The 30 Day MBA in Marketing Colin Barrow, 2016-01-03 The 30 Day MBA in Marketing provides a complete marketing 'course' spanning twelve disciplinary areas, and including hot topics such as: buyer behaviour, marketing strategy, promotion and advertising, pricing, managing the marketing organization and marketing and the law. Each chapter includes at least one practical real life example to illustrate how marketing concepts apply to business decision making. Learn what they teach you on professional marketing courses and at the world's top Business Schools and why it matters to you; eliminate gaps in your marketing knowledge and take part in business decision making on an equal footing with MBA graduates or your company marketing director. The 30 Day MBA in Marketing includes detailed information on how to find and analyse market data on any business or market anywhere and online resources that enable you to test your own knowledge. It also provides an invaluable guide to finding further information and free resources on each topic covered. Online supporting resources for this book include a bonus chapter on business communication, self-test question and answers and appendices.

The 30 Day MBA in Business Finance Colin Barrow, 2016-01-03 The 30 Day MBA in Business Finance provides a complete 'course' in business finance, covering thirteen key topics which fall under three main headings - the fundamentals of business finance, corporate capital structures and financial strategies and special topics. Learn what they teach you at the world's top accountancy firms and Business Schools and why it matters to you. With guidance on understanding financial reports, assessing the credit worthiness of business partners, determining profitable strategies, raising finance and ensuring proper records, The 30 Day MBA in Business Finance contains everything you need to eliminate gaps in your financial knowledge, think like a financial strategist and become a top manager. Online supporting resources for this book include a bonus chapter on business communication, self-test question and answers and appendices.

The 30 Day MBA in International Business Colin Barrow, 2011-08-03 As business becomes increasingly reliant on succeeding in export markets, the need for specialist knowledge in international trade is at its highest. With thorough explanations to describe the current international business environment as well as international case studies which include IKEA, J.D. Wetherspoon, Dell, Amazon and Indian car brand Tata Nano, The 30 Day MBA in International Business will boost your knowledge and help you play a more rounded role in shaping the direction of your organization. It covers all the essential elements of international trade and business, including international marketing strategy, managing international organizations and selecting global strategic partners as well as finance, accounting and human resource management. The 30 Day MBA in International Business is packed with links to free resources from the top business schools as well as an online list of sources to keep you informed on all the key business issues.

The 30 Day MBA Colin Barrow, 2019-01-03 If you want to accelerate your career development and transform your skillset, but without the price tag and two-year commitment of the MBA, this is the book for you. The 30 Day MBA covers the 12 core disciplines of business: accounting, finance, marketing, organizational behaviour, business history, business law, economics, entrepreneurship, ethics and social responsibility, operations management, research and analysis and strategy. It provides the tools and techniques you need to seize business opportunities and implement strategies successfully. Complex concepts are explained in simple and practical terms, helping you to apply high level concepts to the real-life world of business. The 30 Day MBA also contains insightful case studies from leading organizations including IKEA, Cisco, Cobra Beer, Heinz, Shell, Hotel Chocolat and Chilango, to help keep you right up-to-the-minute with current trends and inspire you to explore new concepts. This book equips you with essential hard knowledge, but also helps you understand how business and current thinking is shifting in today's turbulent global markets, and broadens your mind with the knowledge and confidence to excel in a competitive career.

Strategic Management Cornelis A. De Kluyver, John A. Pearce, 2015-01-26 This book is written for practicing executives getting ready to assume executive responsibilities and for MBA and EMBA students who aspire to senior management responsibilities. Success in business depends to a considerable degree on the ability to craft and implement effective strategies. Companies that enjoy a competitive advantage over their rivals typically have a better understanding of customer needs and wants, how they can create value, who their competitors are, and how they behave. Formulating a sound strategy requires both analysis and synthesis and therefore is as much a rational as it is a creative act. Successful strategies reflect a solid grasp of relevant forces in the external and competitive environment, a clear strategic intent, and a deep understanding of an organization's core competencies and assets. Generic strategies rarely propel a company to a leadership position. Knowing where to go and finding carefully considered, creative ways of getting there are the hallmarks of successful strategy. This book builds upon the collective writing experiences of both authors. Between the two of them, they have written dozens of books and some hundred and fifty articles in academic and professional journals, mostly focused on strategy formulation

and implementation. The content of this book also reflects our broad experience in teaching this subject to a wide variety of audiences - from undergraduate students to MBA's to practicing executives. Our goals were simple: to communicate succinctly, in a conversational style, at an advanced level, with an executive perspective.

