

# **Strange Cases The Tarot Card Mystery 10**

**Thomas Griffiths**

**The Star** David Skibbins,2007-02-06 Warren Ritter's determination to live a peaceful life is threatened when he comes to the aid of his daughter, Fran, who is estranged from and embroiled in a custody battle with her police officer husband, Orrin, over their infant son, but when Orrin turns up dead and Fran is accused of the crime, Warren must draw on all his resources to clear her name. 15,000 first printing.

**The Hanged Man** David Skibbins,2008-08-19 The cops have jailed the wrong person: dominatrix Thérèse de Farge. Sally McLaughlin, a feisty paraplegic hacker, sets out to save her friend and ropes Warren Ritter, sarcastic tarot card reader and general overall eccentric, into yet another murder investigation. To solve this one, everyone has to go undercover. Sally puts on a business suit and tries to get a corporate job. Heather Tallbridge, Sally's teenage roommate, passes herself off as a journalist. And Warren sets off to the Academy of Correction to become Master Ritter, a bondage and discipline specialist. As they get closer to uncovering the murderer, Sally, Heather, and Warren face extreme peril, and a confrontation with their darkest fears as well as their own buried hungers. In the fourth book of the Tarot Card Mystery series, the peaceful Marin countryside provides a sharp contrast to the scandalous alternative lifestyles of some of its inhabitants, and David Skibbins takes readers deep inside the minds of all three of his odd and unforgettable characters.

*The Tarot Card Mystery* Krystal Doolittle,2021-09-13 A deck of tarot cards and an old curse. Moon Gilesie has never been sure of herself. It's just the way she's always been. She's even chosen a career as a ghostwriter that has allowed her to hide in the shadows, content to not draw too much attention to herself. She was happy to live her life quietly and simply. But then her Aunt Julia bought

a deck of tarot cards that have a very long and grim history. One that sometimes ends in death or misery for those that possess them. And yet, someone else wants them and is willing to kill in order to get their hands on them. But who would want a cursed deck of tarot cards enough to commit murder? Moon has to find out, and meanwhile uncover the story of the deck itself. With her loss still fresh, Moon finds herself in search of the killer with the help of a new friend, Alex Rhodes, a private investigator that works nearby. She finds she needs to get back the deck of tarot cards before they fall into someone else's hands, because it's a matter of life and death. Moon just doesn't know whose.

**Strange Cases** Jill H. Vassilakos, Paul Vassilakos-Long, 2009-09-23 A detailed guide to more than 700 titles that blend mystery and speculative fiction, focusing on those that are most representative, current, and easily accessible.

The Mysterious Tarot Deck Karen Yochim, 2021-04-11 Margot, who reads Tarot cards professionally, lives in Lafayette, Louisiana. She discovers a faded odd-looking Tarot deck in a second-hand store and buys it out of curiosity. Margot does not realize the consequences of giving readings with this deck. Even lethal consequences.

*The Tarot Card Murders* Mary F. Burns, 2008-12 A mysterious secret from twenty years ago...Tarot cards left on the doorstep...and murder...all add up to new excitement and challenge at Halloween for Cynthia Montrose and her two lovable English bulldogs Roscoe and Kiwi. And Cynthia continues to get crosswise with her ex-high-school-boyfriend, Detective Leonard Vlainich, because she's always in the middle of whatever criminal activity happens to land in the otherwise peaceful neighborhood of West Portal, just west of Twin Peaks in San Francisco.

**Killer Coin** Elka Ray, 2020-08-18 A wealthy socialite goes missing... a battered body is found in

her abandoned cabin... At the center of it all lies the witty and down-to-earth divorce lawyer, Toby Wong. How did she manage to get wrapped up in all of this...again? All Toby wanted was to settle into island life and start working on her own love story—torn between the wealthy and charismatic Josh Barton, and the adorable and dependable detective Colin Destin. But Toby's romantic prospects take the back burner when her mom's best friend, Daphne Dane, disappears. Toby soon discovers that Daphne's latest boyfriend is both an alleged conman and the cheating husband of her newest client. Could he be behind Daphne's disappearance? What about Daphne's children, vying for their aging mother's money? When a dead body is uncovered that entwines both Colin and Josh with the Dane family drama, Toby begins to realize her own life may be in danger. Equal parts cozy mystery and romantic suspense, the second novel in Elka Ray's Vancouver Island mystery series will keep you up late with a twisty tale of rivalry, love, money, and murder.

