The Giant's Captive Lidiya Foxglove,2021-08-31 Did you come here to seduce me, little mite? I think you leave me no choice but to teach you a lesson. I'm the tallest unmarried girl in my village...and also taller than all the boys. This did nothing for my prospects of finding love. So instead, I went off to seek my fortune. It led me to a circus by the sea...and rumors of the last living giant. Apparently, he doesn't much care for people, but the ringmaster offers me riches beyond my dreams if I can entice him to come down from his home in the forest. Well, it was fortune I was seeking, and fortune I'm determined to find, so I climb the magic beanstalk to his hidden home, but...the giant is not amused by my plan. At all. And it turns out, his home is one big trap of faery vines. I'm snared by an antisocial but surprisingly handsome giant--and for the first time in my life, I've met a man who makes me feel delicate. He might want to punish me for trespassing, but...it feels more like passion. Only, the world isn't safe for the last giant, and maybe it's not safe for a woman who loves him either. The Giant's Captive is an adult fairy tale retelling of Jack and the Beanstalk for those who like an

adorable happily ever after fantasy romance with a side of serious steaminess!
