Richard Bassett

Hacker, Hoaxer, Whistleblower, Spy Gabriella Coleman, 2015-10-06 The ultimate book on the worldwide movement of hackers, pranksters, and activists collectively known as Anonymous—by the writer the Huffington Post says “knows all of Anonymous’ deepest, darkest secrets” “A work of anthropology that sometimes echoes a John le Carré novel.” —Wired Half a dozen years ago, anthropologist Gabriella Coleman set out to study the rise of this global phenomenon just as some of its members were turning to political protest and dangerous disruption (before Anonymous shot to fame as a key player in the battles over WikiLeaks, the Arab Spring, and Occupy Wall Street). She ended up becoming so closely connected to Anonymous that the tricky story of her inside-outside status as Anon confidante, interpreter, and erstwhile mouthpiece forms one of the themes of this witty and entirely engrossing book. The narrative brims with details unearthed from within a notoriously mysterious subculture, whose semi-legendary tricksters—such as Topiary, tflow, Anachaos, and Sabu—emerge as complex, diverse, politically and culturally sophisticated people. Propelled by years of chats and encounters with a multitude of hackers, including imprisoned activist Jeremy Hammond and the double agent who helped put him away, Hector Monsegur, *Hacker, Hoaxer, Whistleblower, Spy* is filled with insights into the meaning of digital activism and little understood facets of culture in the Internet age, including the history of “trolling,” the ethics and metaphysics of hacking, and the origins and manifold meanings of “the lulz.”

Ethics of Spying Jan Goldman, 2006 Intelligence professionals are employees of the government working in a business that some would consider unethical—the business of

spying. This book looks at the dilemmas that exist when one is asked to perform a civil service that is in conflict with what that individual believes to be ethical. This is the first book to offer the best essays, articles, and speeches on ethics and intelligence that demonstrate the complex moral dilemmas in intelligence collection, analysis, and operations that confront government employees. Some are recently declassified and never before published, and all are written by authors whose backgrounds are as varied as their insights, including Robert M. Gates, former Director of the Central Intelligence Agency; John P. Langan, the Joseph Cardinal Bernardin Professor of Catholic Social Thought at the Kennedy Institute of Ethics, Georgetown University; and Loch K. Johnson, Regents Professor of Political Science at the University of Georgia and recipient of the Owens Award for contributions to the understanding of U.S. intelligence activities. To the intelligence professional, this is a valuable collection of literature for building an ethical code that is not dependent on any specific agency, department, or country. Managers, supervisors, and employees of all levels should read this book. Creating the foundation for the study of ethics and intelligence by filling in the gap between warfare and philosophy, *Ethics of Spying* makes the statement that the intelligence professional has ethics.

The Quincunx Charles Palliser, 1990-11-27 An extraordinary modern novel in the Victorian tradition, Charles Palliser has created something extraordinary—a plot within a plot within a plot of family secrets, mysterious clues, low-born birth, high-reaching immorality, and, always, always the fog-enshrouded, enigmatic character of 19th century—London itself. “So compulsively absorbing that reality disappears . . . One is swept along by those enduring emotions that defy modern art and a random universe:

hunger for revenge, longing for justice and the fantasy secretly entertained by most people that the bad will be punished and the good rewarded.”—The New York Times “A virtuoso achievement . . . It is an epic, a tour de force, a staggeringly complex and tantalizingly layered tale that will keep readers engrossed in days. . . . The Quincunx will not disappoint you. It is, quite simply, superb.”—Chicago Sun-Times “A bold and vivid tale that invites the reader to get lost in the intoxicating rhythms of another world. And the invitation is irresistible.”—San Francisco Chronicle “A remarkable book . . . In mood, color, atmosphere and characters, this is Charles Dickens reincarnated . . . It is an immersing experience.”—Los Angeles Times Book Review “To read the first pages is to be trapped for seven-hundred odd more: you cannot stop turning them.”—The New Yorker “Few books, at most a dozen or two in a lifetime, affect us this way. . . . For sheer intricacy and ingenuity, for skill and clarity of storytelling, it is the kind of book readers wait for, a book to get lost in.”—The Philadelphia Inquirer

