**PlantYou** Carleigh Bodrug, 2022 Tacos, pizza, wings, pasta, hearty soups, and crave-worthy greens-for some folks looking for a healthier way of eating, these dishes might all seem, well, off the table. Carleigh Bodrug has shown hundreds of thousands of people that that just isn't true. Like so many of us, Carleigh thought that eating healthy meant preparing the same chicken breast and broccoli dinner every night. Her skin and belly never felt great, but she thought she was eating well--until a family health scare forced

her to take a hard look at her diet and start cooking and sharing recipes. Fast forward, and her @plantyou brand continues to grow and grow, reaching +470k followers in just a few short years. Her secret? Easy, accessible recipes that don't require any special ingredients, tools, or know-how; what really makes her recipes stand out are the helpful infographics that accompany them, which made it easy for readers to measure ingredients, determine portion size, and become comfortable enough to personalize recipes to their tastes. Now in her debut cookbook, Carleigh redefines what it means to enjoy a plant-based lifestyle with delicious, everyday recipes that anyone can make and enjoy. With mouthwatering dishes like Bewitchin' Breakfast Cookies, Rainbow Summer Rolls, Irish Stew, and Tahini Chocolate Chip Cookies, this cookbook fits all tastes and budgets. PlantYou is perfect for beginner cooks, those wishing to experiment with a plant-based lifestyle, and the legions of flexitarians who just want to be healthy and enjoy their meals--

InforMed,Rhienna Guedry,2012-03-21 The Pet

Emergency Pocket Guide is a practical reference for pet owners that provides complete planning, response and survival guidelines for both common and uncommon pet emergencies, presented in an easy to use and convenient pocket-sized format. This compact tool delivers step-by-step instructions for daily care, first aid, illness and injury assessment, emergency planning, and natural disaster preparation and survival. It features tabbed, color-coded and illustrated sections that make it easy to use, with checklists and inventory lists for creating your own pet emergency, travel, and evacuation kits. This new Second Edition features the following: Updated content as suggested by emergency veterinarians Expanded Glossary of Signs & Conditions, including new entries and illustrations Reorganized content and tabs for ease-of-use Updated toxic food list and detailed reactions for dogs Information about preventing dog bites and scratches, as well as how to break up dog fights 3 pages of common plants that are poisonous to cats New section for 'Pocket Pets', including basic information and signs and conditions for ferrets, guinea pigs, hamsters, gerbils, mice, rats, rabbits, birds, fish, turtles and snakes New graphics, charts and an updated design

**Popular Science** ,1959-06 Popular Science gives our readers the information and tools to improve their technology and their world. The core belief that Popular Science and our readers share: The future is going to be better, and science and technology are the driving forces that will help make it better.

**Cook This Book** Molly Baz, 2021-04-20 NEW YORK TIMES BESTSELLER • A thoroughly modern guide to becoming a better, faster, more creative cook, featuring fun, flavorful recipes anyone can make. ONE OF THE BEST COOKBOOKS OF THE YEAR: NPR, Food52, Taste of Home “Surprising no one, Molly has written a book as smart, stylish, and entertaining as she is.”—Carla Lalli Music, author of *Where Cooking Begins* If you seek out, celebrate, and obsess over good food but lack the skills and confidence necessary to make it at home, you’ve just won a ticket to a life filled with supreme deliciousness. *Cook This Book* is a new kind of foundational cookbook from Molly Baz, who’s here to teach you absolutely everything she knows and equip you with the tools to become a better, more efficient cook. Molly breaks the essentials of cooking down to clear and uncomplicated recipes that deliver big flavor with little effort and a side of education, including dishes like Pastrami Roast Chicken with Schmaltzy Onions and Dill, Chorizo and Chickpea Carbonara, and of course, her signature Cae Sal. But this is not your average cookbook. More than a collection of recipes, *Cook This Book* teaches you the invaluable superpower of improvisation through visually compelling lessons on such topics as the importance of salt and how to balance flavor, giving you all the tools necessary to make food taste great every time. Throughout, you’ll encounter dozens of QR codes, accessed through the camera app on your smartphone, that link to short technique-driven videos hosted by Molly to help illuminate some of the trickier skills. As Molly

says, "Cooking is really fun, I swear. You simply need to set yourself up for success to truly enjoy it." Cook This Book will help you do just that, inspiring a new generation to find joy in the kitchen and take pride in putting a home-cooked meal on the table, all with the unbridled fun and spirit that only Molly could inspire.