High Priestess David Skibbins, 2007-04-01 When Warren Ritter, by amazing luck, escaped the Greenwich Village explosion that brought down a house and several of his colleagues in the anti-Vietnam War movement, he was able to evade everyone who knew him and begin a new and very different life. Decades later, he is living in Berkeley, California, and is known by most of his few acquaintances as that guy who has the street tarot stand on weekends. That's exactly what Warren wants. It's not, however, always what he gets. When an old man approaches his table and waves a large sum of money at him for some service, Warren refuses before even asking what the job is. But the man calls him by his real name, forcing him to reconsider. Warren knows the man; he's the twin brother of a woman whom Warren remembers as always stirring up trouble. The old man and his sister preside over the Church of Satan. Two church members have been murdered in what were made to look like accidents, and the man is certain that he and his sister are next. He wants Warren

to find the killer, and with the threat of exposure, Warren must comply. The reluctant hero soon finds himself entangled in a situation that not only threatens the church members, but could spell death for Warren himself. High Priestess, the second in the wildly original and entertaining Tarot Card mystery series, further reveals the secrets of Warren's past and what he'll do to keep them hidden.

**The Advocate** ,2001-08-14 The Advocate is a lesbian, gay, bisexual, transgender (LGBT) monthly newsmagazine. Established in 1967, it is the oldest continuing LGBT publication in the United States.

*Strange Tricks* Syd Moore,2021-05-06 Rosie Strange is back in the latest of the fabulously creepy Essex Witch Museum Mysteries Secretly Rosie Strange has always thought herself a little bit more interesting than most people – the legacy her family has bequeathed her is definitely so, she's long believed. But then life takes a peculiar turn when the Strange legacy turns out not just to be the Essex Witch Museum, but perhaps some otherworldly gifts that Rosie finds difficult to fathom. Meanwhile Sam Stone, Rosie's curator, is oddly distracted as breadcrumb clues into what happened to his missing younger brother and other abducted boys from the past are poised to lead him and Rosie deep into a dark wood where there lurks something far scarier than Hansel and Gretel's witch... Praise for the Essex Witch Museum Mysteries: 'I gleefully submitted to a tale of witchcraft, feminism, mysterious strangers, historical atrocities, plucky heroines and ghastly apparitions – and came away more proud than ever to be an Essex girl.' Sarah Perry, author of *The Essex Serpent* 'Confident, down-to-earth Essex girl Rosie is an appealing character, and there is plenty of spooky fun in this spirited genre mashup.' Guardian

**The Hidden Creator** Hilton Hotema,1996-09 1961 the world wants to know who, what, and

where is the Creator. Ages of searching by great men have failed to find Him. If there is a Creator, it should be possible to locate Him. If there is none, then there is no answer to the question, What Powe.

*Butcher, Baker, Candlestick Taker: Book One of the Spokane Clock Tower Mysteries* Patricia Meredith, 2021-10-04 Archie Prescott has traveled across the country to design the now-iconic Spokane clock tower for the new Great Northern Railroad Depot. When his talent for creating unique clock chimes connects him with a local patroness, he is thrilled, until she is discovered dead in the workshop of his new colleague. Her grand home on the South Hill provides ample suspects, as Archie works with his lodgers, Detective Carew and his twin brother, to prove his fellow inventor and himself innocent of the crime. While on the hunt for the murderer, romance crops up when a young lady crosses his path with a mysterious past of her own. Six intersecting storylines create a cohesive look at a convoluted murder that will require all points of view to discover the truth...

**The Super Natural** Whitley Strieber, Jeffrey J. Kripal, 2017-09-26 Two of today's maverick authors on anomalous experience present a perception-altering and intellectually thrilling analysis of why the paranormal is real, but radically different from what is conventionally understood. Whitley Strieber (Communion) and Jeffrey J. Kripal (J. Newton Rayzor professor of religion at Rice University) team up on this unprecedented and intellectually vibrant new framing of inexplicable events and experiences. Rather than merely document the anomalous, these authors--one the man who popularized alien abduction and the other a renowned scholar and renegade advocate for including the paranormal in religious studies (The New York Times)--deliver a fast-paced and exhilarating study of why the supernatural is neither fantasy nor fiction but a vital and authentic aspect of life. Their suggestion? That all kinds of impossible things, from extra-dimensional beings to

bilocation to bumps in the night, are not impossible at all: rather, they are a part of our natural world. But this natural world is immeasurably more weird, more wonderful, and probably more populated than we have so far imagined with our current categories and cultures, which are what really make these things seem impossible. The Super Natural considers that the natural world is actually a super natural world--and all we have to do to see this is to change the lenses through which we are looking at it and the languages through which we are presently limiting it. In short: The extraordinary exists if we know how to look at and think about it.

