**Walter Satterthwait**

*The Star* David Skibbins, 2013-12-10 After two recent encounters with crime, Warren Ritter is determined to live the quiet life, but fate isn't paying any attention. His daughter, Fran, with whom he has only recently become acquainted, is in serious need of his help. She has separated from her husband, Orrin, who has taken their five-month-old son and refuses to give him back. If she challenges him, he will lie about her suitability as a mother. He's a police officer and she is afraid he can get away with it. Things become even more complicated when Orrin is found dead and Fran becomes the prime suspect. Now it's going to take Warren's full store of resources to clear his daughter's name. David Skibbins's two previous novels have received high praise, both for his unusual and likable sleuth, the hippie of a certain age Warren, and the vivid Berkeley setting. With this third installment, Skibbins gives readers another thrilling adventure embellished with the mysteries of the tarot.

The Hanged Man David Skibbins, 2008-08-19 The cops have jailed the wrong person: dominatrix Thérèse de Farge. Sally McLaughlin, a feisty paraplegic hacker, sets out to save her friend and ropes Warren Ritter, sarcastic tarot card reader and general overall eccentric, into yet another murder investigation. To solve this one, everyone has to go undercover. Sally puts on a business suit and tries to get a corporate job. Heather Tallbridge, Sally's teenage roommate, passes herself off as a journalist. And Warren sets

off to the Academy of Correction to become Master Ritter, a bondage and discipline specialist. As they get closer to uncovering the murderer, Sally, Heather, and Warren face extreme peril, and a confrontation with their darkest fears as well as their own buried hungers. In the fourth book of the Tarot Card Mystery series, the peaceful Marin countryside provides a sharp contrast to the scandalous alternative lifestyles of some of its inhabitants, and David Skibbins takes readers deep inside the minds of all three of his odd and unforgettable characters.

The Tarot Card Murders Mary F. Burns, 2008-12-05 A mysterious secret from twenty years ago...Tarot cards left on the doorstep...and murder...all add up to new excitement and challenge at Halloween for Cynthia Montrose and her two lovable English bulldogs Roscoe and Kiwi. And Cynthia continues to get crosswise with her ex-high-school-boyfriend, Detective Leonard Vlainich, because shes always in the middle of whatever criminal activity happens to land in the otherwise peaceful neighborhood of West Portal, just west of Twin Peaks in San Francisco.

**The Tarot Card Mystery** Krystal Doolittle, 2021-09-13 A deck of tarot cards and an old curse. Moon Gilesie has never been sure of herself. It's just the way she's always been. She's even chosen a career as a ghostwriter that has allowed her to hide in the shadows, content to not draw too much attention to herself. She was happy to live her life quietly and simply. But then her Aunt Julia bought a deck of tarot cards that have a very long and grim history.

One that sometimes ends in death or misery for those that possess them. And yet, someone else wants them and is willing to kill in order to get their hands on them. But who would want a cursed deck of tarot cards enough to commit murder? Moon has to find out, and meanwhile uncover the story of the deck itself. With her loss still fresh, Moon finds herself in search of the killer with the help of a new friend, Alex Rhodes, a private investigator that works nearby. She finds she needs to get back the deck of tarot cards before they fall into someone else's hands, because it's a matter of life and death. Moon just doesn't know whose.

Strange Cases Jill H. Vassilakos, Paul Vassilakos-Long, 2009-09-23 A detailed guide to more than 700 titles that blend mystery and speculative fiction, focusing on those that are most representative, current, and easily accessible.

The Mysterious Tarot Deck Karen Yochim, 2021-04-11 Margot, who reads Tarot cards professionally, lives in Lafayette, Louisiana. She discovers a faded odd-looking Tarot deck in a second-hand store and buys it out of curiosity. Margot does not realize the consequences of giving readings with this deck. Even lethal consequences.

**The Tarot Card Murders** Mary F. Burns, 2008-12 A mysterious secret from twenty years ago...Tarot cards left on the doorstep...and murder...all add up to new excitement and challenge at Halloween for Cynthia Montrose and her two lovable English bulldogs Roscoe and Kiwi. And Cynthia continues to get

crosswise with her ex-high-school-boyfriend, Detective Leonard Vlainich, because she's always in the middle of whatever criminal activity happens to land in the otherwise peaceful neighborhood of West Portal, just west of Twin Peaks in San Francisco.

The Tarot Cynthia Giles,1994-10 With more than 40 illustrations and an entertaining informative text, this elegantly designed book captures the scope, powers, and romance of the Tarot throughout the ages. Excellently researched, entertainingly and compellingly written.--Booklist.

