Yicheng Fang

Tattoo Johnny Tattoo Johnny (Firm),2010 A collection of themed designs for tattoos.

Celtic and Old Norse Designs Courtney Davis,2000-01-01 Artists, illustrators, designers, and craftspeople in search of exceptionally bold and inventive motifs will find them in this versatile treasury brimming with 125 royalty-free designs. Taken from authentic Celtic and Old Norse sources, they include an amazing array of birds, human figures, and mythological creatures, all ingeniously woven into an intricate network of spirals and interlacings. Meticulously adapted from artwork that graced ancient rune stones and religious symbols, furniture, manuscripts, bronze mirrors, sword hilts, cooking utensils, and other artifacts, the illustrations depict a crucifix; decorative creatures that adorned the pages of the Lindisfarne Gospels; interwoven designs from stone crosses of Ireland, Scotland, and Cornwall; and many other designs and motifs. Convenient and inexpensive, this collection offers inspiration and a wealth of immediately usable dramatic ornamentation rich in character and distinctive in content.

Billboard ,1949-11-05 In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

Invisible Man Ralph Ellison,2016-08-18 Invisible Man is a milestone in American literature, a book that has continued to engage readers since its appearance in 1952. A first novel by an unknown writer, it remained on the bestseller list for sixteen weeks, won the National Book Award for fiction, and established Ralph Ellison as one of the key writers of the century. The nameless narrator of the novel describes growing up in a black community in the South, attending a Negro college from which he is expelled, moving to New York and becoming the chief spokesman of the Harlem branch of the Brotherhood, and retreating amid violence and confusion to the basement lair of the Invisible Man he imagines himself to be. The book is a passionate and witty tour de force of style, strongly influenced by T.S. Eliot's The Waste Land, Joyce, and Dostoevsky.

Billboard ,1950-05-27 In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

Caged Shay Savage,2015-07-14 This is not made for TV. This is the raw, brutal underground of no-holds-barred combat. Inside the cage there is nothing but me and the pain I inflict on those who dare enter. In the cage, I never have to worry about anyone but myself. Yet, when she began standing outside of the cage, everything changed. I was no longer fighting for the money or the glory - I was fighting for her.

Billboard ,1947-11-15 In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

The Dead Yard Adrian McKinty,2006-03-14 From the New York Times bestselling author of The Chain comes the riveting sequel to his acclaimed debut, Dead I Well May Be, featuring mercenary bad boy Michael Forsythe—the hero other writers can only aspire to create (Ed McBain). With the same poetic lilt and heart-stopping suspense that made Dead I Well May Be a critical favorite, the saga continues with The Dead Yard—a thriller in which Michael Forsythe must insinuate himself into the good graces of a band of calculating political terrorists. As the novel opens, he's on vacation in Spain, but when a soccer riot between Irish and English fans escalates out of control, Michael is suddenly arrested and thrown into a Spanish prison. Enter Samantha, a British intelligence agent as cunning as she is voluptuous. She makes Michael an offer he cannot refuse: instead of being extradited to Mexico to serve time for a prison break, he can help her by infiltrating an IRA sleeper cell in the United States, and she'll see to it that the Spaniards and Mexicans forget all about him. Filled with apprehension about the dangers of the assignment, Michael reluctantly agrees. Within hours he is flown to New York City and thrust into the nightmare world of men known for their distinctive brands of torture and revenge. Michael crosses and double-crosses key players, escapes his own lies by a hairsbreadth, loses his only ally, and falls for the daughter of his enemy—a most inadvisable development. Boasting spot-on dialogue, crackling wit, and one of the most memorable heroes in all of crime fiction, Adrian McKinty's dazzling new novel confirms his reputation as a brilliant storyteller and writer on the rise.

Twitter and Tear Gas Zeynep Tufekci,2017-05-16 A firsthand account and incisive analysis of modern protest, revealing internet-fueled social movements’ greatest strengths and frequent challenges To understand a thwarted Turkish coup, an anti-Wall Street encampment, and a packed Tahrir Square, we must first comprehend the power and the weaknesses of using new technologies to mobilize large numbers of people. An incisive observer, writer, and participant in today’s social movements, Zeynep Tufekci explains in this accessible and compelling book the nuanced trajectories of modern protests—how they form, how they operate differently from past protests, and why they have difficulty persisting in their long-term quests for change. Tufekci speaks from direct experience, combining on-the-ground interviews with insightful analysis. She describes how the internet helped the Zapatista uprisings in Mexico, the necessity of remote Twitter users to organize medical supplies during Arab Spring, the refusal to use bullhorns in the Occupy Movement that started in New York, and the empowering effect of tear gas in Istanbul’s Gezi Park. These details from life inside social movements complete a moving investigation of authority, technology, and culture—and offer essential insights into the future of governance.

Billboard ,1953-02-14 In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.
