Last Bus to Wisdom Ivan Doig, 2016-08-16 Named a Best Book of the Year by the Seattle Times and Kirkus Review The final novel from a great American storyteller. Donal Cameron is being raised by his grandmother, the cook at the legendary Double W ranch in Ivan Doig's beloved Two Medicine Country of the Montana Rockies, a landscape that gives full rein to an eleven-year-old's imagination. But when Gram has to have surgery for "female trouble" in the summer of 1951, all she can think to do is to ship Donal off to her sister in faraway Manitowoc, Wisconsin. There Donal is in for a rude surprise: Aunt Kate-bossy, opinionated, argumentative, and tyrannical-is nothing like her sister. She henpecks her good-natured husband, Herman the German, and Donal can't seem to get on her good side either. After one contretemps too many, Kate packs him back to the authorities in Montana on the next Greyhound. But as it turns out, Donal isn't traveling solo: Herman the German has decided to fly the coop with him. In the immortal American tradition, the pair light out for the territory together, meeting a classic Doigian ensemble of characters and having rollicking misadventures along the way. Charming, wise, and slyly funny, Last Bus to Wisdom is a last sweet gift from a writer whose books have bestowed untold pleasure on countless readers.

Between the World and Me Ta-Nehisi Coates,2015-07-14 #1 NEW YORK TIMES BESTSELLER • NATIONAL BOOK AWARD WINNER • NAMED ONE OF TIME'S TEN BEST NONFICTION BOOKS OF THE DECADE • PULITZER PRIZE FINALIST • NATIONAL BOOK

CRITICS CIRCLE AWARD FINALIST • ONE OF OPRAH'S "BOOKS THAT HELP ME THROUGH" • NOW AN HBO ORIGINAL SPECIAL EVENT Hailed by Toni Morrison as "required reading," a bold and personal literary exploration of America's racial history by "the most important essayist in a generation and a writer who changed the national political conversation about race" (Rolling Stone) NAMED ONE OF THE MOST INFILIENTIAL BOOKS OF THE DECADE BY CNN • NAMED ONE OF PASTE'S BEST MEMOTRS OF THE DECADE • NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY The New York Times Book Review • 0: The Oprah Magazine • The Washington Post • People • Entertainment Weekly • Voque • Los Angeles Times • San Francisco Chronicle • Chicago Tribune • New York • Newsday • Library Journal • Publishers Weekly In a profound work that pivots from the biggest questions about American history and ideals to the most intimate concerns of a father for his son, Ta-Nehisi Coates offers a powerful new framework for understanding our nation's history and current crisis. Americans have built an empire on the idea of "race," a falsehood that damages us all but falls most heavily on the bodies of black women and men-bodies exploited through slavery and segregation, and, today, threatened, locked up, and murdered out of all proportion. What is it like to inhabit a black body and find a way to live within it? And how can we all honestly reckon with this fraught history and free ourselves from its burden? Between the World and Me is Ta-Nehisi Coates's attempt to answer these questions in a letter to his adolescent son. Coates shares with his son—and readers—the story of his awakening to the

truth about his place in the world through a series of revelatory experiences, from Howard University to Civil War battlefields, from the South Side of Chicago to Paris, from his childhood home to the living rooms of mothers whose children's lives were taken as American plunder. Beautifully woven from personal narrative, reimagined history, and fresh, emotionally charged reportage, Between the World and Me clearly illuminates the past, bracingly confronts our present, and offers a transcendent vision for a way forward.

The Incomplete Book of Running Peter Sagal, 2019-09-10 Peter Sagal, the host of NPR's Wait Wait...Don't Tell Me! and a popular columnist for Runner's World, shares "commentary and reflection about running with a deeply felt personal story, this book is winning, smart, honest, and affecting. Whether you are a runner or not, it will move you" (Susan Orlean). On the verge of turning forty, Peter Sagal—brainiac Harvard grad, short bald Jew with a disposition towards heft, and a sedentary star of public radio—started running seriously. And much to his own surprise, he kept going, faster and further, running fourteen marathons and logging tens of thousands of miles on roads, sidewalks, paths, and trails all over the United States and the world, including the 2013 Boston Marathon, where he crossed the finish line moments before the bombings. In The Incomplete Book of Running, Sagal reflects on the trails, tracks, and routes he's traveled, from the humorous absurdity of running charity races in his underwear—in St. Louis, in February—or

attempting to "quiet his colon" on runs around his neighborhood—to the experience of running as a guide to visually impaired runners, and the triumphant post-bombing running of the Boston Marathon in 2014. With humor and humanity, Sagal also writes about the emotional experience of running, body image, the similarities between endurance sports and sadomasochism, the legacy of running as passed down from parent to child, and the odd but extraordinary bonds created between strangers and friends. The result is "a brilliant book about running...What Peter runs toward is strength, understanding, endurance, acceptance, faith, hope, and charity" (P.J. O'Rourke).

