Moon-face and Other Stories Jack London, 1906 JACK LONDON (1876-1916), American novelist, born in San Francisco, the son of an itinerant astrologer and a spiritualist mother. He grew up in poverty, scratching a living in various legal and illegal ways -robbing the oyster beds, working in a canning factory and a jute mill, serving aged 17 as a common sailor, and taking part in the Klondike gold rush of 1897. This various experience provided the

material for his works, and made him a socialist. The son of the Wolf (1900), the first of his collections of tales, is based upon life in the Far North, as is the book that brought him recognition, The Call of the Wild (1903), which tells the story of the dog Buck, who, after his master's death, is lured back to the primitive world to lead a wolf pack. Many other tales of struggle, travel, and adventure followed, including The Sea-Wolf (1904), White Fang (1906), South Sea Tales (1911), and Jerry of the South Seas (1917). One of London's most interesting novels is the semi-autobiographical Martin Eden (1909). He also wrote socialist treatises, autobiographical essays, and a good deal of journalism.

Shadowed Isabel Wroth, 2018-02-12 When an orbital prison is torn through a wormhole and crashes on an unknown planet, it's every woman for herself to escape the wreckage. As though savage beasts and harsh, alien climates aren't enough, the survivors discover the world isn't uninhabited and must face new challenges--risking not only their lives but their hearts. DEJA thought she could fear nothing more than the daily treatments she received during her imprisonment on the Concord. The horrible experiments which rack her body with unimaginable, searing pain. But she discovers the true meaning of terror as she clings to life pod's harness while plummeting toward the surface of an unknown planet. Struggling to outrun the beasts hunting her, fighting to outrun the light, Deja hastens for the only cover she can find -- between the feet of a giant stone statue. Only statues aren't supposed to move, or wrap

you in their arms and carry you off INTO SHADOW...Welcome to Sonhadra.The Valos of Sonhadra series is the shared vision of nine sci-fi and fantasy romance authors. Each book is a standalone, containing its own Happy Ever After, and can be read in any order. For total satisfaction, it is BEST read as part of the SERIES.

Henri Matisse, Ellsworth Kelly Henri Matisse,Rémi Labrusse,Éric de Chasse,Musee national d'art moderne. Galerie d'art graphique,Inverleith House, Royal Botanic Garden,2002 This collection of work by Henri Matisse and Ellsworth Kelly is based on an exhibition of more than 100 rarely exhibited drawings organized by the Centre Pompidou in Paris. A comparative display, the exhibition focuses on the role of drawing in the work of these two distinctly different 20th-century masters.Henri Matisse (1869-1954) is recognized for the lyrical form and decorative aesthetic seen in his paintings and colourful paper cut-outs. Ellsworth Kelly (born 1923) is known for the monumental abstract forms of his sculpture and the bold colours of his hard-edge paintings. Yet both artists explored their concepts in prolific studies of plants, often in series in which each drawing existed on its own terms as well as part of an infinite process.

The Royal Women of Amarna Dorothea Arnold,Metropolitan Museum of Art (New York, N.Y.),1996 The move to a new capital, Akhenaten/Amarna, brought essential changes in the depictions of royal women. It was in their female imagery, above all, that the artists of Amarna departed from the traditional

iconic representations to emphasize the individual, the natural, in a way unprecedented in Egyptian art.

Stepbrother Broken Colleen Masters, 2015-08-29 Only Lukas Hawthorne could simultaneously break my spirit, crush my dreams...and make me dripping wet. He's a legend on campus-a star athlete with records that'll never be broken. I always see him on campus walking around with some new hot piece of ass, and I dream about what it would be like to be the one on his arm...It's totally unfair to have such an effortlessly handsome grad student as my TA. Who knew economic theory could be so sexy? Problem is, I've been so distracted by him all semester that now I'm failing his course, and I need pass if I hope to graduate on time. He wants to meet with me after class, to discuss how I can make up my grade this summer...extra assignments, private lessons...whatever it takes. But when a disgusting realization is made-our

student-teacher sex sessions are permanently interrupted. Our parents are engaged. They're madly in love and can't wait to make me, Lukas, and all of our siblings one big happy family. To make matters worse, we have to endure a family vacation at his father's lake house. Together. A million miles away from everything. Thing is, the more inappropriate my desire is for him, the more intensely it burns...and he isn't shy about meeting me halfway. According to him, we're going to defile every room and every surface of his father's house before we go back to school. Challenge accepted.

2028 End Gabriel Erb, 2019-07-12 God created a game - it's called The Game of Life. Planet Earth is the playing field, the 10 love commandments are the rules, and we humans are the players who can win or lose. The game is played by two teams, like the game of football. One team's head coach is Jesus and the other team's head coach is Satan. All of us on earth are playing for one of these two teams! Gabriel Ansley Erb wrote the book 2028 END in order to fully elucidate God's game clock scenario for The Game of Life as contained in the game's handbook, the Holy Bible. The handbook says, God declared the end from the beginning (Isaiah 46:10) by using 7 days in the creation event. Each 24 hour creation day foretold of a future 1,000 year period for a total 7,000 year plan God had for The Game of Life to be played on planet earth. And amazingly, to confirm this is all true, God hid a secret prophesy in each creation day foretelling the greatest event He had planned to occur in that day's future millennium! Consequently, Creation day 1 foretold Adam & Eve's

fall, which was fulfilled during earth's 1st millennium. Creation day 2 foretold Noah's global flood, which was fulfilled during earth's 2nd millennium. Creation day 3 foretold Moses' Red Sea parting, which was fulfilled during earth's 3rd millennium. Creation day 4 foretold of John the Baptist & Jesus Christ, and so they lived and died during earth's 4th millennium. And the prophecies continue with each Creation day! Gabriel proves all of the above, carefully revealing the prophetic Scriptures as well as the fulfillment Scriptures. Then he reveals a dozen Scriptures proving Christ died earth's 4,000 year and will return earth's 6,000 year. Finally, he proves Christ died Feast of Passover AD 28 and will return Feast of Trumpets 2028. For those who read this book, it is an open and shut case: The Game of Life will end 2,000 years from the year of Christ's death on the cross - AD 2028.

!Scat Wil Perkins, 1997 In this debut collection, Wil Perkins has created a new poetics, star-spangled by the improvisational essence of jazz, the heartfelt essence of the blues and gospels, as well as mystical riffs for the moonish sundance of life. These poems, crafted in the experimental tradition of John Coltrane and e.e. cummings, are a sculptural feast for the eyes, irreverent music for the soul, and serious songs to hail the coming millennium.