The Saturday Review of Politics, Literature, Science and Art ,1888

**Eight of Swords** David Skibbins,2007-04-01 A strange thing was happening to Warren Ritter. He certainly didn't believe in the tarot. He was a businessman, setting up a folding table on a San Francisco street where a stream of passersby could bring him as much as a hundred dollars a day when the weather was right. But he was beginning to notice more and more that what he had learned to predict from his tarot cards seemed to be coming to pass with an unsettling regularity. It made him do odd things. Like stop teenage Heather Wellington's tarot at nine cards instead of ten. The first eight had been ominous, the ninth more upbeat, so Warren simply stopped the reading there. It was only after Heather had left that he looked at number ten-it was the Death card. The Death card does not automatically doom the person whose tarot it turns up in. But it doesn't mean there are good things ahead, either. So Warren, the scoffer, couldn't help feeling horror later that day, to see Heather's face on a pizza parlor TV screen with the word Kidnapped! slashed across the top. Guilt, that was what gripped him, as though he could have done something, warned her-but didn't. Warren Ritter is not the name he was christened with. He is a fugitive of sorts. Everyone, including his family and the New York police, believes he died in a mysterious incident thirty years

ago, and he has no intention of changing that. Now, on top of the guilt he lives with, is the feeling that somehow he is responsible for young Heather Wellington's capture-that it is his call to find her, and to get at the people who took her. *Eight of Swords* is an astonishing debut novel, and a very different novel from the old notion that a traditional mystery is along the lines of a dead vicar in the library. Warren's exciting and often dangerous quest through the streets-some of them quite mean-of San Francisco to find the girl and rescue her is more than just a suspenseful tale, it is also a moving portrait of a man returning to the world he had turned his back on three decades earlier.

**The Death of Mrs. Westaway** Ruth Ware, 2018-05-29 A “perfectly executed suspense tale very much in the mode of Daphne du Maurier’s *Rebecca*” (The Washington Post) from the #1 New York Times bestselling author of *In a Dark, Dark Wood*, *The Woman in Cabin 10*, *The Lying Game*, and *The Turn of the Key*. On a day that begins like any other, Hal receives a mysterious letter bequeathing her a substantial inheritance. She realizes very quickly that the letter was sent to the wrong person—but also that the cold-reading skills she’s honed as a tarot card reader might help her claim the money. Soon, Hal finds herself at the funeral of the deceased...where it dawns on her that there is something very, very wrong about this strange situation and the inheritance at the center of it. Full of spellbinding menace and told in Ruth Ware’s signature suspenseful style, this is a “captivating and eerie page-turner” (The Wall Street Journal) from the Agatha Christie of our time.

**The Armchair Detective** , 1996

**On Cassette** , 1990

*The Tower Card Murder* Mika Kosey, 2019-04-26 One draw of a card changes my life - because it's not just any card. I read tarot cards. I'm the real deal, but my psychic abilities scare the shit out of me. I see the auras of the living. Sometimes the dead speak to me-and not always when I want

them to. Just reading cards? Now, that's safe. Except this morning, the cards said my life will change-and there's no going back. Not super helpful. Why can't they tell me the truth about my father's unsolved murder, or that creeper I locked eyes with on the way to work this morning? Better yet, why not explain my vivid dreams involving five enthralling men? About that change? Maybe it's the total stranger who walks out of those dreams, into my life and opens the door to a reality neither of us could have predicted. The reality that this is my last chance to reconnect with my five soulmates from a previous lifetime, 7000 years ago. I must find and re-awaken them. But in the process of finding one soulmate, I might've lost another one forever. Will I uncover the truth about my father while finding my soulmates, before a serial killer finds me? Yeah, I have so many questions, but I've learned to be careful what I ask. Because the cards never lie...but they don't always tell the truth. The Tower Card Murder is a Reverse-Harem Paranormal Romance featuring multiple love interests, a slow burn focusing on emotional connections with a steamy fade to black, and the reincarnation of the oldest recorded reverse harem story in human history. Oh yeah, and lots of tarot cards. This is the first book in the Tarot Arcana Mysteries series.

*Media Review Digest* C. Edward Wall,1998

When somebody should go to the ebook stores, search creation by shop, shelf by shelf, it is in point of fact problematic. This is why we present the book compilations in this website. It will utterly ease you to see guide **Strange Cases The Tarot Card Mystery 10** as you such as.
