A national directory of 911 systems B. K. Yamaoka,1980

9-1-1 What Is Your Emergency? Lucia,2013-11-21 This book contains actual 911 emergency and non-emergency calls that came into the San Diego Police Department Communications Division during my 19 years as a Police 911 Dispatcher. This book represents the calls received as accurately as possible. I did not embellish them to make them funnier or more exciting. These are actual calls, often unbelievable, but they are real calls. This book is a way for me to portray the real world of a 911 dispatcher. As you read through the book, I hope you can get a sense of the many emotions that I felt during the course of each shift. As you can imagine, the majority of calls received were true emergencies. I chose mostly the light hearted calls that would make you come away from the book with a smile, instead of a heavy heart. The Dark Side is the chapter in this book I devoted to the more serious, violent type of calls we get on a daily basis. Many of these calls may shock you, and have you scratching your head thinking...OMG really?! I hope you enjoy this book.