The Practice of Making Strategy Fran Ackermann, Colin Eden, Ian Brown, 2005 This is a user-friendly and extremely accessible text to guide students through the series of possible steps in strategy making.

Strategic Intent A Complete Guide – 2019 Edition Gerardus Blokdyk, 2019-08-03 Is the strategic intent risk managed? How do you recognize an strategic intent objection? Are the strategic intent benefits worth its costs? How do you deal with strategic intent risk? Has the direction changed at all during the course of strategic intent? If so, when did it change and why? Defining, designing, creating, and implementing a process to solve a challenge or meet an objective is the most valuable role... In EVERY group, company, organization and department. Unless you are talking a one-time, single-use project, there should be a process. Whether that process is managed and implemented by humans, AI, or a combination of the two, it needs to be designed by someone with a complex enough perspective to ask the right questions. Someone capable of asking the right questions and step back and say, 'What are we really trying to accomplish here? And is there a different way to look at it?' This Self-Assessment empowers people to do just that - whether their title is entrepreneur, manager, consultant, (Vice-)President, CxO etc... - they are the people who rule the future. They are the person who asks the right questions to make Strategic Intent investments work better. This Strategic Intent All-Inclusive Self-Assessment enables You to be that person. Strategic Impact Carol A. Poore, Ph.D.,2021-01-05 Are you a senior executive, board member, emerging leader, or consultant responsible for leading a strategic plan that actually gets implemented and delivers results? **Strategic Impact : A Leader's Three-Step Framework for the Customized Vital Strategic Plan** presents a trailblazing method that will help you guide and customize your organization's strategic planning program. Dr. Poore delivers innovation through virtual strategy workshops, digital communication opportunities, and new, accessible cloud-based tracking systems. **Strategic Impact** provides a reliable, three-step framework, applicable to any organization, regardless of size, scale, or structure, allowing you to:

- Declutter the typically complicated strategic planning process.
- Deliver a destiny-shaping program in an efficient, budget-conscious way—including for mission-driven small businesses and nonprofits with limited resources.
- Plan and lead a life-changing leadership workshop experience culminating in strategic goals.
- Craft a compelling written strategic plan which can be digitized and communicated through social media.
- Implement an effective tracking and communication system to monitor progress and ensure accountability.
- Engage employees, customers, and key audiences in celebrating your organization's strategic impact.

Unlike other strategic planning books, **Strategic Impact** places intense focus on curating a vibrant, life-changing strategic planning workshop that strengthens leadership bonds and commitment for implementation. It simplifies the strategic planning process and ensures a clear, comprehensive, and customizable approach for you and your leadership team. Dr. Poore's emphasis on strategic goal implementation will amplify your organization's ability to get it done, fulfill your mission and purpose, and achieve strategic impact!

The Mobile MBA Jo Owen,2012-05-07 **Mobile MBA** distills years of MBA management theory into bite-size solutions for 101 critical, in the trenches business challenges. From start to finish, this book focuses on what really works in practice, giving managers focused answers that can make them dramatically more effective, instantly. Along the way, leading global business consultant Jo Owen demystifies the MBA, illuminating the simple, common-sense principles that underlie the grand theory (and the even grander MBA hype). Owen reveals what managers need to learn in order to perform at an MBA level, while also giving them the practical skills that an MBA doesn't. Each of **Mobile MBA's** eleven chapters is packaged with a Skill Pill, short video briefings that can be delivered directly to mobile devices and computers, offering powerful insights and lessons to managers wherever they are.

The Strategic Leader's Roadmap Harbir Singh,Michael Useem,2016-10-11 We can all become strategic leaders if we stay on the right path. Even a strong leader can flounder without an effective strategy, and the most powerful strategy can fail without the right leader. Only those who master and integrate both skills can effectively navigate the challenges that lay ahead for today's organizations. The authors offer a 6-point checklist for leading strategically that will help managers strengthen their capacity to develop strategy and to lead its execution.

Demystifying Strategy Tony Grundy,2012-10-03 **Demystifying Strategy** provides you with not only the basic strategic tools and techniques but also a thorough understanding of the entire process of strategic thinking and management. Using tips, guidelines and exercises it helps you to assess your own strategic mind and covers key topics such as: the different perspectives on strategy, economic analysis, dynamic competitive positioning, designing and evaluating options, implementation, managing the strategy process and how to nurture your strategic mind. Aimed at executives, entrepreneurs and also students of management, it enables you to assess the teaching of strategy 'gurus', construct your own strategy audit and challenge thinking styles by assessing the cognitive processes involved in developing successful strategies.