The Shadow Factory James Bamford, 2009-07-14 James Bamford has been the preeminent expert on the National Security Agency since his reporting revealed the agency’s existence in the 1980s. Now Bamford describes the transformation of the NSA since 9/11, as the agency increasingly turns its high-tech ears on the American public. The Shadow Factory reconstructs how the NSA missed a chance to thwart the 9/11 hijackers and details how this mistake has led to a heightening of domestic surveillance. In disturbing detail, Bamford describes exactly how every American’s data is being mined and what is being done with it. Any reader who thinks America’s liberties are being protected by Congress will be shocked and appalled at what is revealed here.

Olivia Joules and the Overactive Imagination Helen Fielding, 2005-04-26 At the close of the last millennium, Helen Fielding debuted the irrepressible (and blockbuster-bestselling) Bridget Jones. Now, Fielding gives us a sensational new heroine for a new era...Move over 007, a stunning, sexy-and decidedly female-new player has entered the world of international espionage. Her name is Olivia Joules (that's J.O.U.L.E.S. the unit of kinetic energy) and she's ready to take America by storm with charm, style, and her infamous Overactive Imagination. How could a girl not be drawn to the alluring, powerful Pierre Ferramo-he of the hooded eyes, impeccable taste, unimaginable wealth, exotic international homes, and dubious French accent? Could Ferramo really be a major terrorist bent on the Western world's destruction, hiding behind a smokescreen of fine wines, yachts, and actresses slash models? Or is it all just a product of Olivia Joules's overactive imagination? Join Olivia in her heart-stopping, hilarious, nerve-frazzling quest from hip hotel to eco-lodge to underwater cave, by light aircraft, speedboat, helicopter, and horse, in this witty, contemporary, and utterly unputdownable novel deluxe.

The Best of the Best of Uncle John's Bathroom Reader Bathroom Readers' Institute, 2012-09-01 The wittiest, wackiest, and most popular selections from the last 12 years in the best-selling Uncle John's Bathroom Reader series. We stuffed the best stuff we've ever written into 576 glorious pages. Result: pure bathroom-reading bliss! You're just a few clicks away from the most hilarious, head-scratching material that has made Uncle John's Bathroom Reader an unparalleled publishing phenomenon. As always, the articles are divided into short, medium, and long for your sitting convenience. So treat yourself to the best of history, science, politics, and pop culture--plus the dumbest of the

dumb crooks, the strangest of the strange lawsuits, and loads more, including . . . * The Barbados Tombs * The Lonely Phone Booth * The Origin of the Supermarket * The History of the IQ Test * Robots in the News * Tennessee's Body Farm * Happy Donut Day! * The Origin of Nachos * The Birth of the Submarine * A Viewer's Guide to Rainbows * How the Mosquito Changed History And much, much more!

Customary International Humanitarian Law Jean-Marie Henckaerts, Carolin Alvermann, Comité international de la Croix-Rouge, 2005-03-03 Customary International Humanitarian Law, Volume I: Rules is a comprehensive analysis of the customary rules of international humanitarian law applicable in international and non-international armed conflicts. In the absence of ratifications of important treaties in this area, this is clearly a publication of major importance, carried out at the express request of the international community. In so doing, this study identifies the common core of international humanitarian law binding on all parties to all armed conflicts. Comment Don:RWI.

Radicalization in the West Mitchell D. Silber, Arvin Bhatt, 2007

Freedom in the World 2008 Freedom House (U.S.), 2008 A survey of the state of human freedom around the world investigates such crucial indicators as the status of civil and political liberties and provides individual country reports.

Strategic Warning Intelligence John A. Gentry, Joseph S. Gordon, 2019-03-01 John A. Gentry and Joseph S. Gordon update our understanding of strategic warning intelligence analysis for the twenty-first century. Strategic warning—the process of long-range analysis to alert senior leaders to trending threats and opportunities that require action—is a critical intelligence function. It also is frequently misunderstood and underappreciated.