The Hanged Man Walter Satterthwait,2012-04-10 Croft looks for evidence to free a tarot reader accused of killing a satanist Strong cosmic energy and stunning scenery have long made Santa Fe a destination for New Age enthusiasts. At a gathering of New Mexico's most renowned mystics, known satanist Quentin Bouvier flaunts a priceless tarot card; a few hours later, he is found hanged from a rafter, head bashed in, the card missing. Suspicion falls on Giacomo Bernardi, a tarot reader and owner of the scarf with which Bouvier was strung up. To crack the state's airtight case, Bernardi's lawyer hires Joshua Croft, a private investigator with no patience for the supernatural but a strong understanding of earthly vice. To prove Bernardi's innocence, Croft reconstructs the events of that strange, deadly dinner party, interviewing all the participants and finding that even the spiritually minded are capable of murder.

The Fool Card Bevan Atkinson,2008-09-08 The Fool Card is the first in a

series of mysteries linked to the tarot deck. Xana Bard has chosen a quiet life-drinking tea, reading, conferring with the Pacific Ocean beyond her picture window-until Thorne Ardall, chasing his boss's murderer, crashes into her house. Xana patches Thorne up and they go after the killer.

The Fool Dies Last Carol Miller,2022-03-01 The Bailey sisters may be the only ones able to interpret the meaning behind a bizarre series of murders in the first entry in the hilarious The Fortune Telling Mysteries series. Sisters Hope and Summer Bailey run Bailey's Boutique, a mystic shop in Asheville, North Carolina. While Hope's performing a palm reading a local doctor, Dylan Henshaw, bursts in accusing them of trying to kill his patient with a tincture. During the confrontation the sisters' grandmother, Gram, interrupts: one of her friends has died suddenly. It looks like a simple allergic reaction . . . but why is there a solitary Tarot card – the Fool – with the body? When another of Gram's friends dies in similar circumstances, and in possession of a Fool card, it's surely no coincidence. What ties the victims together and could Gram be next? Although Hope is hesitant to read the Tarot again following a recent tragedy, she might be the only one capable of deciphering the clues. Can she overcome her fear and uncover the card's meaning before the killer strikes again?

**Secrets in the Stacks** Lynn Cahoon,2022-11 After an ominous Tarot reading, Sedona bookstore owner Rarity Cole must find a killer to keep her friend safe from harm--even if the cards are stacked against her . . . Following her

recovery from breast cancer, Rarity has embraced a life of healing and service in her Sedona, Arizona, community. She welcomes the opportunity to participate in the annual summer healing fair with her fittingly named new-age bookstore, The Next Chapter. The members of the Tuesday Night Survivors' Book Club are also volunteering, maintaining a cooling station for overheated festivalgoers, and hosting a Tarot card reader for entertainment. But one member, Darby, is anything but entertained when the Tarot reader pulls a Death card. With a mammogram coming up, she's freaked out and goes home--only to walk into a crime scene where someone near and dear to her has been murdered. Despite the objections of Detective Drew Anderson, Rarity is determined to help her friend and protect her from being the killer's next victim . . .

*The White Magic Five and Dime* Lisa Falco, Steve Hockensmith, 2014-07-08 When Alanis McLachlan learns that her mother's been murdered, she's completely unsurprised. Not that Alanis had been given a glimpse into the future. That would be crazy, right? It's just that her con-woman mom, Barbra, was bound to cross the wrong people sooner or later. It's why Alanis was lucky to get out of her childhood alive - and why she hadn't spoken to her mother in decades. But there is a surprise in store for Alanis. Barbra left her something in her will: a New Age shop in the tiny tourist trap town of Berdache, Arizona. The White Magic Five & Dime. After going to Berdache to claim her inheritance, Alanis is drawn into the mystery around her mother's

death. Did one of Barbra's customers finally get wise to her con-artist ways and take revenge? Alanis thinks she knows how to find out: She'll make those customers her own until she can find the killer. Alanis McLachlan, cynic and unbeliever, is about to become a tarot card reader. With a little help from her mother's teenage apprentice and a snarky tarot how-to book called *Infinite Roads to Knowing*, Alanis begins bluffing her way through phony readings. But the more she gets to know the cards, the more she sees real meaning in them...and the closer the murderer comes to making her the next victim. *Hilarious.* -Publishers Weekly (starred review) A clever and compelling tale filled with colorful and engaging characters. -Foreword Reviews Hockensmith, author of the award-winning *Big Red/Old Red* series, and coauthor Falco deliver a charming comic mystery. -Booklist The story is fun and light, and the mystical background and details of tarot reading are treated with good-natured skepticism. -Ellery Queen Mystery Magazine

*Fool Me Once* Lisa Falco, Steve Hockensmith, 2019-08-27 Originally published: Woodbury, Minnesota: Midnight Ink, 2015.

