Then congratulations, because just in time for the death of the print industry as we know it comes the final book ever published, and the only one you will ever need: The Onion's compendium of all things known. Replete with an astonishing assemblage of facts, illustrations, maps, charts, threats, blood, and additional fees to edify even the most simple-minded book-buyer, THE ONION BOOK OF KNOWN KNOWLEDGE is packed with valuable information-such as the life stages of an Aunt; places to kill one's self in Utica, New York; and the dimensions of a female bucket, or pail. City of Heroes: The Freedom Phalanx Perseus,2006-05-23 Despair stalks the streets of Paragon City. Five decades after Statesman and his allies first formed the Freedom Phalanx, that legendary group of heroes is no more and power-mad villains stand poised on the brink of ultimate victory. The fledgling hero Positron has a plan to stop them: rebuild the Freedom Phalanx. But the world's mightiest champions no longer see the point of battling alongside others, not when they have their own private wars to wage and personal demons to conquer. For Positron to forge a new Freedom Phalanx and save Paragon City from the schemes of the dreaded Tyranny Legion, he must first save Statesman, Manticore, and the other crime-busting legends from their greatest enemies--themselves.-Back cover.

Faith In Hand Samantha Martin,2022-02-25 A prevailing light over darkness. This book is a non-fictional story of intrigue, mystery and unimaginable accounts of my younger years, through to adulthood, experiencing times of unthinkable events that will stretch your belief in all directions. What initially seemed normal to an innocent child soon became apparent that this was not the case. These experiences didn't happen to everyone. This was not something that most people would encounter. The paranormal intensity became ever stronger, leaving a troubled mind, feelings of loneliness in a world that not all could see and hear. I was living in a world normally watched on a big screen, but to me, this was as real as it gets. Bedtime brought its own horror. Keeping my family and faith close by, I learnt to be strong and stand firm in the adversity of fear. This is my story about the visitations I've had over the years from the unknown realms known to us all as heaven and hell.
