The Brazilian Jiu Jitsu Globetrotter Christian Graugart,2012-11-13 I didn't care about what would happen. He might win the match, but he could never beat me. I was living my dream, traveling the world with complete freedom. Nothing could put me down. The play button was pressed again. My opponent took my back and I tapped to a bow and arrow choke. I laughed and shook his hand, as I stood back up. I was out of the competition. Everything was perfect. Life couldn't be better. After a training partner commits suicide, Christian Graugart feels obliged to do something with his life. Starting his own gym, dedicating almost all his time to the art of BJJ, alters everything, including the way he sees himself. The Brazilian Jiu Jitsu Globetrotter is not only a story about traveling and training in martial arts. It's about all the things that can happen to you if you choose to truly stay alive until you actually die.

The Queens of Animation Nathalia Holt,2019-10-22 From the bestselling

author of Rise of the Rocket Girls, the untold, richly detailed story of the women of Walt Disney Studios, who shaped the iconic films that have enthralled generations (Margot Lee Shetterly, New York Times bestselling author of Hidden Figures). From Snow White to Moana, from Pinocchio to Frozen, the animated films of Walt Disney Studios have moved and entertained millions. But few fans know that behind these groundbreaking features was an incredibly influential group of women who fought for respect in an often

ruthless male-dominated industry and who have slipped under the radar for decades. In *The Queens of Animation*, bestselling author Nathalia Holt tells their dramatic stories for the first time, showing how these women infiltrated the boys' club of Disney's story and animation departments and used early technologies to create the rich artwork and unforgettable narratives that have become part of the American canon. As the influence of Walt Disney Studios grew -- and while battling sexism, domestic abuse, and workplace intimidation -- these women also fought to transform the way female characters are depicted to young audiences. With gripping storytelling, and based on extensive interviews and exclusive access to archival and personal documents, *The Queens of Animation* reveals the vital contributions these women made to Disney's Golden Age and their continued impact on animated filmmaking, culminating in the record-shattering *Frozen*, Disney's first female-directed full-length feature film.
