

Subway 10

Katrin Zwirglmaier

Count on the Subway Paul DuBois Jacobs, Jennifer Swender, 2014-05-13 1 MetroCard, Momma and me. Down 2 flights—to catch the 3. 4 turnstiles, singers 5. A rumble, a screech . . . the train arrives! This bright, young counting book is a delightful trip through the New York City subway system. Hand in hand, child and mother see colorful subway signs and funny passengers, watch trains screeching by, and make new friends. With bold illustrations and a playful, rhyming text, this is not only a counting book, but also a tribute to New York and a sweet story of a child and parent navigating the city together.

So You Want to Own a Subway Franchise? a Decade in the Restaurant Business Dylan Randall, Shayne Randall, 2011 For anyone considering buying a franchise or becoming an entrepreneur, this is the book you need to read. So You Want to Own a Subway Franchise? – or any other sort of franchise – is a book that describes acquiring, developing, and selling three different Subway franchises over a decade. Dylan and Shayne Randall have been there. Read their story describing the pros and cons of franchise life, while alerting readers to the dangers and the pitfalls. The authors describe the daily operations of a Subway restaurant between the years 1999 to 2009. They also offer humorous anecdotes involving both customers and employees, which capture the environment of a Subway franchise. The book details the relationship between franchisees and the corporate structure, and its also useful as a handbook for the financial genesis of any franchise. Watch out So You Want to Own a Subway Franchise? is a cautionary tale for prospective franchisees.

Subway Ride Heather Lynne Miller, 2011-02-01 Down, down, down. Step down below to see the world. A fantastical journey introduces young readers to subway travel. Five children pay the fare, pass through the gates, and zip through the tunnels of subway stations in ten cities around the globe. The trip around the world underscores how travel and cultural connections create community. Back matter includes information about the ten stations mentioned: Atlanta, Cairo, Chicago, London, Mexico City, Moscow, New York City, Stockholm, Tokyo, and Washington, D.C.

The Cincinnati Subway Allen J. Singer, 2003 Cincinnati emerged from a tumultuous 19th century as a growing metropolis committed to city planning. The most ambitious plan of the early twentieth century, the Cincinnati Subway, was doomed to failure. Construction began in 1920 and ended in 1927 when the money had run out. Today, two miles of empty subway tunnels still lie beneath Cincinnati, waiting to be used. The Cincinnati Subway tells the whole story, from the turbulent times in the 1880s to the ultimate failure of Cincinnati's White Elephant. Along the way, the reader will learn about what was happening in Cincinnati during the growth of the subway—from the Courthouse Riots in 1884 to life in the Queen City during World War II.

Subway Story Julia Sarcone-Roach, 2011-10-11 Never was there a subway car who loved her job more than Jessie. From morning to night she carried all sorts of people all sorts of places—to work and school and World's Fairs, over bridges and through tunnels—sometimes she even took a pigeon along for the ride! But as time passed, sleek new silver cars began to take over the tracks, banishing Jessie to an abandoned lot. What will she do with no passengers to carry? And where will she go now that she's no longer welcome on the tracks? Based on the true story of 1960's-era subway cars that are now being used to create artificial reefs in the Atlantic, this stunningly illustrated second book from Julia Sarcone-Roach is sure to delight scuba diving historians and kids alike.

Subway Environmental Design Handbook: Principles and applications Transit Development Corporation, 1976

Subway City Michael W. Brooks, 1997 Traces the development of the subway from its inception to its decline as an overcrowded and dangerous part of city life – Explores how it has been represented in film and art – Gives women's experiences of the subway – Examines the city's racial tensions – Skyscrapers – Spatial layout of the city – Urban space.

Minutes of the Board of Estimate and Apportionment of the City of New York New York (N.Y.). Board of Estimate and Apportionment, 1917

Subway Bruce Davidson, 2011 In 1980 Bruce Davidson began photographing the New York subway system, venturing regularly into this intoxicating, sometimes dangerous subterranean world. At first Davidson photographed in black and white, but he soon realized color was necessary to depict the intensity of this graffiti-covered landscape. Originally published in 1986, this updated Steidl edition of Subway is printed from new scans of Davidsons Kodachrome slides and features additional images.

Art and the Subway Tracy Fitzpatrick, 2009 Explores artistic production surrounding the world's most famous public transportation system, from just before its opening in 1904 onwards. Using images, this work offers perspectives on ways in which the subway has been used as a subject about which to make art, as a site within which to make art, and as a canvas upon which to make art.

Our Subway Baby Peter Mercurio, 2020-09-15 This gentle and incredibly poignant picture book tells the true story of how one baby found his home. Some babies are born into their families. Some are adopted. This is the story of how one baby found his family in the New York City subway. So begins the true story of Kevin and how he found his Daddy Danny and Papa Pete. Written in a direct address to his son, Pete's moving and emotional text tells how his partner, Danny, found a baby tucked away in the corner of a subway station on his way home from work one day. Pete and Danny ended up adopting the baby together. Although neither of them had prepared for the prospect of parenthood, they are reminded, Where there is love, anything is possible.
