The Little Hotel Christina Stead,1975 'If you knew what happens in the hotel every day! Not a day passes but something happens.' With these words the shrewd young proprietress of a modest Swiss hotel opens her account of the remarkable day-to-day events in her establishment. Little escapes here eye, still less her ear; for she is a good listener, and 'people come to confide in you. They tell you things they would not tell their own parents and friends, not even their lawyers and doctors. The period is the late 1940s. Many of Mme Bonnard's patrons are on the run from some real or imagined horror: from the Russians, from the dreaded Labour Government, from a husband bent on murder, from loneliness or madness ... '.--Goodreads.

In 2016, comics intended for an adult readership are reviewed favorably in the New York Times, enjoy panels devoted to them at Book Expo America, and sell in bookstores comparable to prose efforts of similar weight and intent. We Told You So: Comics as Art is an oral history about Fantagraphics Books' key role in helping build and shape an art movement around a discredited, ignored and fading expression of Americana. Evidence points in every direction, even toward the famed fart-joke author himself and Thor, god of Thunder. Yep, things get more than a little wacky. Is it all just a ruse to boost C.T.'s book sales or is there a sinister plot beneath it all? Will Austin serve twenty five to life or will the most evil wizard in history give him a death sentence? And why does Thor's hammer smell like Austin's butt? It's not really that important to the story, but still, it's mysterious. Can Austin find his inner super hero to save the day? Beyond Mars Jack Williamson,2015 Beyond Mars is one of the rarest Sunday adventure strips. Created in 1952 it only appeared in a single newspaper, the New York Sunday News--an attempt to boost circulation at the time when television was just starting to hurt Sunday newspaper sales... Alone among science fiction strips of the era, it was written by a bona fide science fiction star--Jack Williamson, and drawn by Lee Elias, one of the great purveyors of Good Girl Art. NOMINATED FOR THE EISNER AWARD FOR BEST COMIC STRIP COLLECTION.

Another World Patricia Mainardi,2017-03-14 The remarkable story of the stylistic, cultural, and technical innovations that drove the surge of comics, caricature, and other print media in 19th-century Europe Taking its title from the 1844 visionary graphic novel by J. J. Grandville, this groundbreaking book explores the invention of print media—including comics, caricature, the illustrated press, illustrated books, and popular prints—tracing their development as well as the aesthetic, political, technological, and cultural issues that shaped them. The explosion of imagery from the late 18th century to the beginning of the 20th exceeded the print production from all previous centuries combined, spurred the growth of the international art market, and encouraged the cross-fertilization of media, subjects, and styles. Patricia Mainardi examines scores of imaginative and innovative prints, focusing on highly experimental moments of discovery, when artists and publishers tested the limits of each new medium, creating visual languages that extend to the comics and graphic novels of today. Another World unearths a wealth of visual material, revealing a history of how our image-saturated world came into being, and situating the study of print culture firmly within the context of art history.

Star Hawks, Vol. 1: 1977-1978 Ron Goulart,2017 Comic book artist Gil Kane and science fiction writer Ron Goulart created Star Hawks. Star Hawks offered readers wit, action, and was presented, in its daily form, in two tiers, just like a Sunday strip.