Kant's Little Prussian Head and Other Reasons Why I Write: An Autobiography in Essays Claire Messud, 2020-10-13 A glimpse into a beloved novelist's inner world, shaped by family, art, and literature. In her fiction, Claire Messud has specialized in creating unusual female characters with ferocious, imaginative inner lives (Ruth Franklin, New York Times Magazine). Kant's Little Prussian Head and Other Reasons Why I Write opens a window on Messud's own life: a peripatetic upbringing; a warm, complicated family; and, throughout it all, her devotion to art and literature. In twenty-six intimate, brilliant, and funny essays, Messud reflects on a childhood move from her Connecticut home to Australia; the complex relationship between her modern Canadian mother and a fiercely single French Catholic aunt; and a trip to Beirut, where her pied-noir father had once lived, while he was dying. She

meditates on contemporary classics from Kazuo Ishiguro, Teju Cole, Rachel Cusk, and Valeria Luiselli; examines three facets of Albert Camus and The Stranger; and tours her favorite paintings at Boston's Museum of Fine Arts. In the luminous title essay, she explores her drive to write, born of the magic of sharing language and the transformative powers of "a single successful sentence." Together, these essays show the inner workings of a dazzling literary mind. Crafting a vivid portrait of a life in celebration of the power of literature, Messud proves once again an absolute master storyteller (Rebecca Carroll, Los Angeles Times).

Notes on Grief Chimamanda Ngozi Adichie, 2021-05-11 From the globally acclaimed, best-selling novelist and author of We Should All Be Feminists, a timely and deeply personal account of the loss of her father: "With raw eloquence, Notes on Grief ... captures the bewildering messiness of loss in a society that requires serenity, when you'd rather just scream. Grief is impolite ... Adichie's words put welcome, authentic voice to this most universal of emotions, which is also one of the most universally avoided" (The Washington Post). Notes on Grief is an exquisite work of meditation, remembrance, and hope, written in the wake of Chimamanda Ngozi Adichie's beloved father's death in the summer of 2020. As the COVID-19 pandemic raged around the world, and kept Adichie and her family members separated from one another, her father succumbed unexpectedly to complications of kidney failure. Expanding on her original New Yorker piece, Adichie shares how this

loss shook her to her core. She writes about being one of the millions of people grieving this year; about the familial and cultural dimensions of grief and also about the loneliness and anger that are unavoidable in it. With signature precision of language, and glittering, devastating detail on the page—and never without touches of rich, honest humor—Adichie weaves together her own experience of her father's death with threads of his life story, from his remarkable survival during the Biafran war, through a long career as a statistics professor, into the days of the pandemic in which he'd stay connected with his children and grandchildren over video chat from the family home in Abba, Nigeria. In the compact format of We Should All Be Feminists and Dear Ijeawele, Adichie delivers a gem of a book—a book that fundamentally connects us to one another as it probes one of the most universal human experiences. Notes on Grief is a book for this moment—a work readers will treasure and share now more than ever—and vet will prove durable and timeless, an indispensable addition to Adichie's canon.

Confessions of a Born-Again Pagan Anthony T. Kronman, 2016-10-28 In this passionate and searching book, Anthony Kronman offers a third way—beyond atheism and religion—to the God of the modern world We live in an age of disenchantment. The number of self-professed "atheists" continues to grow. Yet many still feel an intense spiritual longing for a connection to what Aristotle called the "eternal and divine." For those who do, but demand a God that is compatible with their modern ideals, a new theology is required. This

is what Anthony Kronman offers here, in a book that leads its readers away from the inscrutable Creator of the Abrahamic religions toward a God whose inexhaustible and everlasting presence is that of the world itself. Kronman defends an ancient conception of God, deepened and transformed by Christian belief—the born-again paganism on which modern science, art, and politics all vitally depend. Brilliantly surveying centuries of Western thought—from Plato to Augustine, Aquinas, and Kant, from Spinoza to Nietzsche, Darwin, and Freud—Kronman recovers and reclaims the God we need today.

An Exact Replica of a Figment of My Imagination Elizabeth McCracken, 2008-09-10 This is the happiest story in the world with the saddest ending, writes Elizabeth McCracken in her powerful, inspiring memoir. A prize-winning, successful novelist in her 30s, McCracken was happy to be an itinerant writer and self-proclaimed spinster. But suddenly she fell in love, got married, and two years ago was living in a remote part of France, working on her novel, and waiting for the birth of her first child. This book is about what happened next. In her ninth month of pregnancy, she learned that her baby boy had died. How do you deal with and recover from this kind of loss? Of course you don't -- but you go on. And if you have ever experienced loss or love someone who has, the company of this remarkable book will help you go on. With humor and warmth and unfailing generosity, McCracken considers the nature of love and grief. She opens her heart and leaves all of ours the richer for it.

