exist, as do other Beings which, are aware of all the above said, and know their duties to Creator and humanity, and all of life that may exist that we are still unawara of, as yet. I would also like for my readers to know that we, the peoples have all the powers to manifest whatever we desire in our lives and our world - Earth! But first, we have to accept that the possibility exists, and then we have to work on that aspect to manifest whatever we want in our individual life! There is at the least, one major rule in all of exsistence, though: Love is the strongest denominator which exists, and that is what we, the peoples, must focus on becomming - Beings of love, which means, do onto others better than we desire for our individual selfs! This is a fantasy story of truth and fantasy mixed together to elicit what Creator desired me to evok in all humanity. This must be read from beginning to the end to to not miss some important part of the story. Enjoy, and make the changes that you know need be made for your life and those around you to become better than could be hoped. Aloha!
