**Ask a Manager** Alison Green, 2018-05-01 From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit "reply all" • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager "A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work."—Booklist (starred review) "The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience."—Library Journal (starred review) "I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor."—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* "Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way."—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

*Castle Films* Scott MacGillivray, 2004 Do you remember the first movie you ever owned? It was probably a product of Castle Films. Before home video, Castle Films made every living room a screening room. For four decades the 16mm and 8mm film products of Castle Films were sold in every department store and hobby shop. Castle had big-screen movies for everybody: comedies with Abbott & Costello, The Marx Brothers, and W. C. Fields...monster movies with Frankenstein, Dracula, and the Wolfman...cartoons with Woody Woodpecker, Chilly Willy, and Mighty Mouse...westerns with Clint Eastwood, John Wayne, and James Stewart...travelogues of the world's picturesque places...newsreels of major headline stories...musicals with top singers and bandleaders. Collectors have always wanted a reference book detailing the total output of Castle Films. Here it is. *Castle Films: A Hobbyist's Guide* is a complete filmography of every title printed between 1937 and 1977. For handy reference, there are separate indexes by title, subject, and serial number, a

listing of Castle's color film releases, and a special section decoding Castle's various pseudonym titles and disclosing the true identities of many films. *Castle Films: A Hobbyist's Guide* is a fascinating, nostalgic look at one of the pioneers of home entertainment.

*Alan Clark: A Life in His Own Words* Alan Clark,2011-03-24 Some of the most talked about books of recent years, Alan Clark's diaries provide a witty and irreverent insider's account of political life in Britain. Now in one volume. 'From the moment the first scabrous and brilliant volume was published, people wanted more. Now they have it and they will not be disappointed... These diaries are not wonderful simply because they show a politician unafraid to say what he thinks, and refusing to suck up to those whom he represents. They are great because they show all sides of a man who was, within his complex personality, arrogant, sensitive, loyal, unfaithful, patriotic, selfish, selfless, and - at all times - completely Technicolour' Simon Heffner, DAILY MAIL