Gentry and Gordon draw on both their practitioner and academic backgrounds to present a history of the strategic warning function in the US intelligence community. In doing so, they outline the capabilities of analytic methods, explain why strategic warning analysis is so hard, and discuss the special challenges strategic warning encounters from senior decision-makers. They also compare how strategic warning functions in other countries, evaluate why the United States has in recent years emphasized current intelligence instead of strategic warning, and recommend warning-related structural and procedural improvements in the US intelligence community. The authors examine historical case studies, including postmortems of warning failures, to provide examples of the analytic points they make. Strategic Warning Intelligence will interest scholars and practitioners and will be an ideal teaching text for intermediate and advanced students.

The Routledge International Handbook of Universities, Security and Intelligence Studies Liam Francis Gearon, 2019-10-08 In an era of intensified international terror, universities have been increasingly drawn into an arena of locating, monitoring and preventing such threats, forcing them into often covert relationships with the security and intelligence agencies. With case studies from across the world, the Routledge International Handbook of Universities, Security and Intelligence Studies provides a comparative, in-depth analysis of the historical and contemporary relationships between global universities, national security and intelligence agencies. Written by leading international experts and from multidisciplinary perspectives, the Routledge International Handbook of Universities, Security and Intelligence Studies provides theoretical, methodological and empirical definition to academic, scholarly and research

enquiry at the interface of higher education, security and intelligence studies. Divided into eight sections, the Handbook explores themes such as: the intellectual frame for our understanding of the university-security-intelligence network; historical, contemporary and future-looking interactions from across the globe; accounts of individuals who represent the broader landscape between universities and the security and intelligence agencies; the reciprocal interplay of personnel from universities to the security and intelligence agencies and vice versa; the practical goals of scholarship, research and teaching of security and intelligence both from within universities and the agencies themselves; terrorism research as an important dimension of security and intelligence within and beyond universities; the implication of security and intelligence in diplomacy, journalism and as an element of public policy; the extent to which security and intelligence practice, research and study far exceeds the traditional remit of commonly held notions of security and intelligence. Bringing together a unique blend of leading academic and practitioner authorities on security and intelligence, the Routledge International Handbook of Universities, Security and Intelligence Studies is an essential and authoritative guide for researchers and policymakers looking to understand the relationship between universities, the security services and the intelligence community.

World Report 2019 Human Rights Watch, 2019-02-05 The best country-by-country assessment of human rights. The human rights records of more than ninety countries and territories are put into perspective in Human Rights Watch's signature yearly report. Reflecting extensive investigative work undertaken by Human Rights Watch staff, in close partnership with domestic human rights activists, the annual World Report is an

invaluable resource for journalists, diplomats, and citizens, and is a must-read for anyone interested in the fight to protect human rights in every corner of the globe.

Fast Food Nation Eric Schlosser, 2012 An exploration of the fast food industry in the United States, from its roots to its long-term consequences.

The Restoration Game Ken MacLeod, 2011-09-27 There is no such place as Krassnia. Lucy Stone should know—she was born there. In that tiny, troubled region of the former Soviet Union, revolution is brewing. Its organizers need a safe place to meet, and where better than the virtual spaces of an online game? Lucy, who works for a start-up games company in Edinburgh, has a project that almost seems made for the job: a game inspired by *The Krassniad*, an epic folk tale concocted by Lucy's mother, Amanda, who studied there in the 1980s. Lucy knows Amanda is a spook. She knows her great-grandmother Eugenie also visited the country in the 1930s and met the man who originally collected Krassnian folklore, and who perished in Stalin's terror. As Lucy digs up details about her birthplace to slot into the game, she finds the open secrets of her family's past, the darker secrets of Krassnia's past—and hints about the crucial role she is destined to play in *The Restoration Game*. Combining international intrigue with cutting-edge philosophical speculation, romance with adventure, and online gaming with real-life consequences, this book delivers as science fiction and as a sharp take on our present world from the viewpoint of a complex, engaging heroine who has to fight her way through a maze of political and family manipulation to take control of her own life. From the Trade Paperback edition.