**Quiet Evil** Morgan James, 2017-02-20 Tarot cards, a trapeze artist who doesn't age, and a magician who really can disappear... In the fifth Promise McNeal mystery, set in the Western North Carolina Mountains, Promise's psychic abilities prickle when Little People of America's past president, Dick Jest, stocks up on Cuban cigars and drives his Winnebago from Florida to build an academy for circus performers on the site of an abandoned amusement

park. When the magician's assistant is murdered in a dilapidated tram car, the dramatic, Czech trapeze artist, Ruta, draws Promise into the mystery with a strange Tarot Card deck---which she insists she's held for Promise since 1939---and a bizarre story of the magician Reznik and the Old Towne Clock in Prague. Promise's husband, Perry County Sheriff Daniel Allen, is determined to go with the facts of the case, but when they meet the other members of Jest's circus family, Daniel realizes no one is who they seem, and the facts are masked in past violence and lies. Though, as the murder goes unsolved, Promise is haunted by nightmares and struggles with an elusive illness, she and Daniel are determined to bring the murderer to justice. Fact by fact, they narrow the field of suspects until another death at the academy forces them to reconsider Ruta's wild stories and think like the killer, if they are to catch him before he disappears for good.

**Six Strange Cases** Rafe McGregor, 2011 Here, private investigator Titus Farrow is doomed by an encounter with the Chambers Scroll; Roderick Langham solves the mystery of the 'Demeter' from his armchair by the sea; a failed author goes in search of the barghest for inspiration; and a missing person case turns even nastier than blackmail.

The Eight of Swords John Dickson Carr, Douglas Green, 2022-01-25 A tarot card discovered at a murder scene provides a clue for Dr. Gideon Fell In a house in the English countryside, a man has just turned up dead, surrounded by a crime scene that seems, at first glance, to be fairly straightforward. He's

found with a bullet through the head in an unlocked room, and all signs point to a recent strange visitor as the perpetrator. The body is even accompanied by an ostentatious clue, presumably left by the killer: The tarot card of The Eight of Swords, an allusion, perhaps, to justice. But when Dr. Gideon Fell arrives at the house to investigate, he finds that certain aspects of the murder scene don't quite add up—and that every new piece of evidence introduces a new problem instead of a new solution. Add to that the suggestion of a poltergeist on the property, the appearance of American gangsters, and the constant interruptions of two dabbling amateur sleuths adjacent to the case, and you have a situation puzzling enough to push Fell's powers of deduction to their limits. But will Fell be able to cut through their distractions and get to the heart of the matter, before more murders take place? Reissued for the first time in years, *The Eight of Swords* is an early Carr novel that highlights many of the qualities that made him such a successful writer, including his baffling plots, his twisty investigations, and his memorable characters. It is the third installment in the Dr. Gideon Fell series, which can be read in any order.

*Murder in the Cards* Tony Piazza, 2019-04-14 While investigating one murder, another more bizarre crime embroils Los Angeles PI Tom Logan in the strangest case of his career. Tom and his wife Rita are invited to a Halloween party by influential and reclusive 1930s newspaper mogul Charles Randolph. In Randolph's mysterious castle perched atop a winding Central Coast hill, Logan

encounters an odd array of suspects. These include a film actor, a journalist, a comic, and a lawyer, any of whom might be the killer. Gypsy fortunetelling, Tarot card readings--and most bizarre of all--a séance that 'materializes' the spirit of a movie actress whose earlier death Logan had been investigating, immerse Logan into a chilling mixture of dangerous games played against a backdrop of menace and intrigue.

*The Mystery of Laquanda Lake* Alison S. Armitage, 2009-02-01 Whilst on holiday two women visit the picturesque and seemingly idyllic village of Laquanda Lake. However, it is not long before they realise that there is something very sinister lurking beneath the surface.

**Give the Devil His Due** Steve Hockensmith, Lisa Falco, 2017 Reformed con artist-turned-tarot reader Alanis McLachlan gets paid for predicting the future ; too bad she didn't see all the trouble in hers. First a figure from her past tries to drag her back into the life of crime she thought she'd left behind. Then a new suitor tries to sweep Alanis off her feet, forcing her on-again, off-again romance with hunky teacher Victor Castellanos to hit the skids. And then there's the little matter of the client who gets an ominous reading from Alanis ... and is promptly murdered. Danger is in the cards for Alanis, and she'll need all her skill at reading people and reading tarot if she's going to survive--Amazon.com.

## Strange Cases The Tarot Card Mystery Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced

digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way

we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Strange Cases The Tarot Card Mystery PDF books and manuals is the internets largest free

library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education

and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space

and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze.

This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes

intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Strange Cases The Tarot Card Mystery PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public

domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Strange Cases The Tarot Card Mystery free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across

different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

### **FAQs About Strange Cases The Tarot Card Mystery Books**

#### **What is a Strange Cases The Tarot Card Mystery PDF?**

A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Strange Cases The Tarot Card Mystery PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word,

or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Strange Cases The Tarot Card Mystery PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other

elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Strange Cases The Tarot Card Mystery PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in

different formats. **How do I password-protect a Strange Cases The Tarot Card Mystery PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features.

PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview

(on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
