Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.

Perfecto Mundo Stephen Groom, 2009-05-12 Carl and Mandy Rutherford's cruise around the Greek Islands turns into a nightmare as strange natural phenomena strike the earth whilst they are scuba diving off the island of Spetse. As the days pass it becomes clear to them that they could be the only people alive in this part of Greece, perhaps in the whole of the Mediterranean or even worse..... As they venture further afield looking for other survivors and an explanation to what has happened whilst they were diving, things fall into place and the awful realisation of the truth dawns on them and the people they team up with. An epic adventure and a tale of the strength and resilience of the human

race as the survivors of the greatest natural disaster to have struck the earth in millions of years battle for survival and to repopulate the planet â perhaps with a little divine intervention?!
