Michael Capuzzo

The Unofficial BTS Bible Dianne Pineda-Kim, 2020-11-03 Join BTS's ARMY and learn the history of the international K-POP sensation! BTS (aka Bangtan Sonyeondan) has become one of K-POP's most well-known singing groups. The seven-member Korean boy band formed in 2013 and has slowly grown to worldwide fame through their music. Despite slow beginnings, the K-POP group now has millions of listeners around the world. They led the Korean Wave of music into the United States in 2017, and as of 2019, they are the only Korean group to top the US Billboard 200, and the first group since the Beatles to have three number-one albums in less than a year. BTS is also known for breaking the mold of K-POP, including social topics such as mental health, individualism, and social commentary in their hip-hop lyrics. TIME Magazine named the Korean Pop group as one of the 25 most influential people on the internet and named them as one of TIME's 100 most influential people of 2019. In the BTS Bible, you'll learn everything you could want to know about the sensational singing group, including: Individual member profiles Band concept and style History of their six-year rise to fame Chart-topping songs and videos Interviews with worldwide fans and music experts And more! Don't get left behind in the wake of the BTS success. Read all about the K-POP group that is changing the face of international music in the Unofficial BTS Bible.

Close to Shore Michael Capuzzo, 2002-05-21 Combining rich historical detail and a harrowing, pulse-pounding narrative, *Close to Shore* brilliantly re-creates the summer of 1916, when a rogue Great White shark attacked swimmers along the New Jersey shore, triggering mass hysteria and launching the most extensive shark hunt in history. In July 1916 a lone Great White left its usual deep-ocean habitat and headed in the direction of the New Jersey shoreline. There, near the towns of Beach Haven and Spring Lake--and, incredibly, a farming community eleven miles inland--the most ferocious and unpredictable of predators began a deadly rampage: the first shark attacks on swimmers in U.S. history. Capuzzo interweaves a vivid portrait of the era and meticulously drawn characters with chilling accounts of the shark's five attacks and the frenzied hunt that ensued. From the unnerving inevitability of the first attack on the esteemed son of a prosperous Philadelphia physician to the spine-tingling moment when a farm boy swimming in Matawan Creek feels the sandpaper-like skin of the passing shark, *Close to Shore* is an undeniably gripping saga. Heightening the drama are stories of the resulting panic in the citizenry, press and politicians, and of colorful personalities such as Herman Oelrichs, a flamboyant millionaire who made a bet that a shark was no match for a man (and set out to prove it); Museum of Natural History ichthyologist John Treadwell Nichols, faced with the challenge of stopping a mythic sea creature about which little was known; and, most memorable, the rogue Great White itself moving through a world that couldn't conceive of either its destructive power or its moral right to destroy. Scrupulously researched and superbly written, *Close to Shore* brings to life a breathtaking, pivotal moment in American history. Masterfully written and suffused with fascinating period detail and insights into the science and behavior of sharks, *Close to Shore* recounts a breathtaking, pivotal moment in American history with startling immediacy.

Getting the books **Spyking Keylogger Spy 411** now is not type of challenging means. You could not lonesome going afterward ebook addition or library or borrowing from your links to admission them. This is an enormously simple means to specifically get lead by on-line. This online revelation Spyking Keylogger Spy 411 can be one of the options to accompany you with having new time.

It will not waste your time. agree to me, the e-book will agreed proclaim you additional event to read. Just invest little period to approach this on-line broadcast **Spyking Keylogger Spy 411** as with ease as evaluation them wherever you are now.
