*Split* Swati Avasthi,2012-01-24 A riveting portrait of life after abuse from an award-winning novelist. Sixteen-Year-Old Jace Witherspoon arrives at the doorstep of his estranged brother Christian with a re-landscaped face (courtesy of his father's fist), \$3.84, and a secret. He tries to move on, going for new friends, a new school, and a new job, but all his changes can't make him forget what he left behind—his mother, who is still trapped with his dad, and his ex-girlfriend, who is keeping his secret. At least so far. Worst of all, Jace realizes that if he really wants to move forward, he may first have to do what scares him most: He may have to go back. Award-winning novelist Swati Avasthi has created a riveting and remarkably nuanced portrait of what happens after. After you've said enough, after you've run, after you've made the split—how do you begin to live again? Readers won't be able to put this intense page-turner down.

*Split Infinity* Piers Anthony,2012-02-14 On the technological, decadent world of Proton, someone was trying to destroy Stile, serf and master Gamesman. His only escape lay through a mysterious "curtain" revealed by a loving robot. Beyond the curtain lay Phaze—a world totally ruled by magic. There, his first

encounter was with an amulet that turned into a demon determined to choke him to death. And there, he soon learned, his alternate self had already been murdered by sorcery, and he was due to be the next victim. "Know thyself!" the infallible Oracle told him. But first he must save himself as he shuttled between worlds. On Proton, his fate depended on winning the great Games. On Phaze, he could survive only by mastering magic. And if he used any magic at all, the werewolf and the unicorn who were his only friends were determined to kill him at once!

**Developing a Spiritual Warfare Mentality in the Midst of the Valley** Stanley R. Saunders,2012-03-02 Developing a Spiritual Warfare Mentality in the Midst of the Valley is a revolutionary look at Spiritual Warfare from a practical point of view. This book is designed to challenge your thinking so that you can function accurately in the midst of any situation that life presents. Hidden in the midst of every valley is the purpose waiting to be discovered. When you learn to think differently, you will discover the wonderful treasure of purpose, which will ultimately bring fulfilment to your life. In this landmark work, Stanley Saunders uses the analogy of two valleys (valley of bad decision and valley of destiny) to stir change in the heart of people. Regardless of what valley you find yourself in this book teaches you how to respond so that you can find meaning and significance to life. Most people are tired of going through the same battles and struggles over and over. Therefore, its time to break that trend by applying the life-changing principles of Gods Word. Are you ready for victory in every area of your life?
