*Money in One Lesson* Gavin Jackson, 2022-01-20 'Superb' - Tim Harford, author of *How to Make the World Add Up* Money is essential to the economy and how we live our lives, yet is inherently worthless. We can use it to build a home or send us to space, and it can lead to the rise and fall of empires. Few innovations have had such a huge impact on the development of humanity, but money is a shared fiction; a story we believe in so long as others act as if it is true. Money is rarely out of the headlines – from the invention of cryptocurrencies to the problem of high inflation, extraordinary interventions by central banks and the power the West has over the worldwide banking system. In *Money in One Lesson*, Gavin Jackson answers the most important questions on what money is and how it shapes our world, drawing on vivid examples from throughout history to demystify and show how societies and its citizens, both past and present, are always entwined with matters of money. 'A highly illuminating, well-researched and beautifully written book on one of humanity's most important innovations' – Martin Wolf, chief economics commentator, Financial Times

**The Precinct 11 Collection: The Brotherhood / The Betrayal / The Breakthrough** Jerry B. Jenkins, 2016-11-08 This collection bundles all three of bestselling author Jerry B. Jenkins’s Precinct 11 crime/suspense novels into one e-book for a great value! #1 The Brotherhood Boone Drake has it made. He’s a young cop rising rapidly through the ranks of the Chicago Police Department. He has a beautiful wife and a young son, a nice starter house, a great partner, and a career plan that should land him in the Organized Crime Division within five years. Everything is going right. Until everything goes horribly, terribly wrong. His personal life destroyed and his career and future in jeopardy, Boone buries himself in guilt and bitterness as his life spirals out of control. But when he comes face-to-face with the most vicious gang leader Chicago has seen in decades, he begins to realize that God is a God of second chances and can change the hardest heart . . . and forgive the worst of crimes. A thought-provoking police thriller from New York Times best-selling author Jerry B. Jenkins. #2 The Betrayal Detective Boone Drake has just masterminded the most massive sting in Chicago history, bringing down the heads of not only the biggest street gangs in the city but also the old crime syndicate. The story is the biggest in decades, and the Chicago Police Department must protect the key witness at all costs. Despite top-secret plans to transfer the witness ahead of his testimony before the grand jury, an attempt is made on his life. And the person suspected of leaking this information may be one of the CPD’s own. #3 The Breakthrough As the youngest bureau chief and head of the Chicago Police Department’s Major Case Squad, Boone Drake seems to have it all under control. Only those closest to him know that just a few short years ago, he lost everything that mattered to him in a tragic accident. After years of healing, his life is back on track. He recently married a wonderful woman named Haeley, adopted her son, bought a beautiful home, and rediscovered his faith. But Boone can’t fight the feeling that something is about to go terribly wrong . . . again. When an all-too-personal case takes Boone to Beijing at a time when Haeley can least afford to let him go, Boone is forced to make a difficult choice. There he becomes enmeshed in a dangerous human-

trafficking ring that takes him through the famed Hutong District's narrow streets, alleys, and hovels. Teamed with a former Liberation Army officer, Boone has one chance to pull off an elaborate sting and rescue a young boy before he disappears forever.