Hitler's Spy Chief Richard Bassett, 2012-06-05 A remarkable tale of espionage and

intrigue—the true story of Hitler’s intelligence chief and his role in the conspiracy to assassinate the Führer. Admiral Wilhelm Canaris was appointed by Adolf Hitler to head the Abwehr (the German secret service) eighteen months after the Nazis came to power. But Canaris turned against the Führer and the Nazi regime, believing that Hitler would start a war Germany could not win. In 1938 he was involved in an attempted coup, undermined by British Prime Minister Neville Chamberlain. In 1940 he sabotaged the German plan to invade England, and fed General Franco vital information that helped him keep Spain out of the war. For years he played a dangerous double game, desperately trying to keep one step ahead of the Gestapo. The SS chief, Heinrich Himmler, became suspicious of Canaris and by 1944, when Abwehr personnel were involved in the attempted assassination of Hitler, he had the evidence to arrest Canaris himself. Canaris was executed a few weeks before the end of the war. In a riveting true story of intrigue and espionage, Richard Bassett reveals how Admiral Canaris’s secret work against the German leadership changed the course of World War II.

Requiem For a Glass Heart David Lindsey, 2009-07-29 REVENGE CAN BE ECSTASY. Irina Ismaylova is a sexual assassin, luring men and women to her bed...and their death. From St. Petersburg to Paris, she kills not for money or for pleasure, but under orders from the Russian mafioso who holds her in thrall. Desperate to buy back what is left of her shattered life, Irina must carry out one last mission.... Cate Cuevas is a special agent in Houston's FBI office. Devastated by her husband's death--and his betrayal--she has plunged into the most dangerous assignment of her career. But to succeed, she must form a secret and profoundly intimate alliance with the enemy: Irina Ismaylova. Two

women. One a cop. The other a killer. For these two there is no right, no wrong, no rules. Only the truth...and terror.

Understanding Cyber Conflict George Perkovich, Ariel Levite, 2017 Analogies help us think, learn, and communicate. The fourteen case studies in this volume help readers make sense of contemporary cyber conflict through historical analogies to past military-technological problems. The chapters are divided into three groups. The first--What Are Cyber Weapons Like?--examines the characteristics of cyber capabilities and how their use for intelligence gathering, signaling, and precision strike compares with earlier technologies for such missions. The second section--What Might Cyber Wars Be Like?--explores how lessons from several wars since the early 19th century, including the World Wars, could apply or not apply to cyber conflict in the 21st century. The final section--What Is Preventing and/or Managing Cyber Conflict Like?--offers lessons from 19th and 20th century cases of managing threatening actors and technologies.

Logical Reasoning Bradley Harris Dowden, 1993 This book is designed to engage students' interest and promote their writing abilities while teaching them to think critically and creatively. Dowden takes an activist stance on critical thinking, asking students to create and revise arguments rather than simply recognizing and criticizing them. His book emphasizes inductive reasoning and the analysis of individual claims in the beginning, leaving deductive arguments for consideration later in the course.

The Spy's Son Bryan Denson, 2015-05-05 The true account of the Nicholsons, the father and son who sold national secrets to Russia. "One of the strangest spy stories in American history" (Robert Lindsey, author of *The Falcon and the Snowman*). Investigative

reporter and Pulitzer Prize finalist Bryan Denson tells the riveting story of the father and son co-conspirators who betrayed the United States. Jim Nicholson was one of the CIA's top veteran case officers. By day, he taught spycraft at the CIA's clandestine training center, The Farm. By night, he was a minivan-driving single father racing home to have dinner with his kids. But Nicholson led a double life. For more than two years, he had met covertly with agents of Russia's foreign intelligence service and turned over troves of classified documents. In 1997, Nicholson became the highest-ranking CIA officer ever convicted of espionage. But his duplicity didn't stop there. While behind the bars of a federal prison, the former mole systematically groomed the one person he trusted most to serve as his stand-in: his youngest son, Nathan. When asked to smuggle messages out of prison to Russian contacts, Nathan saw an opportunity to be heroic and to make his father proud. "Filled with fascinating details of the cloak-and-dagger techniques of KGB and CIA operatives, double agents, and spy catchers . . . A poignant and painful tale of family love, loyalty, manipulation and betrayal." —The Oregonian

