The Marriage Pact Michelle Richmond, 2018-04-10 How far is too far when it comes to protecting your marriage? Find out in this relentlessly paced novel of psychological suspense for anyone who loved *The Couple Next Door*. “Ranks with *The Stepford Wives* and *Gone Girl* as a terrifying look at what it really means to say ‘I do.’”—Joseph Finder, New York Times bestselling author of *The Switch* Newlyweds Alice and Jake are a picture-perfect couple. Alice, once a singer in a well-known rock band, is now a successful lawyer. Jake is a partner in an up-and-coming psychology practice. Their life together holds endless possibilities. After receiving an enticing wedding gift from one of Alice’s prominent clients, they decide to join an exclusive and mysterious group known only as The Pact. The goal of The Pact seems simple: to keep marriages happy and intact. And most of its rules make sense. Always answer the phone when your spouse calls. Exchange thoughtful gifts monthly. Plan a trip together once per quarter. . . . Never mention The Pact to anyone. Alice and Jake are initially seduced by the glamorous parties, the sense of community, their widening social circle of like-minded couples. And then one of them breaks the rules. The young lovers are about to discover that for adherents to The Pact, membership, like marriage, is for life. And The Pact will go to any lengths to enforce that rule. For Jake and Alice, the marriage of their dreams is about to become their worst nightmare. Praise for *The Marriage Pact* “This fast-paced nail-biter goes in unpredictable directions. . . . It also raises thoughtful questions about individual agency and marital commitment. With strong writing, intriguing characters, and a compelling conceit, this psychological thriller seems destined for the top of summer reading lists. Recommended as a fresh voice for readers of Gillian Flynn or Ruth Ware.”—Library Journal (starred review) “Creepy and engrossing . . . [The Marriage Pact takes] readers deep into the heart of a marriage and exposes some of the darker drives, such as possession and control, that can lurk within even the most harmonious of unions.”—Booklist “Gripping, thought-provoking, and irresistible.”—Dean Koontz “Riveting psychological suspense! This book will keep you up all night, while making you second-guess everything you know and everyone you’ve ever loved.”—Lisa Gardner, #1 New York Times bestselling author of *Right Behind You*

100 Days of Sunlight Abbie Emmons, 2019-08-07 When 16-year-old poetry blogger Tessa Dickinson is involved in a car accident and loses her eyesight for 100 days, she feels like her whole world has been turned upside-down. Terrified that her vision might never return, Tessa feels like she has nothing left to be happy about. But when her grandparents place an ad in the local newspaper looking for a typist to help Tessa continue writing and blogging, an unlikely answer knocks at their door: Weston Ludovico, a boy her age with bright eyes, an optimistic smile...and no legs. Knowing how angry and afraid Tessa is feeling, Weston thinks he can help her. But he has one condition -- no one can tell Tessa about his disability. And because she can't see him, she treats him with contempt: screaming at him to get out of her house and never come back. But for Weston, it's the most amazing feeling: to be treated like a normal person, not just a sob story. So he comes back. Again and again and again. Tessa spurns Weston's obnoxious optimism, convinced that he has no idea what she's going through. But Weston knows exactly how she feels and reaches into her darkness to show her that there is more than one way to experience the world. As Tessa grows closer to Weston, she finds it harder and harder to imagine life without him -- and Weston

can't imagine life without her. But he still hasn't told her the truth, and when Tessa's sight returns he'll have to make the hardest decision of his life: vanish from Tessa's world...or overcome his fear of being seen. 100 Days of Sunlight is a poignant and heartfelt novel by author Abbie Emmons. If you like sweet contemporary romance and strong family themes then you'll love this touching story of hope, healing, and getting back up when life knocks you down.

Write Your Novel in a Month Jeff Gerke, 2013-07-18 One of these days, I'm going to sit down and write that novel.... Everyone thinks about doing it, yet most people who do start a novel end up stalling after a few chapters. Where do these would-be novelists go wrong? Are the characters dull and cliched? Did the story arc collapse? Did they succumb to a dreaded bout of writer's block? Or maybe it was all just taking too long? These problems used to stop writers in their tracks, but nothing will get in your way after reading Write Your Novel in a Month. Author and instructor Jeff Gerke has created the perfect tool to show you how to prepare yourself to write your first draft in as little as 30 days. With Jeff's help, you will learn how to organize your ideas, create dynamic stories, develop believable characters, and flesh out the idea narrative for your novel--and not just for the rapid-fire first draft. Jeff walks you through the entire process, from initial idea to the important revision stage, and even explains what to do with your novel once you've finished. Whether you are participating in National Novel Writing Month or you're simply hoping to complete a draft over winter break or your vacation, this book covers the entire scope of writing a novel and lays out exactly what you need to know to get it done fast and right.