Searching for Zion Emily Raboteau, 2013-01-08 From Jerusalem to Ghana to Katrina-ravaged New Orleans, a woman reclaims her history in a "beautifully written and thought-provoking" memoir (Dave Eggers, author of A Hologram for the King and Zeitoun). A biracial woman from a country still divided along racial lines, Emily Raboteau never felt at home in America. As the daughter of an African American religious historian, she understood the Promised Land as the spiritual realm black people yearned for. But while visiting Israel, the Jewish Zion, she was surprised to discover black Jews. More surprising was the story of how they got there. Inspired by their exodus, her question for them is the same one she keeps asking herself: have you found the home

you're looking for? In this American Book Award—winning inquiry into contemporary and historical ethnic displacement, Raboteau embarked on a tenyear journey around the globe and back in time to explore the complex and contradictory perspectives of black Zionists. She talked to Rastafarians and African Hebrew Israelites, Evangelicals and Ethiopian Jews—all in search of territory that is hard to define and harder to inhabit. Uniting memoir with cultural investigation, Raboteau overturns our ideas of place, patriotism, dispossession, citizenship, and country in "an exceptionally beautiful . . . book about a search for the kind of home for which there is no straight route, the kind of home in which the journey itself is as revelatory as the destination" (Edwidge Danticat, author of The Farming of Bones).

<u>The British National Bibliography</u> Arthur James Wells,2007 <u>The Mandaean Book of John</u> Charles G. Häberl, James F. McGrath,2019-11-18 Given the degree of popular fascination with Gnostic religions, it is surprising how few pay attention to the one such religion that has survived from antiquity until the present day: Mandaism. Mandaeans, who esteem John the Baptist as the most famous adherent to their religion, have in our time found themselves driven from their historic homelands by war and oppression. Today, they are a community in crisis, but they provide us with unparalleled access to a library of ancient Gnostic scriptures, as part of the living tradition that has sustained them across the centuries. Gnostic texts such as these have caught popular interest in recent times, as traditional assumptions about the original forms and cultural contexts of related religious traditions, such as Judaism, Christianity, and Islam, have been called into question. However, we can learn only so much from texts in isolation from their own contexts. Mandaean literature uniquely allows us not only to increase our knowledge about Gnosticism, and by extension all these other religions, but also to observe the relationship between Gnostic texts, rituals, beliefs, and living practices, both historically and in the present day.

The Christian Idea of Man Josef Pieper, 2011 In The Christian Idea of Man Josef Pieper brings off an extraordinary feat. He acknowledges that whoever introduces the theme of virtue and the virtues can expect to be met with a smile - of various shades of condescension. He then proceeds to single out prudence as the fundamental virtue on which the other cardinal virtues are based. In defining it, he does away with the shallow connotations which have debased it in modern times. Similarly, he manages to divest it of all traces of moralism, which, to a large extent has become identified with the Christian idea of virtue and has made it fall into general disrepute. For Pieper, prudence is fundamentally based on a clear perception of reality - of things as they are - and the prudent person is the one who acts in accordance with this perception. It has nothing to do with knowing how to avoid decisions which might be to one's disadvantage. Similarly, justice, which is based on prudence, involves acting toward other persons according to one's perception of the truth of the circumstances - again, a perception of things as they are. This is not a reference to any status quo, but to the reality as

constituted by the Creator. In referring to courage [fortitude], Pieper discusses the overcoming of fear. This does not imply having no fear but, precisely, overcoming it. With regard to the fundamental fear of death, Pieper rejects the approaches which contend that there is nothing to fear in death. On the contrary, there is everything to fear in death: it concerns the question of possible absolute annihilation! Here Pieper introduces the consideration of the theological virtues of faith, hope, and love [charity]. When confronted with the question of possible annihilation, the Christian's faith is paramount. Belief in God lets him confront danger and overcome even the most radical fear - through hope in God. His love of God does not wipe out fear but gives him courage. Moderation is seen as the last in the hierarchy of the cardinal virtues. Through its manifestation, in recent Christian thinking, with chastity and abstinence, it became in the Christian mind the most prominent characteristic of the Christian idea of man and one that dominated everything else. It has been reduced to the status of the most private of the virtues and is combined with a moralistic conception of the good. Pieper's analysis of moderation shows how this virtue needs to be rethought, although, even then, it will remain the last in the hierarchy of virtues.

<u>Step Across This Line</u> Salman Rushdie,2010-11-05 From one of the great novelists of our day, a vital, brilliant new book of essays, speeches and articles essential for our times. Step Across This Line showcases the other

side of one of fiction's most astonishing conjurors. On display is Salman Rushdie's incisive, thoughtful and generous mind, in prose that is as entertaining as it is topical. The world is here, captured in pieces on a dazzling array of subjects: from New York's Amadou Diallo case to the Wizard of Oz, from U2 to fifty years of Indian writing, from a tribute to Angela Carter to the struggle to film Midnight's Children. The title essay was originally delivered at Yale as the 2002 Tanner lecture on human values, and examines the changing meaning of frontiers in the modern world -- moral and metaphorical frontiers as well as physical ones. The collection chronicles Rushdie's intellectual journeys, but it is also an intimate invitation into his life: he explores his relationship to India through a moving diary of his first visit there in over a decade, "A Dream of Glorious Return." Step Across This Line also includes "Messages From the Plague Years," a historic set of letters, articles and reflections on life under the fatwa. Gathered together for the first time, this is Rushdie's humane, intelligent and angry response to a grotesque threat, aimed not just at him but at free expression itself. Step Across This Line, Salman Rushdie's first collection of non-fiction in a decade, has the same energy, imagination and erudition as his astounding novels -- along with some very strong opinions.