The Russian Way of War Department of Department of the Army, 2019-07-17
PRINTED IN COLOR - The Russian Way of War - Force Structure, Tactics, and Modernization of the Russian Ground Forces Published by the U.S. Army Training and Doctrine Command G2's Foreign Military Studies Office in 2016, this book picks up where the FM 100-2 series left off and discusses Russian military structure, capabilities, and future development. Includes July 2019 BONUS materials on the following: *1K17 Szhatie (1K17 Сжатие) Russian Stiletto Laser Tank *Combat Laser System (Peresvet) Russian Laser Cannon *T-14 Armata Main Battle Tank *T-15 Heavy Infantry Combat Vehicle

*Kurganets-25 Light Tracked Armored Vehicle *2S35 Koalitsiya-SV 152-mm Self-Propelled Howitzer *VPK-7829 Bumerang Modular Infantry Wheeled Fighting Vehicle Why buy a book you can download for free? We print the paperback book so you don't have to. First you gotta find a good clean (legible) copy and make sure it's the latest version (not always easy). Some documents found on the web are missing some pages or the image quality is so poor, they are difficult to read. If you find a good copy, you could print it using a network printer you share with 100 other people (typically its either out of paper or toner). If it's just a 10-page document, no problem, but if it's 250-pages, you will need to punch 3 holes in all those pages and put it in a 3-ring binder. Takes at least an hour. It's much more cost-effective to just order the bound paperback from Amazon.com This book includes original commentary which is copyright material. Note that government documents are in the public domain. We print these paperbacks as a service so you don't have to. The books are compact, tightly-bound paperback, full-size (8 1/2 by 11 inches), with large text and glossy covers. 4th Watch Publishing Co. is a SDVOSB.

Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Spyking Home Spy 2012 411 Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Spyking Home Spy 2012 411 : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Spyking Home Spy 2012 411 : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free

downloadable books. Free-eBooks Spyking Home Spy 2012 411 Offers a diverse range of free eBooks across various genres. Spyking Home Spy 2012 411 Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Spyking Home Spy 2012 411 Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Spyking Home Spy 2012 411, especially related to Spyking Home Spy 2012 411, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Spyking Home Spy 2012 411, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some

Spyking Home Spy 2012 411 books or magazines might include. Look for these in online stores or libraries. Remember that while Spyking Home Spy 2012 411, sharing copyrighted material without permission is not legal. Always ensure you're either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Spyking Home Spy 2012 411 eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Spyking Home Spy 2012 411 full book, it can give you a

taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Spyking Home Spy 2012 411 eBooks, including some popular titles.

FAQs About Spyking Home Spy 2012 411 Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However,

make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Spyking Home Spy 2012 411 is one of the best book in our library for free trial. We provide copy of Spyking Home Spy 2012 411 in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Spyking Home Spy

2012 411. Where to download Spyking Home Spy 2012 411 online for free? Are you looking for Spyking Home Spy 2012 411 PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Spyking Home Spy 2012 411. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Spyking Home Spy 2012 411 are for sale to free while some are payable. If you arent sure if the books you would like to download works

with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Spyking Home Spy 2012 411. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Spyking Home Spy 2012 411 To get started finding Spyking Home Spy

2012 411, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Spyking Home Spy 2012 411 So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Spyking Home Spy 2012 411. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Spyking Home Spy 2012 411, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Spyking Home Spy 2012 411 is available in our book collection an online access to it is set as public so you

can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Spyking Home Spy 2012 411 is universally compatible with any devices to read.
